SMALL-POX NEAR BELLEFONTE AGAIN. -Last Saturday the WATCHMAN received a message from Jersey Shore to look out for a case of small-pox in a family named Fry, living near this place. As no such family lived very near Bellefonte more particular inquiry was made and it was learned that the men were employed at the lime kilns near here. Then they were easier to locate. It was found that several families of Frys live near Valley View, along the mountain above the Keystone operation of the American Lime and Stone -Rev. George I. Brown's little son Co. and the men all work at Keystone. Recently some of them had been visiting at Jersey Shore at the Crager home, in which the small-pox scourge that has been raging in that place for several weeks, broke out. After they returned to their homes here, so the informant says, they wrote back to the Cragers saying that since coming home their children had become sick

> called chicken-pox up here. The WATCHMAN got the above information to several of the physicians in Bellefonte within a half hour after receiving it, but none of them knew anything about the Frys. Since then Mrs. S. R. Fry, Ben Fry, John Fry and two children have all been reported ill and the people of that community have become so much exorcised that on Wednesday the other workmen at Keystone threatened to strike if the Frys were not sent home from the kilns. This brought matters to a focus and on Wednesday afternoon the president of the Benner township school board directed Dr. Sebring to go up and make an investigation. He did so and upon his return that evening pronounced it small-pox, but of a very mild type.

Yesterday morning two of Harry Young's children were reported to be ill with the trouble. He is a neighbor of the Frys. There is no telling where the contagion will end as members of the infected family have been running about promiscuously ever since it broke out.

WILLIAM R. BRACHBILL KILLED BY THE CARS .- The singularly sad fatality that seems to hang over the family of the late J. C. Brachbill added another to its -Midshipman Alfred Terry Brisbin list of victims yesterday morning when hospital at Punxsutawney.

Three weeks ago yesterday he left his home here to enter the employe, as a brakeman on the Bells Gap division, of the P. R. R. Co. and was at work in the yard at Punxsutawney about 5 o'clock on Tuesday morning, when the accident occurred. In some way he was thrown under the wheels of his train and crushed so that he never recovered from the shock. The wheels passed over his left wrist and shoulder and severed the toes from both feet. He was taken to the hospital, but had lost so much blood that an operation primary and regular elections there would was not deemed advisable at once. He seemed to grow stronger by Wednesday afternoon and his left arm was taken off at the shoulder. There was not enough - The scholars at the Bellefonte vitality left, however, and he died yesterday morning.

Will was a fine boy. Big, strong and promising it is sad indeed to think of his tragic end. He was the eldest son of Mrs. Margaret Brachbill and would have been 23 years old had he lived until June. His young wife, who was Mable Perdue, a daughter of Thomas Perdue, and their one child, a babe of only a few months, survive with his mother and his brothers John and Fred and his sister Margaret

SPRING MILLS HAS ANOTHER BIG FIRE. -Last Sunday night the village of Spring Mills had its second big fire within a period of four months. The first one, just before Chrisemas, threatened to wipe out the best part of the village and the second, as if not content with the work of the buying up old horses in the lower end of first, started in to make the destruction complete, but it was stopped before the entire business portion of the place was

reduced to ashes. The fire was discovered in the office quarter of C. J. Finkle's store about 11:30 Sunday night. It burned furiously and entirely destroyed the building which was used as a store and dwelling by Mr. Finkle. From there the flames spread to C. A. Krape's shoe store in which the post-office was located. It was entirely destroyed, though the office fixtures, stamps, mails and his entire stock of shoes were removed

Incendiarism is assigned as the cause and the people of Spring Mills are much exoreised over it because they believe that the fire in December was of the same origin. C. J. Finkle's loss is estimated at \$6,-

WEDDED AT BOALSBU RG .- Wednesday at noon an auspicious wedding was celebrated in Boalsburg when Miss Gertrude Meyers, second daughter of Daniel W. Meyers, and Mr. John P. Wagner, of Alsoona, were united in marriage. The wedding took place at the home of the bride's parents and was witnessed by only the mere intimate friends of the family. Rev. Irvin Stonescypher pronounced the ceremony and the bride wore a becoming gown of gray crepe de chine. A delicious breakfast was served and the young people were the recipients of many useful and handsome presents.

Mr. and Mrs. Wagner went west to St. Louis and Indianapolis for their honey moon and upon their return will go to housekeeping in Altoona where the groom is employed by the P. R. R. company. The bride is a splendid young woman, accomplished and well versed in the arts son of the late John Wagner, of this place, the southern and western part of the county.
