Then he fell off the chair he was sitting on and lauded on diction and the service was at an end. his head on the floor with the result that the clothes pin tore several of his teeth loose from the lower jaw.
- -The action of council in rescinding the order prohibiting burning leaves on the streets is indeed a sensible one. The San Jose scale that has been doing more to kill the trees in Bellefonte than any other enemy they have is encrusted on many of the fallen leaves and unless they are burned the scale will not be destroyed.
- -It is a little late for snakes but George Eberhart dispatched one last Thursday that proves that they are still abroad in the land. He was on the mountain back of the chain works when a black snake 4ft 9in long appeared in his path. - -Malcolm Bullock fell off a porch at his home on east High street and broke his upper jaw one day last week. As the child is only three years old it was quite a difficult matter to treat him properly for it. A plate was at first put in to hold the fragments in place, but the child worked it about so that it did no good. Then he was taken to Dr. Hayes' laboratory and holes bored clear through the jaw bone. Into these Dr. Tate, the dentist, wove gold wire in such a way as to firmly hold all the pieces and the little sufferer is getting along very nicely now.
- -The Y. M. C. A. was fortunate in securing Rev. There will be no services in the Methodist church in the evening, for the congregation will join in the union services of the anniversary.
- -C. H. McLain has resigned his position with the Central railroad and is going back to Jersey Shore, his old home, to manage a well established store which he recently purchased. 'Tis a pity that Bellefonte is not having an Oak Grove or some other kind of a bonanza being built near it for it needs all of the citizens of the Mc-Lain type that it has and begrudgingly gives up one of them to another community. No one begrudges Mr. and Mrs. McLain their opportunity, though it is a good one, and everyone hopes they will strike it rich but we are sorry that it did not anchor them here. The occasion was the laying of the corper stone of the memorial hall to Miss Marion Petriken. A large crowd of people was attracted to the site of the hall on High street and at 3:30, when the ceremonies opened, the street was blocked with onlookers. A temporary floor had been laid S. U., the latter organization having met in their rooms on Allegheny street and proceeded to the new building in a body, president Mrs. John P. Harris and secretary Mrs. James Harris, leading the way.

A union choir of half a hundred voices opened the services by singing the hymns old familiar melody "Stand up, Stand up for is well known in Bellefonte. Jesus" the great audience joined with such fervor that it could be heard in all parts of town. The scripture lesson was read by Rev. W. H. Brown, of the Evangelical church, after which Rev. Dr. Laurie made the invocation. Another hymn was sung and Dr. W. P. Shriner, of the Methodist church, delivered the first address, taking for his theme the life and character of the noble woman whose last will was to help er hymn followed this and Dr. H. C. A TRAIN STRUCK THEM .-- W. M. Rich ards and his brother from Port Matilda had a narrow escape at Philipsburg on Friday afternoon. They had been in that place with a wagon load of produce and were driving from Philipsburg to Chester Hill. Going out Presqueisle street at a pretty lively clip they were crossing the P. J. The game will probably be very Woodford, on the death of their youngest interesting because the Bellefonte boys won the first game at Lock Haven several weeks ago, but since that time the Lock Haven county and Bellefonte centennials, a copy team has been greatly strengthened, in fact so much that they defeated the Normal eleven last Saturday.

-Last Saturday the Academy football team went up to the College and had the temerity to defeat the Reserves of that institution by the score of 6 to 5. It was a lucky day too, for all of the instructors and nearly every student of the school or the hill had taken advantage of the special excursion rates to go up and see their favorites play. Things looked a little squally for them, however, until something happened away down near the Academy's goal line and Ran Hoy got the pig skin under half mile above Tusseyville, was totally his arm. The footing certainly was good and Ran had a touchdown before the Reserves seemed to realize that there was something doing. It is needless to go into details about what the sundry hundreds of little Academyites did about that timeand some of the big ones too-and they are all taking about it yet.

THE ORGAN RECITAL.—Seldom has Bellefonte audience been as thoroughly pleased with a first class musical as it was with the organ recital given in the Methodist Episcopal church last Thursday evening by Miss Elizabeth Mac Dowell, of Harrisburg. There is no question about Miss Mac Dowell's ability as a musician and she is a fine organist. She played Thursday evening to a much more appreciative audience than she did at the first recital here, which was given in April when the church was reopened, for that was a free affair with its usual indifferent crowd, and all of her hearers were most favorably impressed with her efficiency and expression.

The vocal numbers of the program were sung by Miss Hench, soprano, whose voice has always been much admired here: Miss Worley, contralto, and Mr. Kinnard, barytone, all of Harrisburg. Miss Worley, and Mr. Kinnard were the new stars of the company and they won for themselves so much glory that should they ever come back to Bellefonte they will meet with a genuine ovation. Miss Worley's voice is a splendid one of wide range and her solo Buck's "Come Holy Spirit" was so well reit at the close of the recital

JOHNSON-SMITH-On Wednesday morning cards were sent out aunouncing the marriage of Miss Ella Cordelia Johnson, youngest daughter of Mr. Joel Johnson. and Mr. Myron David Smith, of St. Johnsbury, Vt. The wedding which was celebrated Tuesday evening at the Johnson home on east Bishop street was a small of the bride's mother. The reception room was prettily decorated with chrysanthemums, ferns and palms and the ceremony was performed at eight o'clock by Dr. W. P. Shriner, of the Methodist Episcopal church. The bride wore a becoming gown of white batiste and was the recipient of many useful presents, for she is highly regarded by a wide circle of acquaintances.

An informal reception and collation followed the ceremony and the young people left Wednesday for a short wedding journey. After Nov. 6th, they will be at home at 37 Spring street, St. Johnsbury, Vt., where Mr. Smith has a good photoof Bellefonte's most excellent young women. For many years she has been has always been such a prominent and kindly factor in church, Sabbath school and home affairs that surely she has coming to her the best that life can give.

KELLER-MAYES. -It was indeed a pretty October wedding that was celebrated Wednesday afternoon at the home of Mr. and Mrs. George S. Keller, of Houserville, when their eldest daughter, Lucy Margaret. was united in marriage to Lewis Frank Mayes, the hustling marble dealer of Lemont. There were more than a hundred guests present and the house was in gala attire with ferns, palms, chrysanthemums and autumn leaves. Rev. A. A. Black, of Boalsburg, performed the ceremony at 4 o'elock and Miss Ruth Bottorf played the wedding march. > Lyon-Cox. - The wedding of Miss Margaret Lyon, of Spring township, to Boyd Cox, of Coleville, on Thursday evening, was none the less happy or interesting because only the immediate members of the family were present. Owing to the illness of the groom's mother the ceremony was performed at her home and it was made as simple as possible. Rev. Edmund E. White, of the Methodist church, joined them in the bonds and an informal reception followed.

> The bride is a daughter of Wm. Lyon and is a young woman amply qualified to make a home all that it should be. Her husband is a son of William Cox, who is one of the trusted Morris employees in this place. On Friday evening his fellow members in the Coleville band marched up and gave the young couple a delightful serenade.

> LEATHERS-BROWN NUPTIALS. -- On Thursday afternoon, the 24th, a small though joyous wedding was celebrated at the home of Mr. and Mrs. Mitchell Leathers, in Snow Shoe, when their daughter, Bessie, was united in marriage to Mr. Bert Brown, a fireman on the Beech Creek road. The ceremony was performed by the Rev. T. S. Faus, of the Methodist church, at 3:30 o'clock. He said before leaving that he had had a nice time and enjoyed the vacation very much, though he was sorry that he did not have time to get around among all of his friends. This fact he regretted very much, as there were many he would like to have spent a day or more wit before returning had want of time not prevented it. The thing that impressed Mr. Houser most in Bellefonte was the match works. He inspected the plant and carried a box of matches back to show his Nebraska friends what fine little light sticks are made here. His wish in parting was "Good bye to all. May you continue to prosper. Come and see us. We will treat you right." And we believe he was sincere in all of it.
