THE SUPREME JOURNEY.

Oh, what a night for a soul to go! The wind a howl, and the fire in snow...

A MIDNIGHT ALARM.

There are three policemen in Chicago who daily smoke 25 cent cigars. How they can afford to do so is a mystery to their brother officers.

There are four or five residents along the lake shore who know the secret of their dogs, and one of these residents has told. One of Chicago's judges lives in Lake View. He has a 14-year-old son who keeps dogs.

Every Saturday evening he has been at 125th street and Third avenue, where he appealed to the sympathies of the shoppers. As he grew on in years his appearance became more and more decrepit, until to-day he is a bent, miserable object, seemingly suffering from some deformity.

Beggar Retires.

Has Saved \$12,000—He Will Go to Italy and Enjoy His "Earnings."

Tender hearted persons in the Harlem police court on Wednesday were shocked when Francisco Gorgia, an aged, shriveled and miserable looking Italian, was fined \$5 for begging.

"I sent \$3,000 to my daughter, Maria, last May. She's soon to be married," the old man chuckled.

Gorgia has been in this country thirty-five years, and was one of the first settlers in "Little Italy." Soon after arriving in New York he hurt his hand, and, to make a living, got a hand organ.

Eighteen years ago he went back to Italy where he married, returning two years later to resume "business." He made several trips to Italy since then, to put in the bank of Rome the money he begged in New York city.

Cure for Diphtheria.

The Scientific American gives this receipt which the whole world should know: At the first indication of diphtheria in the throat make the room close, then take a teacup and pour into it an equal quantity of turpentine and tar and then hold the cup over the fire so as to fill the room with the fumes.

Tourists.

\$33.00 to California Oregon and Washington. Chicago & Northwestern Ry. from Chicago daily, March and April, only \$6.00 for berth in tourist car.

The Indian and the Northwest.

A handsome illustrated book just issued, and containing 115 pages of interesting historical data relating to the settlement of the great Northwest, with fine half-tone engravings of Black Hawk, Sitting Bull, Red Cloud and other noted chiefs.

Very Low Rates to the Northwest.

March 1st to April 30th, 1902, the Chicago, Milwaukee & St. Paul Railway will sell tickets to Montana, Idaho and North Pacific coast points at the following greatly reduced rates: From Chicago to Butte, Helena and Anaconda, \$30.00; Spokane, \$30.50; Portland, Tacoma, Seattle, Victoria and Vancouver, \$33.00. Choice of routes via Omaha or St. Paul.

Travel Like Princes.

Those who saw the special train in which H. R. H. Prince Henry of Prussia made his tour of the United States are comparing it with other trains in regular service, and it is admitted that none of the cars in the train compare favorably with the buffet, compartment and standard sleeping cars of the Pioneer Limited trains of the Chicago, Milwaukee & St. Paul railway in daily service between Chicago, St. Paul and Minneapolis.

Plumbing etc.

CHOOSE YOUR PLUMBER

As you choose your doctor for effectiveness of work rather than for lowness of price. Judge of your ability as you judge of his—by the work already done.

R. J. SCHAD & BRO.

No. 6 N. Allegheny St., BELLEFONTE, PA. 42-43-61

The proprietor of a German menagerie keeps caged together a lion, a tiger, a wolf and a lamb, which he labels "The Happy Family." When asked confidentially how long these animals lived together he answered: "Ten months, but the lamb has to be renewed occasionally."

A NEARLY FATAL RUNAWAY—Started a horrible race on the leg of J. B. Orner, Franklin Grove, Ill., which killed doctors and all remedies for four years. Then Buckle's Arnica Salve cured him. Just as good for boils, bruises, cuts, corns, scalds, skin eruptions and piles. 25c at P. Potts Green's drug store.

Medical.

Don't mistake the cause of backache. To be cured you must know the cause. It is wrong to imagine relief is cure. Backache is kidney ache. You must cure the kidneys. The scientific resident tells you how this can be done.
