Large Attendance-The Swallow Trial Over-shadowing Everything Else.

The thirty fourth annual session of the | if he falls he will drag others down with Methodist Episcopal church convened in Bellefonte, according to announcement, on Tuesday morning. There was an unusually large attendance at the opening session and notwithstanding the pleasure that this great array of workers take out of their analysis of the charges preferred against Dr. Swallow some time ago by Rev. nual coming together their faces showed, all too plainly, that they realized that this Conference will be fraught with interests that will be memorable in the history of

church government.

Bishop John M. Walden D. D. L. L. D.,
of Cincinatti, Ohio, called the body to order and after a short scriptural service addressed Conference upon the significance and holy solemnity of the Communion which was then administered. The Bishop was Assisted in the service by Bishop Cyrus D. Foss, of Philadelphia, who had arrived rather unexpectedly to preside over Conference while Bishop Walden presides over the Swallow trial. Others who assisted were the Presiding Elders, Drs. Evans, Yocum, Black and Rev. J. Ellis Bell and E. M. Stevens—also Dr. D. S. Monroe, Rev. Isaac Leidy, Dr. W. A. Stephens, Rev. Richard Hinkle and Dr. Shriner.

Immediately thereafter the work of organization was begun and the roll call showed two hundred members present. Rev. T. S. Wilcox, of Altoona, was unanimously re-elected secretary and he chose as

Conway W., Dickson was elected statistical secretary and chose as his assistants Robert J. Allen, G. F. Boys, M. S. Derstine, W. W. Shull, Wm. Armstrong, J. R. Ball and P. M. Shull, Wm. Armstrong, J. T. Bell and R. M. Snyder.

Rev. John Harning was elected treasur-er and chose as his assistants. Altoona District, F. W. Leidy, E. E. Harter. Danville District, Frank H. Brumstetter, O.

A motion was adopted to change the rules allowing official visitors no more than ten minutes in addressing the Conference. Under the old rule they were given fifteen

On Tuesday evening the temperance anniversary services attracted a great crowd to the church to hear the addresses by H. W. Schwartz, of Altoona, and Rev. Dr. W. A. Stephens, of Carlisle, former pastor of the Bellefonte church.

The reports of the Presiding Elders showed encouraging conditions in their respective districts interesting to the people of this section was that of Rev. J. Ellis Bell, of the Altoona district. Some of the more important facts set out are as follows: The ed ministers begged that the charges be ministerial support has been increased in read.

Central Pennsylvania Conference of the him and the unchristian epithets of "liar"

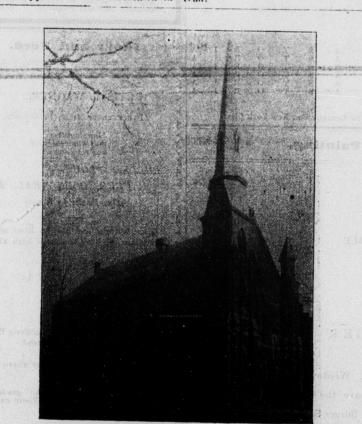

against Dr. Swallow some time ago by Rev. Hartzel, of Harrisburg, are well known. The presiding elder's investigation committee having found him guilty under them he was deprived of his ministerial rights until this Conference should act upon the committee's finding. Consequently, the first move made by Dr. Swallow here on Tuesden day was to have the case tried in open Conference, but it was the sentiment that the thing had been given too much publicity already and he was defeated in that con-

tention. This precipitated many parliamentary questions of church law and in rulings upon them most of the time of Conference was taken up until noon yesterday. At the instance of Dr. Swallow grave charges were preferred against Rev. C. V. Hartzell, Dr. E. H. Yocum, presiding elder

of the Harrisburg district, and Dr. J. Wesley Hill.

the aggregate by \$800, though several ministers were reported as having inadequate salaries. \$11,973 were raised for missions, while the Women's Foreign and Home mission offerings swelled the total to \$13,-000. He mentions State College, Grant, Frankstown and Allegheny as doing especially well and also notes the fact that Clearfield still retains first rank as a mission giver in the district and third in the Conference. During the year 2,100 souls professed conversion, while 1750 have become probationers and 100 united with other denominations. During the year the Bellefoute church was remodeled at a cost of \$14,000, a new church to cost \$18,000 nearly completed at Patton, a new Eighth Ave. church built in Altoona, the church at Morrisdale enlarged and beautified at a cost of \$2,500, a new church built at Munson at a cost of \$1,700 and a \$1,200 parsonage in addition, improvements costing \$400 made to the church at Kreamerville, this county, and a worrisome old debt of \$150 wiped out, new furniture placed in the parsonage at Centre, three churches on the Wallaceton charge brightened up, two on the Port Matilda and Half Moon charges greatly beautified, a new pipe organ put in at Bellwood, a new church bell at Pine Glenn, a new church to cost \$1,200 under way 23 Hannah and numerous other gratifying signs of advancement. During the year 193 members died.

THE SESSIONS ON WEDNESDAY. While the ordinary routine of Conference work was kept going as far as possible on Wednesday the Swallow trouble kept in-jecting itself into the business with such persistence that little else was accomplished than the disposition of how his case would be handled. It has clearly overshadowed everything else in the session and those ministers who are not mixed up in it are profoundly sorry for the church that personal relations between her chil-

dren should come to such a pass. It is clearly a condition and not a theory that confronts this Conference and distasteful as it is it must be settled, even if it results in denying to many their ministerial functions. Dr. Swallow seems determined that The charges preferred against Dr. Hart-zell and Dr. Hill by Dr. Swallow for def-tertained: amation of character, and those against Dr. Youum affect his conduct of the office of presiding elder. The committee of five who will select the committee of fifteen to try Dr. Swallow, was subsequently choses Dr. Swallow chose Dr. J. W. Rue, o

Curwensville, and Dr. S. M. Frost, White Haven. Dr. Hartzell selected Dr. H. C. Pardce, of Renovo, and Dr. W. P. Eveland, of Chambersburg. Rev. J. B. Shaver, of Williamsport, was

selected as the fifth. This committee reported the result of their selection at the session yesterday morning as follows: Revs. J. W. Buckley, Centralia; Peter Eyer, Saxton; G. Leidy,

The church will be represented by Dr. The church will be represented by Dr. The church will be represented by Dr

M. K. Foster, of Danville, as counsel, and the prosecutor, Dr. C. V. Hartzel, of Har risburg. Dr. Swallow will be defended by Rev. R. H. Gilbert, of Berwick; Rev. J. C Bickle, of Janesville, and Rev. William Powick, of the Philadelphia Conference.

At the executive sessions yesterday morning Bishop Walden ruled that Dr. Swallow could not be permitted the further courtesy of the floor. Up to that time he had been permitted to speak frequently, though the church law holds him as having all privileges forfeited until his case is displayed. posed of by Conference. Rev. Powick made another appeal to have the charges read in open Conference but he was referred to the trial committee.

It was very evident on Thursday morning that the Bishop regards the matter in a very serious light when he refused to excuse either Rev. Frysinger or Dr. Swallow to attend the funeral of their old friend and pastor, Rev. Finley Bell, at Blooms

burg to-day. The real sensation of yesterday, however, was the announcement that that Dr. Swallow will prefer charges against Dr. Geo. Edward Reed, president of Dickinson College and State Librarian. While these will have to be preferred before the New York, East, Conference, of which Dr. Reed is a member, yet has connection with the great Methodist educational institution of Pennylvania makes the matter of charges against him very serious also, especially since they comprehend such grave things as "perjury" and "immorality."

In executive session yesterday afternoon the Bishop appointed the following committee to investigate the charges preferred against Dr. Hill: Revs. E. J. Gray, Dunning, Metzler, Brady, Wood, Wharton and McCloskey. Their report is to be final inasmuch as they are a committee of Conference itself ference, itself.

The committee to investigate the charges preferred against Rev. Hartzel was an nounced as follows: Revs. Dougherty, Fortner, Mattern, Comp, Breneman and Brooks. Their finding will be final.

The committee to investigate the charges

against Rev. Younn will not be announced until this morning though the lawyers in this case will be: For Yocum, Prof. Mor-

John Mann and Milton Frost.

Immediately after these matters were disposed of Conference adjourned and the respective committees at once began their labors. Speculation varies as to how long it will take them to conclude, some placing it as high as two weeks.

Another exciting and unfortunate incident of yesterday was Rev. Moses' accusa-tion of Dr. Hill. He arose in Conference and said that Hill had accused him of promoting the 'Swallow Peace Conference' and when the "Swallow Peace Conference" and when he denied having ulterior motives in his connection with the committee, Dr. Hill called him a "liar and a dirty underling." Rev. Moses told his story with tears in his eyes and while some of the ministers were inclined to think it was a bit of grand-stand work to affect the Hill trial Dr. Hill did not deny the fect the Hill trial, Dr. Hill did not deny the accusations in toto. Consequently there was another committee appointed to pour oil on their troubled waters so if there is a quorum left Conference will continue regular sessions this morning with all factions relegated to the council chamber and other private committee meeting places.

WHAT THEY THINK OF BELLEFONTE. Whatever may be their feelings for each other the ministers are pleased with Belle-fonte, as is evidenced in their hearty adoption of the following resolution presented

by Dr. W. W. Evans on the first day : In as much as our Conference is now for the third time the guests of the people of Bellefonte, and in as much, also, as the cordial invitation to accept the delightful hospitality, which we have in the past so thoroughly enjoyed, came to us at a time when epidemic sickness seemed to require that our sessions be held elsewhere than the place selected therefor one year ago; therefore.

place selected therefor one year ago; therefore.

Resolved, That we, the members of the Central Pennsylvania Conference of the Methodist Episcopal church in conference assembled, have unfeigned pleasure in expressing our warmest gratitude to the pastor, W. P. Shriner, D. D., the officiary, and congregation of our church in this beautiful city, to those of other churches therein, and to the community at large, and that we hereby express, as our ardent hope, that our presence may in some measure be made a blessing to the cause of our Common Master in their midst and to them and their homes.

DR. SILAS C. SWALLOW, the "Fighting Parson,

HARGES AND SPECIFICATIONS PREFERRED AGAINST THE REV. GEORGE E. REED, OF CARLISLE, PENNA. Harrisburg, March 24, 1902.

the Bishop and Members of the New York East Conference to Convene at Torrington Conn., April 2, 1902.

The undersigned a member of the central Pennsylvania Conference of the E. Church complains to you on bealf of the Church that the Rev. George B. Reed, D. D. LL. D., a member of the aid New York East Conference has been nilty of immoral conduct and he is herecharged therewith as follows:

IST, CHARGE, PERJURY.

Specification In taking a solemn oath as State Librarian to support and obey the constitution and laws of the State of Pennsylvania, and then for three years or more, acting in open violation of one of those laws which provides that the State Librarian during the term for which he is appointed must reside at the seat of government and have charge of, and be responsible for, the preservation and safe beeping of the State Library. Whereas Dr. Reed has not resided in Harrisburg but at Carlisle.

2ND. CHARGE, DEFAMATION OF CHARACTER, Specification. In saying in a speech de-livered in Scranton in October 1898 that John Wanamaker is a dastard in politics. George M. Jenks the Democratic Candidate for Governor has been lying, and S. C. Swallow the Prohibition Candidate for Governor is a man of no character.

Specification, 2. In saying to various persons in Carlisle in October 1897 that Swallow's speech in the Court House contained untruths whereas the said speach did not contain untruths.

Specifications. 3. In saying in a speach delivered at Waynesboro, Penna. in that the critics of the State administration, referring to Governor's Stone's administration, are infernal liars, whereas these critics told the truth.

3RD. CHARGE. UNCHRISTIAN CONDUCT. Specification. 1. In accepting twice and continuing to hold the office of State Librarian of the State of Pennsylvania at a salary of \$2500 a year, when at the same time he is under an appointment from the New York East Conference and pretends to be serving as President of Dickinson College at a salary of \$3500.00 a year by which he deprives the college of its right to all his time and to his best endeavor for its success.

Speciation. 2. In acting as President of Dickinson College at a salary of \$3500, a year while in the employ of the State as State Librarian at \$2500 a year, and by so doing depriving the State and defrauding the tax payers of the same, by devoting only a part of his time and attention to the duties of Librarian for which they are paying him a large salary.

Specification. 3. In electionering for William A. Stone for Governor of Pennsylvania knowing him to be connected with the Quay machine in politics and accepting a second time at the hand of the said Stone the appointment of State Librarian after the said Reed knew the character of the said machine as shown by its connection with the Ripper Bill the sale of franchises and other similar transactions.

Specification. 4.
