

The Kind of Clothes  
You Ought to Wear--

THE  
FAUBLE  
KIND.

THE KIND YOU WILL AL-  
WAYS WEAR IF YOU  
BUT TRY THEM

ONCE---

THE  
FAUBLE  
KIND.

MR. MAN:

Would you like to wear clothes that will look on you as these look here, and always look the same? If you think you would, try the FAUBLE kind. The pictures shown here are taken from life, They show THE FIT, THE STYLE exactly as it is. Wear the right kind of clothes. The cost will be no more---we think it even less---than others ask for the ordinary kind. We are showing more Hand-tailored Clothes than all of Bellefonte's other stores combined. You will have no trouble in finding what you want. Come, take a look at what the Best Store for Men and Boys in Central Penn'a is showing. You will be pleased if you do.
