

IT IS EXACTLY AS WE TELL YOU.

We will devote this month to the cleaning up and disposing of our Entire Stock of Spring and Summer Clothing. Beginning to day every garment in our establishment, Men's, Boy's or Children's, will be reduced in price to such an extent as to make buying simply irresistible.

We are entering upon the closing month of by far the Biggest Season's Business in the history of this store. Our immense business has naturally left us with considerable of what we call Odds and Ends, meaning one and two Suits of a kind. These goods simply must be sold. Original price, cost or profit will not be taken into consideration. They have got to be bundled up and taken out of this store regardless of their value. Should you be lucky enough to find yourself with one of these packages under your arm you can safely credit yourself with at least one half of the amount you left with us.

The saving will be greater than you expect. It will be so big that you will not have to be told of it a second time. We expect, July 1st, to find every Spring and Summer Suit in this Big Store sold.

This big price reduction includes Everything in Clothing in our Entire Establishment. Nothing reserved. If you need clothing don't delay. You can not afford to. But come at once.

Our New Shoe Department seems to have filled a long felt want. We don't believe we are selling any better shoes than other stores, but we are selling just as good ones and for a great deal less money, and then we sell the kind you want. Try us, the Best Men's and Boy's Shoe Store in the County.
