NOT A SMALL MISSION.—You will agree with us that to change existence into life, or to make life more abundant, is not a small mission. It is accomplished by the bestowal of the greatest of blessings—health and strength. It is the mission of Hood's Sarsaparilla and is so well fulfilled by this great medicine that in thousands and thousands of homes the name, Hood's Sarsaparilla, is always spoken with gratitude.

We are glad to say so much that is so fully deserved.

STRIKING EVIDENCE.—Fresh testimony in great numbers is constantly coming in, declaring Dr. King's New Discovery for Consumption Coughs and Colds to be unequalled. A recent expression from T. J. McFarland, Bentonsville, Va., serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me."

Medical.

THAT TIRED FEELING.

That makes a daily burden of itself and has nothing to do with work, is quite common just now. It comes from a low condition of the blood, and is therefore so serious as to demand attention.

It is always removed by Hood's Sarsaparilla and Pills, whose peculiar tonic action on the blood gives new life, new courage, strength and animation.

Accept no substitute for HOOD'S SARSAPARILLA AND PILLS. No substitutes act like them. Insist on having Hood's.

TRUSTS GOING OUT OF BUSINESS

That is a head-line you don't see in the new columns of this paper. The trusts are not breaking up into the smaller concerns that were merged into them.

There is only one trouble with the trusts. They enable men to produce more wealth with less waste of energy than was ever possible before but they take most of the wealth away from those who do the work and give it to those who do the owning of stocks and bonds.
