

THERE IS MORE CLOTHING

(GOOD CLOTHING ONLY.)

In our store than in all the other stores in Bellefonte combined.

This is a fact that you will not question once you see us.

Ours is not only the biggest and Best Clothing Store in Bellefonte, but there is not a Mens Store in Central Penna. that shows anything near as large an assortment of Clothing and Furnishings for Men and Boys as you will find with us.

The very fact that we are as big as we are affords us an opportunity to obtain those advantages in price that big purchases and ready cash always command.

This guarantees to you Lower Prices than it is possible for other stores to give.

As the season progresses we will let you know, weekly, of the many good things--Money Saving Surprises--that we have in store for you.

We want every Man and Boy in Centre county to say, with us, Its the Best Mens store in Penna. Before the season closes we intend that you shall tell your friends, your neighbors, that Faubles' CLOTHING IS BEST, Faubles' PRICES ARE LOWEST. Give us a call. You can form no idea of our clothing superiority unless you do. We will make it interesting and profitable to you.

FAUBLES.
