### Books, Magazines, Etc.

The May issue of *Eccequity's Magazine* is pronounced by competent critics the best magazine of the month. The July number is far better.

Nowadays this publication is not compared with its 10-cent contemporaries, for in novelty, interest and value it has far outstripped them, but with the highest standard set by *The Century*, *Harper's* and *Scribner's*. It is catering to the category, but not beyond the deserts of this production.

It is proposed that *Eccequity's* shall be the best magazine published, and the July number will be found to realize this ambition.

Stories, long and short, will abound in the July *Century*, justifying its characterization as a Summer Fiction Number. Miss Mary E. Wilkins will tell a characteristic New England tale, and Seumas MacManus typical Irish one; the heroine of "A Hope Deferred," by Josephine Daskam, Sedgwick's, "A Lion among Ladies," a popular novelist in London. The other short stories will be by Stewart Edward White and Elliott Flower, creator of *Policeman Flynn*.

Interesting installments will accompany them of Mrs. Burnett's novelette, "The Making of a Marchioness," and Mr. Bechler's novel, "D'Vi and I."

### Dr. Stites.

#### NOW IS THE TIME!

FOR THE TREATMENT OF CATARRH, DEAFNESS AND AIR PASSAGES, ASTHMA, BRONCHITIS, ETC.

NOW IS THE TIME For Treatment of Catarrh, Deafness and Air Passages, such as Asthma, Bronchitis, Etc.

One month of Dr. Stites' New Treatment for Catarrh and Deafness is worth two months of the most careful treatment of any other treatment, and if all who suffer from Catarrh were wise enough to devote a little time to the new treatment as only is given by Dr. Stites there would soon be few cases of Catarrh to treat. Deafness would become rare. Head Noises a curiosity, and Chronic Coughs, and Bronchitis, Asthma and Consumption would be reduced to a minimum. Hence we can only repeat:

NOW IS THE TIME. Catarrh of the Head, Nose and Throat.

Absolutely cured, and the poisons of the disease completely eliminated from the system by the new and better treatment administered by Dr. Stites. No injurious medication, no painful operative treatment, no acids sprays, no caustic burnings, no experimenting. Deafness, all forms of Catarrh, Asthma and diseases of the stomach successfully treated. All correspondence strictly confidential.

#### DR. J. K. STITES

Offices, 21 North Allegheny St., Bellefonte, Pa. EAR, NOSE, THROAT AND LUNG SPECIALIST

Dr. Stites invites the public to make a thorough investigation of his treatment for Catarrh, Bronchitis, Consumption, etc. The vapor of these healing oils are easily breathed into the air tubes, causing the lungs to be entirely filled with them, and the lungs are healed as if by magic. The vapors are composed of antiseptics, disinfectants and the various drugs suitable to each case; the effect is to kill the germs of the disease and expel them. In fact no form of germ can live when thoroughly under the influence of the vapor. Most wonderful are the results obtained. Even consumption finds in this treatment its conquerer. It takes the place of stomach medicine which kills more people than the disease itself. Lung medicine is always hard on the stomach. Call and see this wonderful inhalation invention. Remember that it is no trouble to examine you and tell you the probabilities in your case, whether you take treatment or not.

Glad to Recommend the New Treatment for Catarrh.

When I took my son to Dr. Stites last fall he had become quite a sufferer from that dreadful disease Catarrh. The offensive discharge worried us a great deal and although it had not interfered with his general health at that time we were afraid it would. The doctor said at once after examining him that he could cure him and I take great pleasure in offering this testimonial, to say that Dr. Stites has kept his word and that our boy is entirely cured. Most willingly do I recommend this New Treatment. Respectfully, Wm. BAIRD, Bellefonte.

CONSULTATION AND PRELIMINARY EXAMINATION FREE. NO INCURABLE CASES TAKEN. Hours 9 to 12 a. m., 1 to 5 and 7 to 8 p. m.

NOTICE—This office will be open at the usual hours on July 4th.
