**IT'S HERE.**  
We keep studying the needs of people. That's why we so seldom lack the item you want. The loss of a sale is a trifle, but the customer is disappointed. Several disappointments and he may not come again. The loss of a customer is a serious loss to any store. Not merely a loss of profit, but a loss of prestige.  
We try to make our store useful and helpful. We want it to be known as a place where everything that a druggist ought to sell may be found, and where little accommodations are given—and not grudgingly. When we don't quite please you, tell us—it will help us to make our store better.
