HON. W. K. ALEXANDER.-The announcement of the death of Hon, William Keller could scarcely have made a more profound impression there than it did in this place, where he was so well known and generally respected. He had been engaged in his usual pursuits all day Saturday and had not the slightest intimation that the end was so near until his heart failed and then roll, Daniel and Ollie. all was over so soon that those about him scarcely realized that he was gone.

Mr. Alexander was a progressive, honorplore. Though actively engaged in busiconsistent christian life. In Millheim his best. loss will be greatly felt, because there he town's progress.

Deceased was born on the Van Tries farm in Potter township on May 10th, 1840. He was a grandson of James Alexander who came to Pennsvalley from Maryland in 1795 and lived on one of the Pot- tleman who was held in high esteem by all. ter farms, east of the Old Fort, for fifty five | died at the home of his son-in-law, I. J. years. He was a son of Amos and Elizabeth Keller Alexander, his father having ing, having been worn out by long years been one of the best known of the pioneer of life. farmers and merchants of Penns valley, as well as having served as county commissioner from 1861 to 1865.

William's early boyhood was spent on the farm, but at the age of fifteen he was started on an academic course that took him to such reputable old time schools as the Aaronsburg, Jacksonville and Academia academies and later he entered Dickinson Seminary at Williamsport. While at the latter institution his health broke down and he was compelled to give up his studies and started on a tour through the west. It was during that trip that he happened to be in the convention in Chicago at the time Gen. Geo. B. McClelland

was nominated for the Presidency. It was in 1865, after his father had pur chased the John V. Foster property in Millheim, that he became associated with him in the mercantile and grain business, which he conducted successfully until 1875. Afterwards he opened a marble yard there and operated it until about four

years ago, when he retired. Politically Mr. Alexander was a staunch Democrat, his rare personal qualities and fealty to party brought many local honors, as well as having secured a seat in the General Assembly for him. He was an aspirant for Assembly in the fall of 1865, but was defeated for the nomination by the late Hon. S. R. Wolf, but the latter having died before the opening of the session Mr. Alexander was taken up and elected at the spring election in 1875. He served with such eminent satisfaction to his constituents that he was re-elected in the fall of 1876 for another term.

On April 30th, 1872 he was married to Sarah E. Mauk, a daughter of Jesse Mauk, of Millheim. They had two daughters, one of whom died in infancy and the other, Lydia Florence, died at the age of 13. His widow survives him with the following brothers and sisters: Dr. John F. Alexander, of Centre Hall; Christ Alexander, of

MR. JOHN PACINI.—The death of Mr. tractor, on Tuesday morning at one o'clock, -Mr. and Mrs. Dave Kelley moved at his home on Allegheny street, was not unexpected for he had been seriously ill since the Sunday before Christmas. The week previous he fell and hurt himself while repairing a house he owned on Thomas street which had been partly burned down in November. The fall aggravated by a severe cold brought on bladder and kidney trouble. Two, three or four of as good doctors as there are in town and a trained nurse were assidious in their care performed, but he suffered intensely and there was really no hope of his life being spared from the first.

He was born in Tuscany, Italy, June 24th, 1832, but had been a resident of this place since he was twenty-one years of age. And a splendid citizen he was. There have been men who were more famous and men who have reached greater eminence, but there was never a better man in the town. He was an artist in his line, a fine workman, an honest, upright and diligent man and a most kind and good providing father. He was twice married and at the death of his second wife, Sarah Fleming, about thirteen year ago, he was left with his family of little children to whom he has filled a mother's as well as a father's place ever since.

He is survived by his six children Mary, Cordula, James, Helen, Henrietta and John, all of this place. Funeral services were held yesterday morning at 10 o'clock in St. John's Catholic church, of which he was a devout member. Interment was made in the Catholic cemetery with the following pall bearers: Henry Brockerhoff, V. J. Bauer, D. J. Brown, Frank Walz, Joseph Beezer and Charles Cunio.
