ROBBED THE GRAVE.—A startling incident is narrated by John Oliver, of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed at Green's drug store.

SPRING HUMORS

Come to most people and cause many troubles—pimples, boils and other eruptions, besides loss of appetite, that tired feeling, fits of biliousness, indigestion and headache. The sooner one gets rid of them the better, and the way to get rid of them and to build up the system that has suffered from them is to take Hood's Sarsaparilla and Pills, which form in combination the Spring Medicine par excellence, of unequalled strength in purifying the blood, as shown by unequalled, radical and permanent cures of
