Sworn Evidence of Bribery

Witnesses Testify Capt. Reed Said Major Davis Was $2,000 Short and He (Reed) Sought to Make it Good.

The trial of Captain James C. Reed, former depot commissary at Manila, and who was arrested about a fortnight ago for alleged participation in the commissary frauds, was begun at Manila on Monday, and bids fair to develop into a celebrated case. Captain Reed is charged with soliciting and receiving bribes and with other misconduct.

At the beginning of the trial counsel for the defendant objected to the jurisdiction of the court, alleging that under an act promulgated in 1901, officers of the regular establishment are ineligible as members of a court-martial to try an officer of volunteers. The defence further denied that a state of war existed in Manila to-day and alleged that the provost marshal, General George W. Davis, is unauthorized to convene a general court-marshal and intimating that, as General MacArthuf virtually preferred the charges against Captain Reed, the orders directing his trial by court-marshal should come from Washington. The defense further objected to the fact that several members of the court were of inferior rank to Captain Reed. All these objections were overruled, and the hearing of testimony was begun.

Mr. Schindler, manager of the Alhambra cigar factory, testified that in November Captain Reed had told him that Major George B. Davis, who was the depot commissary before Captain Reed, but who was sent to the United States on sick leave, and whose name appears upon the books of Evans & Co., government contractors at Manila, as the recipient of $1,000, was $2,000 short in his accounts. Continuing, Mr. Schindler testified that those having profitable contracts with the government were asked to assist in making good Major Davis' deficiency. Schindler gave Captain Reed $1,050, which was 2½ per cent. commission, on the cigars sold to the commissary department during the time that Major Davis was depot commissary at Manila.

MONEY RETURNED TO SCHINDLER.

An officer named Franklin, who was assistant commissary, testified to the effect that on March 18th, and following the direction of a superior officer, he obtained $1,000 from Major Davis and paid this money over to Schindler.

Inspector General Garlington testified that during the preliminary investigation of the commissary scandals Captain Reed admitted to him receivering money from Schindler and others, and gave as an excuse that the money so recovered was intended to cover Major Davis' beef shortage.

Lieutenant Richard H. Townley, of the navy, at present superintendent of the Manila Nautical school, testified that as the result of a conference with Captain Reed, he went to see Castile Brothers, contractors, who supply the commissary department with vegetables, etc., and wanted them to give Captain Reed $2,000 and 10 per cent. commission on all sales. Castile Brothers demurred to this proposition. Lieutenant Townley again went to Castile Brothers, and this time only asked them for $2,000. Castile Brothers were reluctant to hand over this sum, and Lieutenant Townley explained that Captain Reed was in a position to advance the interest of the firm, and that it would be advantageous to Castile Brothers to oblige him, Lieutenant Townley testified that he further explained to Castile Brothers that Captain Reed might allow them the use of government lighters, and possibly be less rigid in the inspection of goods purchased. Lieutenant Townley said that he thought Captain Reed was doing a noble thing in attempting to protect the character of a brother officer. He also said that such transactions were not customary in the navy. When cross-questioned Lieutenant Townley said, rather sheepishly, that he was not sure he was doing right in taking the witness chair.

ADMITTED RECEIVING REBATES.

Colonel Charles A, Woodruff, chief of the subsistence department in Manila, explained the circumstances of Captain Reed's appointment, and described the duties of the depot commissary, not knowing whether the accounts of Major Davis were correct or not. Colonel Woodruff explained that on December 10 Castile Brothers aroused his suspicions by intimating that money was being collected by an officer of the commissary department. Later Colonel Woodruff sent for Captain Reed, who admitted receiving rebates for the purpose of covering the delinquencies of Major Davis. The testimony of Colonel Woodruff is unfinished, and other witnesses are awaiting examination.

Lieutenant John W. Haussermann, of the Thirty-fourth infantry, is judge advocate of the court, and Major Thomas L. Harigan, of the Thirtieth infantry, and Captain Charles H. Marple, of the Fortieth infantry, are the attorneys for the defendants.

The Storms and Signs.

Coles says that the April predictions that great electrical storms and blizzards would sweep over the States came only too true, as millions of dollars worth of property was destroyed during the month. The greatest danger from storm periods during this month will occur between the 1st and 5th; 6th and 10th; 13th and 16th; 17th and 22nd; 23rd and 27th, and during the last three days sudden disturbances are liable to occur. The greatest event of the month will occur on the 17th when a total eclipse of the sun will take place. (Invisible in America.) All eclipse of the sun is caused by the moon passing between the sun and earth which causes the shadow of the moon to fall upon the earth, therefore we should keep a watchful eye upon the "weather and finance" as unusual disturbances may be looked for about that time. The fever microbes and small pox germs will keep up their record this month. Watch out for electric storms which will cause much damage, also destructive storms of rain and hail. Great conflagrations, accidents and dreadful crimes will surprise the people. There will be several awe-inspiring sunset scenes this month.

SHUDDERS AT HIS PAST.—"I recall now with horror," says mail carrier Burnett Mann, of Levanna, O., "my three years of suffering from Kidney trouble. I was hardly ever free from dull aches or acute pains in my back. To stoop or lift mail sacks made me groan. I felt tired. worn out, about ready to give up, when I began to use Electric Bitters, but six bottles completely cured me." They're unrivaled to regulate Stomach, Liver, Kidneys and Bowels. Perfect satisfaction guaranteed by F. P. Green. Only 50 cents.

For Pure Milk.

The New Law Recently Approved by Governor Stone.

On the 19th of April Governor Stone approved an act amending the pure milk law. The amendment is as follows: That if any person, firm or corporate body, by himself, herself or themselves, or by his, her or their agents or servants, shall offer for sale, sell, or have in possession with intent to sell, for human consumption, milk or cream to which has been added boracic acid salt, boracic acid, salicylate of soda, formaline, formaldeyde, sodium fluroid, sodium benzoate, or any other compound or substance for the purpose of preserving or coloring the same, shall be deemed guilty of a misdemeanor, and upon conviction thereof in the court of quarter sessions of the proper county shall be sentenced to pay a fine of not less than fifty or more than a hundred dollars, or to undergo imprisonment not exceeding sixty days, or both, at the discretion of the court.

IT SAVED HIS LEG.—P. A. Danforth, of LaGrange, Ga., suffered for six months with a frightful running sore on his leg; but writes that Bucklen's Arnica Salve wholly cured it in five days. For Ulcers, Wounds, Piles, it's the best salve in the world. Cure guaranteed. Only 25c. Sold by Green.

A REPUTATION.

HOW IT WAS MADE AND RETAINED IN BELLEFONTE.

A good reputation is not easily earned, and it was only by hard, consistent work among our citizens that Doan's Kidney Pills won their way to the proud distinction attained in this locality. The public endorsement of scores of Bellefonte residents has rendered invaluable services to the community. Read what this citizen says:

Mrs. L. A. Miles of High street, says: "I was very much troubled with my back and with rheumatism. This latter affected my heart and besides I had neuralgia. My rest was very much broken from nervousness and the kidney secretions embarrassed me when my back was aching badly. I was told about Doan's Kidney Pills by a young woman who had come 17 miles to get them and she appeared surprised that I was not acquainted with their merits. I immediately went to the Bush block drug store and got them. Well, they did any amount of good. I was astonished at the result of their use for the pain and lameness soon left me. They also banished the tired feeling, I had mornings, I can conscientiously recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co. Buffalo, N. Y., sole agents for the $1. Remember the name Doan's and take no substitute.
