An Army of Child Immigrants.

Of All the Arrivals at Ellis Island the Children Are the Most Reasonable.

More than one-half of the 4569 immigrants who arrived in New York on Sunday were family parties, and the 2000 who reached port Monday there was an equal percentage of mothers with more or less innumerable broods, says the New York Herald.

This mother was 42 and carried a nursing child in her arms. Her oldest daughter aged 27 years, had seven children of her own, and of two younger married daughters one had a family of five and the other four.

The conduct of the strange looking army of little aliens was impressive. Of all the arrivals at Ellis Island the immigrant children are the most philosophic, the most reasonable.

One small black eyed Italian child got separated from her parents in the disembarkation from the Savoie. Clad in a scarlet petticoat and a blue bodice, she toddled on shore, burdened with bundles and holding a small rocking chair in both hands.

Among the arrivals on the Columbia were a rosy cheeked Scotch mother and nine "bairns," all boys. She overwhelmed everybody she met with inquiries about the public schools of America.

An Experienced Invalid.

Sometimes a doctor has to deal not only with physical ailments, but with a mental attitude which complicates the case.

"I beg your pardon," said the patient, irritably. "It isn't for a young physician like you to disagree with an old and experienced invalid like me, sir!"

Heavy Insurance Policy.

Medical. There is no other season when good medicine is so much needed as in the Spring.

The blood is impure, weak and impoverished—a condition indicated by pimples and other eruptions on the face and body by deficient vitality, loss of appetite, lack of strength, and want of animation.

Hood's Sarsaparilla and Pills make the blood pure, vigorous and rich, creates appetite, give vitality, strength and animation, and cure all eruptions. Have the whole family begin to take them to-day.

"Hood's Sarsaparilla has been used in our family for some time, and always with good results. Last Spring I was all run down and got a bottle of it, and as usual received great benefit." Miss BEULAH BOYCK, Stowe, Vt.
