Closing Sessions of the Methodist Conference.

Reports of the Different Committees-Many Executive Sessions -Charges Against Dr. Yocum not Sustained-Dr. Swallow Found not Guilty of Lying and Insubordination But Sentenced to be Reprimanded by the Bishop.

Episcopal conference on Monday morning of last year. was in charge of Rev. E. S. Dunham. Bishop Walden then commended the ministers on their work of the past year in bringing seven thousand souls into the church. At the close of his talk the Conference took up the regular routine of business.

Rev. Dr. Gilbert moved a reconsideration of the action by which the charges preferred by Dr. Yocum against Dr. Swallow was referred to a Presiding Elder, and be referred to a committee of inquiry. By a vote of the Conference the matter was reconsidered. A motion to refer to a committee of inquiry was made which elicited a spirited discussion, and was finally adopted. The charges against Dr. Swallow as preferred by Dr. Yocum then went to a committee of inquiry, the same action that obtained in the charges preferred by Mr. Seibert against Dr. Hill and Rev. Hartzell. By the consent of the Conference the select number in the case of Swallow was allowed to retire to take up their work. Bishop Foss took the chair and Bishop Walden retired to preside at the trial.

The Board of Stewards and committee on necessitous cases presented their report of the receipts and disbursments of the money in their hands, which was adopted. In connection with this report a resolution was adopted thanking Mrs. Jackson, of Berwick, for her special gift of one hundred dollars for the wornout preachers. The relation of Rev. Frank W. Curry was changed from supernumerary to effective. Mr. Curry had been in ill health for some years, but felt justified in resuming his

work. The case of Rev. W. H. Miller, a supernumerary, was referred to the executive session. The character of the supernumerary and superannuated preachers was passed and they were continued in their several relations, with the exception of Rev. J. A. DeMoyer, who was made effective. Rev. John Z. Lloyd moved that the secretary be requested to write Rev. J. J. Pearce, of Conneaut, O., to find out "from him" whether he is dead or alive.

The secretary was finally directed to write Dr. Pearce informing him that he must be heard from either by letter from himself or his paster, or his presiding el-

The Bishop announced the following as committee of inquiry in the case against Dr. Swallow. Revs. Richard Hinkle, C. T. Dun, A. D. McCloskey, G. D. Pennepack-

Revs. J. B. Stine and G. W. Faus were put on the committee of inquiry in the case of Rev. Hartzel.

The question of where shall the next session of conference be held was taken up and an invitation from Eighth Avenue church Altoona was received and unanimously accepted by a rising vote.

Dr. W. P. Thirkield, of Cincinnati, secretary of the Freedman's Aid and Southern Education Society reported encouraging condiditions in his field of work. The debt is diminishing, more than \$60,000 have been raised toward this purpose. By reason of the money given for this work four hundred fifteen teachers have been employed and ten thousand two hundred students received instructions from them. The students who have been helped by this money have put back into the treasury dollar for dollar.

Rev. Dr. Morrow, Secretary of the Pennsylvania Bible Society, then spoke in behalf of the work of the society he represents. Dr. Reed followed with an appeal for Dickinson college at Carlisle, this school has sent into the ministry in its history between five and six hundred young men. He reported an enrollment of 504 students. Sixty-five men will graduate in June as members of the senior class, besides about twenty-five from the Law school. During his incumbency the student enrollment has advanced from 167 to 504.

The afternoon session was devoted to memorial services with Rev. H. C. Pardoe in the chair. The members of the Conference who had passed away during the year were Revs. Gideon H. Day, Finley H. Riddle, Henry Treverton, H. W. Decker, William H. Stevens, R. E. Wilson, L. L. Logan and G. W. Dunlap. Suitable and touching memoirs on their lives and characters were presented and read by the following ministers : Rev. R. H. Gilbert, Rev. J. R. Dunkerly, Rev. A. S. Fasic, Rev.

George M. Glenn and Rev. H. C. Pardoe. The Pentecostal service was held as usual at 4 o'clock and as it was the last meeting over which Rev. Dunham was to preside a great crowd thronged the auditorium until after 6 o'clock. The evening session of the day was given over to the Bible society. Rev. William Brill presided and Rev. James Morrow D. D., was the principal speaker.

TUESDAY'S WORK. Bishop Foss returned to his home on Monday and Bishop Walden spent much of Tuesday presiding at the Swallow trial. In his absence Rev. H. C. Pardoe presided at the Conference session. The funds in the hands of the stewards were distributed in open Conference to the several claimants.

The following reports from committees

were adopted: Accounts of the book room,

The opening service of the Methodist | temperance and constitutional prohibition

One of the provisions of the report presented this year provoked a spirited discussion. The offensive resolution pledged the members to voting in a particular way.

Many of the preachers scorned the idea of trying to interfere with the conscience of any man with regard to the exercise of his rights as an American citizen. The offensive resolution was not adopted by a count vote of 86 against and 52 in favor. It being apparent that the Conference was not in favor of the present report, the report of of last year, was substituted and adopted, and amended by adding the suggestion that the subject be presented to our people in a patriotic sermon as near the Fourth of July as possible.

The other standing committees presented their reports which were adopted.

The Conference went into executive session for the transaction of private business. WEDNESDAY MORNING.

The Methodist Conference re-assembled at 9 o'clock Wednesday for the concluding session, with Bishop Walden in the chair Some reports were considered and acted

> Conference resumed business. The relation of N. H. Schenck changed from effective to supernumerary. The Presiding Elders nominated the standing com mittees which were approved by the Con-

ference. The right of S. C. Swallow to participate in the business of the Conference being challenged, Bishop Walden ruled that Dr. Swallow's disability held until lifted by the Conference. The Conference received the reports of the select members in the

cases of Drs. Younn and Swallow. In Dr. Youm's case the verdict was 'the charges are not sustained," and the character of Dr. Yocum was passed. In the case of Dr. Swallow the verdict.

was that the charges of lying and insubordination are not sustained, but that he is found guilty of highly imprudent con-duct for which he shall be called before the bar of the Conference to be reprimanded by the Bishop.

Dr. Swallow appealed from the verdict, to

the judicial Conference, and Bishop Walden stated that the penalty could not then be imposed.

The committee on the relation of the Book Room at Harrisburg to the Conference was presented. It affirmed that there is no relation existing between the Book Rooms at Harrisburg and the Central Pennsylvania Conference.
The Bishop briefly addressed the Con-

ference, after which he read the list of appointments and the Conference adjourned. ALTOONA DISTRICT.

Steel Trust's Eurnings are \$111,067,-195. This Vast Sum Was Made in First Year of Cor

poration's Existence. NEW YORK, April 1.-The directors of

the United States Steel Corporation, in quarterly meeting here to-day, gave formal approval to the conversion plan, under which it is proposed to retire preferred stock to the amount of \$200,000,000, upon which dividends are paid at the rate of 7 per cent. per annum, and issue bonds to a total of \$250,000,000, with interest fixed at 5 per cent. May 19th was fixed as the date upon which the project will be sub-

mitted to the shareholders.

The directors also issued a statement

which ended on March 31st, with the last month estimated, reached a total of \$111,-

067, 195. Before the meeting of the directors the executive and finance committees were in session, and the executive committee, as well as the general board of directors, unanimously approved the conversion plan.

RETIRING PREFERRED STOCK. Former Judge E. H. Cary, chairman of the board, said that the extra \$50,000,000 of bonds above the \$200,000,000 to be used for retirement of preferred stock would give the corporation a working capital of about \$106,000,000 to be used in any way that the directors might deem He would not say that this implied the ac-

quisition of any new plans. The legal advisers of the corporation laid special stress on the point that no preferred stock would be retired without the consent of the holder. This they said would remove any impression that the retirement of the preferred stock for new bonds would

be compulsory. The directors voted the usual dividends at the rate of 7 per cent. on the preferred stock and 4 per cent. on the common stock.

MONTHLY NET EARNINGS. The statement of net earnings showed

that the record by months was as follows: October\$12,205,774
...\$7,356,741 November 9,795,841
9,612,349 December 7,758,298
9,394,747 1902.
9,580,151 January 8,901,016
9,810,880 February 7,678,583
9,272,812 March (est.) ... 9,700,000
rning \$111,067,195. 1901. Total net earning. COSTS WERE DEDUCTED.

The statement said:

"The net earnings were arrived at after deducting, each month, the cost of ordinary repairs, renewals and maintenance

The amount applied each month to repairs, renewals and maintenance of plants, and interest on bonds and fixed charges of the subsidiary companies was about ten per cent. This is the first time the corporation has made an explicit statement on

this point. It is proposed to spend from \$25,000,000 to \$50,000,000 of the added working capital in improving a number of the subs ary companies, which before the consolidation were in constant competition.

Of the net earnings sinking funds on onds and reserved funds claimed \$15,399, 695; interest on bonds, \$15,200,000, and dividends, \$56,017,783, while the undivided earnings were \$24,449,717.

The meeting of the stockholders to pa upon the conversion scheme will be held at Jersey City.
