

Pine Grove Mention.

Fred Bottorf spent Sunday with his brother, Jacob, at Lemont.

William Everhart lost a valuable cow on Tuesday morning, from poisoning.

Reish and Royer have purchased Ed Corl's cider press and will run it this fall.

Robert F. Evey is enjoying a deserved vacation in the mountains about Shamokin.

Mr. and Mrs. William Brouse spent Sunday with their son Will at his new home in Boalsburg.

Edward and Frank Meyers, of Alexandria, are spending a few days with old associates hereabouts.

Mr. and Mrs. Harry Shugert were entertained at J. H. Heberling's comfortable home on Saturday.

Judge Hess drove up from Bellefonte the other day to see how his share of the roasting ears are panning out.

Dr. Frank Bailey, of Milton, has closed his dental offices in that place during the week he will spend with friends here.

Squire and Mrs. Laporte, of Philipsburg, have been visiting at the home of county commissioner Bailey for a few days.

George Tate, one of the trusted Carnegie employees in Pittsburg, is home for his vacation at the home of his father, A. J. Tate.

Miss Martha Everhart, who has been ill from heart trouble lately, is better and is visiting Huntington county friends this week.

Sheriff H. S. Taylor, with his wife and sister and register Archev drove up from Bellefonte to attend the Baileyville picnic on Saturday.

On Sunday the stork left a little girl at the home of farmer Will Ishler and henceforth the two little boys will have to share their toys.

Threshers are already at work in this section. There is a good crop of wheat and barley, but oats is badly rusted and the corn gives very poor outlook.

Supt. F. H. Thomas was here on Tuesday staking off the proposed extension of their line and just as soon as men can be secured it will be pushed to completion.

The old soldiers in this vicinity are not in sympathy with the shabby treatment given Gen. Miles by President Roosevelt and the carpet knights he has surrounded himself with.

Mrs. Henry Gingerich and her son were seen on our streets on Saturday noticing the changes since she was a girl here, when we did not have railroads, telephones and street lights.

The venerable Samuel Musser, formerly of this place, is very ill with nervous troubles at his home in Tyrone and on account of his advanced years it is doubtful if he will ever be much better.

Miss Dora Meyer, of Bellefonte, with Miss Jennie Ayers, of Bridgeton, N. J., were guests at the fine home of George W. Keichline, on Main street, during the fore part of the week.

Miss Margaret Brett, a daughter of the late Robert Brett, returned to her home in Centreburg on Monday, after a visit with Centre and Huntington county friends. She is a trained nurse in that city.

Mrs. Annie Sausserman is here from Altoona for a week's visit amid the scenes of her girlhood. W. H. Sausserman, who is employed by the Pennsy in the Mountain city is visiting a few days in old Pine Grove.

Insurance agent W. H. Musser, of Bellefonte, has been here for the past few days beautifying the graves of Mr. and Mrs. Shiffer, in the old cemetery and having a beautiful marker erected over them.

On Monday the members of Washington grange turned out en masse to beautify the yard about their hall and erect a women fence before the coming meeting of the county grange, which is to be held there in two weeks.

Rev. John Oliver is spending his vacation with his old friend Henry McCracken, in the Glades, and on Sunday, by invitation of Rev. Aikens, he preached in the Lutheran church; a sermon the like of which is seldom heard in this community.

J. A. B. Miller, of Bellefonte, has laid aside his legal briefs this week and turned out as a full fledged granger to help his father with the oats harvest. While here he was dickering for the farm, which looks as if James has an idea of retiring to old Ferguson some day.

It was a wonder that carpenter John Reynolds was not killed on Wednesday of last week. While working at the cornice at the comb of the roof of Ed Isenberg's new barn at Baileyville the ladder gave way and he fell to the ground, landing on his head in the cellarway. He was badly bruised and his one leg was considerably hurt.

THE BAILEYVILLE PICNIC.—The annual harvest home picnic was held at Baileyville last Saturday and the largest crowd that has been there within the eight years of its continuance was on hand. It was simply astounding, the good time everyone had and the amount of "grub" that was considerably cared for. As an illustration of the proportions which everything assumed we need only mention one table at which there were over one hundred guests.

The ball game was quite exciting up to the time Baileyville jumped onto the other fellows' curves and landed a winner by the score of 14 to 8. The race track was in good condition and A. M. Brown's sorrel pacer took first honors with Sammy Everhart's Dandy Jim second.

The Washington camp, P. O. S. of A. cleared \$245. There were 110 gallons of ice cream, 50 cases of "pop" and loads of nuts and candies sold.

That Terrible Hurricane.

The One on Island of Jamaica Worse Than First Reported.

KINGSTON, Jamaica, August 12.—The effects of the hurricane upon the island of Jamaica were greater than at first believed. Port Antonio, on the north coast, was completely overwhelmed. Only six houses were left standing there. The United Fruit company's wharves, offices, hotel and plantations were utterly demolished. Five of the company's steamers, including the Simon Dumois, Alfred Dumois and Brighton, were driven ashore, but are lying in easy positions. Port Maria, another town on the north coast also suffered similarly. The coast is strewn with wreckage of local sailing vessels.

It is feared that the loss of life has been heavy, thirty fatalities having already been reported, principally among seamen.

Real Estate Transfers.

BROOM STOCK BOOMS

From the facts presented you will understand why stock of the International Broom Company, Manufacturers of the Twentieth Century Broom, is a gilt-edged investment, and why it is regarded as such by all who will not put their money into any enterprise unless they see great and speedy profits ahead. Owing to the quick growth and great progress of the International Broom Company the stock has been advanced to

60 CENTS A SHARE.

We would advise intending investors to avail themselves of this low price and purchase before another raise. With the various applications for sub-companies now in hand, there is no doubt that about the latter part of August the price will be advanced to

75 CENTS A SHARE.

The high price The New Broom gained in public favor is due to the Company's ability to produce solid proof of every statement.

Contract closed for sub-company in Chicago with largest broom manufacturer in the United States.

Contract closed for sub-company in New Haven, Conn.

Contract will be closed shortly for sub-company in Kansas City, Mass.

Contract will be closed shortly for sub-company in Fall River, Ont.

Sub-Company now manufacturing the New Broom in Ottawa.

All on royalties to the parent company—The Ottawa Company alone will pay the International Broom Company about \$25,000 a year in royalties.

20 Other Applications for Sub-Companies Now Pending.

WE ASSERT AND CAN PROVE

That the demand for the New Broom is as wide as the civilized world.

That it is the only sanitary broom made.

That the Brooklyn factory made in April, 1903, twice as many brooms as in March and four times as many in February, and earned a profit of more than 25 per cent. over its operating expenses on its production.

That dealers, wholesale and retail, think so well of The New Broom that they are becoming stockholders in the Company.

If we could not prove all this, and more, we should not expect any careful and conservative investor to buy this stock.

As we are thoroughly familiar with the plans and projects of the Company and the possibilities of The New Broom we unhesitatingly declare that this stock should very soon pay a dividend in the par value and rapidly advance until it sells for \$2.00 or \$3.00 per share.

It is, therefore, advisable that intending investors who wish to invest in this proposition do so at an early date before the next advance in price is announced. Those who subscribe now will be benefited by the increase.

Intending investors can obtain full particulars and ample proof of the claims of this Company on application at our office.
