**W**e would not be treating you right if we did not sell you Shoes for less money than the regular shoe stores.

We have a Men's and Boys' Shoe Store that we conduct without one cent of expense.

**WE CAN AFFORD TO**

**WE OUGHT TO**

**WE DO**

sell you Shoes--any kind of Men's and Boys' Shoes--for less money than it is possible for you to buy them elsewhere.

That's why we sell as many as we do.

That's the whole story.

Does it interest you?
