Hov. -Grant Shuster is to sell a carload of fine horses at the Passmore house stables in Philipsburg on Monday, April 15th. The consignment includes a fine matched team of blacks and the horse "Bob Botley," that has shown trial clips at 2:21.

-Cunningham McIntyre, a 16 year old Philipsburg boy, was arrested on suspicion of having stolen \$19 in cash from Thos. Deakin's confectionery in that place on Sunday evening and confessed to the theft. He was bound over for court by B. J. Laporte, justice, and brought to jail here Tuesday.

-Alfred G. Wormser & Co. of Pittsburg, have undertaken the matter of compiling a directory of Bellefonte and vicinity. Mr. Chas. B. Graham, representing the firm, is in town now and explains what may be expected of their work by displaying directories they have made of other nearby towns. Of the usefulness of such a directory there can be no question, therefore we trust that the gentlemen will meet with success in their undertaking.

-Miss Sarah Everhart passed a way at her home at "the Branch" on Friday morning at the age of 61 years. She had been ill for a long time with catarrh of the stomach. She was a daughter of Benjamin Everhart, who was killed in a runaway accident some years ago. Her sister Martha and four brothers Alexander, of Altoona; John, of Spruce Creek, and William and James at home, survive her. She was a consistent member of the Presbyterian church and a thoroughly good

-Emil Joseph, of the firm of Joseph Bros., & Co., dry goods merchants of this place, cleaned up \$5,613.75 in a little stock speculation last week. While in New York several weeks ago Emil was advised that Rock Island was a good buy, so he picked up 200 shares of it. After coming home the stock got to going up so fast that Emil couldn't keep up to it and tried to sell half a dozen times. But fortunately the wires were down once or twice and other accidents happened to prevent his selling orders getting in and the stock kept on jumping until it finally reached 151 and der to sell also reached his broker. He made nearly half of his profit after he had tried to close out and couldn't, because of no communication by wire with New York.

LL ROADS LEAD TO ROME.—You will find a number of these roads in the various counties of the State and the counties inhabited by wide-awake, energetic and practical farmers. Upon investigation you will find a large number of these farmers in possession of the new American Harrow and Seeder. They have in store for it nothing but the highest praise. Why! Because it has a patent adjustable axic to accommodate the operator when enlivating corn and potatoes or any crops that grow in rows. Sows all kind grain broad-east. cultivating corn and potatoes or any crops that grow in rows. Sows all kind grain broad-cast thas the only broad-cast phosphate distributer in the world. As a pulverizer has no equal. With less labor can put your land in better state of cultivation, thereby stand the drouth and cause a better yield. It saves you price of hired man each season. Seeing is believing, therefore try it and be convinced, you being the judge. Because you try it you are not compelled to buy it. Lost nothing to try it. We take pleasure in exhibiting free to each and every farmer. This machine was first at a premium in western States, because they were especially adapted to prairie lands, but they have been modified in their construction so as to adapt them to all kinds of tillable lands and meet the wants of the eastern farmer better than any other that has ever been offered him. The new American Harrow and Seeder is manufactured by American Harrow Co., Detroit Mich., one of the largest and best known manufactories in the country. A. M.
