THINGS ABOUT TOWN AND COUNTY

The Coburn band will hold a festival on Saturday night, Sept. 12th.

There will be a festival in the union chapel, at Pleasant View, this evening.

Harry Otto has accepted a position on the Watsonstown, Pa., base ball team.

The interior of the Garman opera house is being touched up by the McSuley Bros.

Coming: The great American Kinetograph Co. Nothing old. Everything new.

Rev. S. S. Berger was installed as pastor of the Bald Eagle Presbyterian church on Monday afternoon.

The new steel bridge that is to span Fishing creek at the Creighton farm, near Mackeyville, is on the ground.

Today the Episcopal Sunday schools of Bellefonte and Lock Haven are to picnic at Hecla, weather permitting.

On and after September 1st the station at Lambourn road, on the Bellefonte Central, will be discontinued.

On one outline set below the dam in Lock Haven last Friday night some fishermen hooked one hundred and fifty large eels.

Rev. J. Ellis Bell, presiding elder of the Altoona district, will preach in the Methodist church in this place on Sunday evening.

Out of seven applicants John F. Harrison, of this place, was elected principal of the Jersey Shore grammar school last week.

This evening quarterly conference will be held in the lecture room of the Methodist church. The Holy Sacrament will be administered on Sunday.

The thorough-bred riding horse owned by the late Governor Hastings died Monday morning. He was an exceptional animal under the saddle; having had many gaits and some fancy steps.

C. T. Gerberich has purchased a property on Laurel St. in Phillipsburg and will build a new house on it, which is to be occupied by his son-in-law, Mr. C. U. Hoffer and family, when completed.

About eighty of the friends and relatives of the venerable John Wagner and his estimable wife gathered at their home near Martha, on the 18th, to celebrate the golden anniversary of their wedding.

Mrs. W. A. Ishler, of east High street, has a night blooming cereus that came in flower on Monday night. Quite a number of her friends called that evening to enjoy the beauties sight.

Plate glass windows are being placed in Jesse Cox's pool-room and cafe. They make a very good improvement and are altogether in keeping with the fine style in which he has the interior fixed up.

Miss Goldie Gates, a daughter of George Gates, of Stormstown, was admitted to the hospital yesterday and underwent an operation for appendicitis. She was brought down by Dr. Thompson. Last night she was reported as resting easy.

The State College band played a few selections that were very much appreciated on our streets yesterday morning. The band had come down for the Odd Fellows picnic at Hunter's park to escort the Bellefonte lodge to the train.

Chickens scratched up the dead body of an infant in the back yard of Rev. M. S. Jones home in Lock Haven. The minister sent for the county coroner just as soon as the greswome discovery was made but nothing further was found out.

The new tenement which Dr. M. A. Kirk has made out of the old Methodist church property, on east High street, is about completed and is quite an improvement in that quarter. He put a large brick addition to it, making apartments for four families.

Miss Lydia I. Moore, who had been visiting friends in Philadelphia for several weeks, has accepted a splendid position as a stenographer in the business office of Gimbel's stores. She had held a similar position in Grant Hoover's office in this place prior to going to Philadelphia.

The marriage of Franklin Miller and Miss Mary Martin, two well known young people of this place, was celebrated at the parish house of St. John's Catholic church on Tuesday evening. Rev. Father Mo-Ardle performed the ceremony in the presence of several of their friends; after which they gave a large reception in their newly furnished apartments in the Allison building, on north Allegheny street.

Henry Samsel and his son Boyd, of Pleasant Gap, had a narrow escape from a bad accident on the streets of Bellefonte on Tuesday morning. They undertook to drive a spirited team of draft horses past the 9:53 train as it was standing at the station. The engine was occupying about half the roadway leaving very little room for them to pass. The horses frightened and started off on a mad gallop up High street. They barely missed half a dozen vehicles and it was more good luck than good management that they did not plunge into the right side of the bridge from which many planks were removed at the time to be replaced with new ones. The run up the hill was too much for the team dragging the heavy wagon and they stopped near the Centre county bank.

OSCAR HUNTER EXPIRES SUDDENLY.—Oscar, the youngest son of the late Hon. Benjamin and Nancy Hunter, died very suddenly at the home of his wife's parents in Snow Shoe early Tuesday morning. He had been in bad health ever since last fall when a period of illness terminated in a seriously impaired heart. In fact, his physicians had apprised him that the slender cord of life might snap at any moment and while his death is inexpressibly sad it was not altogether unexpected.

With Mrs. Hunter and their three children he was spending a few weeks on her father's farm with the hope that he would be benefitted by the change. He did appear to be improving until Monday afternoon, when he had a bad siege and was in a critical condition until 3 a. m. Tuesday morning. At that hour he fell to sleep so restfully that the anxious ones at his side were all reassured and wishing him to have all the rest possible they did not go to call him until eight o'clock, when the sad discovery that he was gone was made.

Deceased was born at the family home at Hunter's park 34 years ago. His life until a few years since was spent on the farm. At that time he came to Bellefonte to become a book-keeper at the glass factory, and when the new company was organized to operate the factory he became its president, which office he held at the time of his death.

He is survived by his widow, who was Miss Minnie Reeser, before her marriage, and their three children, John Gilbert, Wallace and Dorothy. His brothers Robt. H. Hunter, J. Dorsey Hunter, Craig Hunter, and two sisters, Mrs. Rachel Henderson, of Hunter's park, and Mrs. Nannie Reeser, of Snow Shoe, also survive.

His body was brought to his late home here on Wednesday evening. Services were conducted by the Rev. Dr. Laurie, of the Presbyterian church, of which Oscar was a member, at 2:30 o'clock yesterday afternoon; after which he was taken to the Meyers cemetery, within site of his boyhood's home, to be laid to rest in the family plot.

THE VENERABLE WILLIAM P. FISHER.—After having been in failing health for a long time the venerable William P. Fisher passed away at his home in Union township, near Unionville, at half past ten o'clock on Wednesday morning. In his death the county loses a man of exceptional eminence, for he was so prominently identified with the agricultural and horticultural interests as to be considered an authority in husbandry everywhere. He was of Quaker ancestry and lived a life absolutely consistent with the principles he espoused; being a model of gentleness and integrity in his daily life.

The branch of the Fisher family to which he belonged came to Centre county in the autumn of 1800. His great-grandfather, Thomas Fisher, had purchased some of the Penn lands in Chester county and it had passed down to his grand father, William Fisher. The latter left it to come to Centre county with his family of eight children. In the early days he bought a tract of land about the line now dividing Boggs and Union townships and there started to clear off a home, living in a rude cabin until 1812, when he moved into the fine old stone house that still stands on the banks of Wallace run at Snow Shoe intersection. His son William, the father of the deceased, was born in 1789 and after he had married settled on a portion of the homestead lying in Union township. There William P. Fisher was born in 1818. In 1846 he married a daughter of Thomas Wilson, who was at one time president of the Hollidaysburg bank. Two years later he settled in the home in which he passed away, and there lived a life that anyone might emulate.

His wife died many years ago and he is survived by the following children: Mrs. Mary Holmes, of Baltimore; Mrs. Lucretia Way, of Stormstown; Jennie and Elwood, at home; former county commissioner Thos. W. Fisher, of Unionville; Wm. Jr., an attorney in New York city, and Mrs. Cora McMin, of DuBois.

Interment will be made in the Friend's burying ground, near Unionville, this afternoon at 1:30.

MRS. JOHN WAITE.—On Sunday, August 23rd, all that was mortal of Mrs. John Waite of Miles township passed into immortality, and her husband and six children are left to mourn the death of a loving mother.

She was a daughter of Jacob Granley and was born in Miles Twp. Aug. 6, 1825. Her marriage to Mr. Waite was blessed with ten children, six of whom survive as follows: Samuel, of Pleasant Gap; Mrs. Wm. Breon, of Lock Haven; Mrs. Chas. Beck, Frank and George, of Rebersburg, and John, of Smethport.

Interment was made in the cemetery of the Evangelical association on Wednesday morning.

Mrs. Annie Zimmerman died at the home of her daughter, Mrs. Robert McCann, in Phillipsburg, on Sunday morning. He had been ill with dropsy for about six weeks and suffered intensely prior to his death. Mr. Mulson was 65 years old and is survived by one son and five daughters; his wife having died about five years ago. Interment was made in Clearfield on Tuesday.

A. V. Mulson died at the home of his daughter, Mrs. Robert McCann, in Phillipsburg, on Sunday morning. He had been ill with dropsy for about six weeks and suffered intensely prior to his death. Mr. Mulson was 65 years old and is survived by one son and five daughters; his wife having died about five years ago. Interment was made in Clearfield on Tuesday.

Mrs. Elizabeth Keller Rhone.—The death of Mrs. Caroline Elizabeth Rhone, widow of the late Dr. John W. Rhone, at her home in Los Angeles, Cal., on Monday was much of a surprise to her relatives and friends in this place. She had suffered with kidney disease for several years and at the time of her last visit at her old home here remarked several times "that she did not expect to live to make the journey again." It was not known, however, that she was worse than usual and the announcement of her death was altogether unexpected.

Mrs. Rhone was one of the well known Keller family of Boalsburg. She was a daughter of Henry and Margaret Schneck Keller and was about seventy years of age. She was united in marriage to Dr. John W. Rhone in 1856 and for many years made her home in this place. Dr. Rhone died on May 15th, 1894, and soon after that Mrs. Rhone and her two children, Miss Ella and Dr. Charles Rhone, went to California in quest of a more congenial climate. They located at Los Angeles and there Dr. Charles Rhone practiced dentistry until he was obliged on account of ill health to give up office work and go onto a ranch. At present he is in Arizona but Mrs. Rhone and her daughter continued to make their home at Los Angeles. Mrs. Rhone was a sister of the late Daniel S. Keller of this place and of her father's family she is survived by her three sisters, Mrs. Sophia Hall, of Wilmington, Del., and Miss Clara and Sallie, of Boalsburg, and one brother, Judge Frank B. Keller, of Branwell, W. Va.

Mrs. B. F. FRANKENBERGER.—Mrs. Minnie R. Frankenberger, wife of B. F. Frankenberger, died at their home, west of Millheim, on Saturday afternoon at the age of 36 years and 13 days. Deceased was a daughter of H. E. Duck, of Millheim, and was a most estimable young woman. At the age of fourteen she became identified as a member of St. John's Lutheran church and was active in her church duties until ill health made it impossible for her to do more.

ONE MAN KILLED.—A bad freight wreck occurred on the Bald Eagle Valley near Fowler station, last Thursday evening. A heavy coal train was running east when a wheel broke on one of the cars' causing seventeen of them to pile up almost mountain high on the tracks.

It was one of the worst wrecks the Valley has experienced in years, but as all the train crew were accounted for after the pile-up it looked as if the property loss would be the only one suffered. As the work of clearing away the wreckage progressed, however, there was a different story to tell, for there under the broken timbers of a coal car were the mangled remains of a man.

The wreck completely blocked traffic that night and passengers had to be transferred. It was therefore very late when the 4:44 got back to this place bearing the body of the one man killed. It was met by undertaker Harris and taken to his rooms to be prepared for burial. Meantime a search for someone who knew him was started. An Iron Moulder's Union card that was found on him opened the way and it was not long before it was learned that the man was Thomas Coates, aged 68 years, a nomadic moulder who was a member in good standing of the Franklin, Pa. local. Williamsport, 183, being the nearest local H. M. Geistwhite, treasurer, came up on Friday afternoon to take charge of the body and look after the burial.

Funeral services were held in the lecture room of the Methodist church Saturday evening at 5 o'clock and interment was made in the Union cemetery. The old moulder was without family or relatives but the last rites were very respectable indeed. Fully fifty of his craftsmen gathered to follow his remains to the cemetery and Rev. Wood made very appropriate remarks.

The members of the I. M. U. feel especially grateful to the quartet that sang and the ladies who presented flowers for the service.

THE EAGLES ARE COMING.—The Susquehanna district of the Knights of the Golden Eagle of Pennsylvania, composed of the counties of Centre, Clinton, Lycoming, Potter, Northumberland, Columbia and Union meets in Bellefonte on Monday, September 7th (Labor Day) and the Eagles are on the fly and will surely be in Bellefonte on the day named, and Bellefonte will see the largest parade of Eagles ever seen in Central Pennsylvania, as thirteen Castles and two Commanderies have notified the local authorities that they will be here in bodies and a number of bands will be in line from Centre and other counties. A number of these organizations are coming to compete for some of the numerous prizes offered by the local management. If the weather is favorable this will be the largest gathering of this fraternal order that has ever been held in Centre county.

The trades unions will also turn out and take part in this parade and form one division.

A public meeting will be held in the court house at eleven o'clock on said day which will be addressed by sir knight W. Harrison Walker, chief Burgess of Bellefonte, and addresses by Grand Castle of doers, and after the parade in the afternoon competitive drills by the visiting Commanderies for the prizes for the best drilled Commanderies will take place, which alone is worth coming to see, and special trains will be run.

In the evening there will be a session of the Grand Castle in Bellefonte castle rooms at which time the past chief's degree will be conferred on sir knights entitled to receive the same.

A LITTLE BOY DROWNED.—A sad drowning accident was reported from Roopsburg Tuesday morning, when between 9 and 10 o'clock little Paul, the 2 year old son of Mr. and Mrs. Andrew White, fell into the race and was drowned.

He was a very active, boyish child, full of life and would slip out of the yard at every opportunity. On the fatal morning his mother went upstairs for a few moments and upon returning missed her boy. Not finding him in the yard she ran down to the mill and there, standing on a plank that crosses the race at a spring where many of the people out there draw their water, was a little bucket that she recognized. It was a mute signal pointing the way to what might have happened.

The frightened mother guessed the awful truth at once and gave an alarm that called the men in Wagner's mill to her aid. The mill was shut down, but no where along the race could the little boy be found. Finally, after quite a long search his body was discovered floating in the dam at Bezer's slaughter house. Charley Kustaborder saw it and with the assistance of Al Bezer and Bert Bathurst, who had been attracted to the spot, brought it to shore. Hastily physicians were summoned and every effort put forth to revive the child, but all to no purpose.

Interment was made in the Union cemetery Wednesday afternoon.

On Sunday eight members of No. 467, Brotherhood of Locomotive Engineers, came down to Bellefonte from Tyrone to meet with and instruct the four members of the Brotherhood who are residents of this place. They are Jerry Nolan, L. P. Lonsberry, Claude Thompson and Edward Whitaker and, of course, they constituted themselves a committee of entertainment for the visitors. A business and social meeting was held in the hall of the Undine engine house, where all the beneficiary and fraternal features of the Brotherhood were discussed at length for the benefit of the members here who do not have the advantage of regular meetings.

A COAL MINE IN McBRIDE'S GAP.—There has been considerable excitement among the owners of property along the north side of Nitany mountain between Pleasant Gap and Lemont because of the finding of a small vein of coal on the Henry Reitz place, in McBride's gap.

The out cropping of the coal was discovered some time ago, but it was never given enough attention to be regarded as worthy of investigation until lately when music dealer M. C. Gephart, of this place, and a man by the name of Miller secured a lease on the property and started in to mine.

They have been at it about two months with the result that they have a 25 ft. slope out into the hill after a vein that up to this time has showed no greater thickness than eight inches.

From appearances the coal seems to be semi-bituminous. It looks all right and burns nicely. All that is needed is more of it.

On Wednesday, Sept. 9th, the Bellefonte Academy will open for the fall term. It is a matter of more than passing interest to the people of this community, not alone because of the educational advantages offered, but because the era of prosperity and usefulness the institution has entered. There will be a largely increased teaching force at the Academy and the class rooms and dormitories have been made more cheerful by a thorough remodeling. New paint and paper, with a large collection of pictures add much to the attractiveness of the Academy interior.

One of the principal free amusement features at the coming great Centre county fair will be a high dive that for daring will fair out-do the one seen on the streets of Bellefonte during carnival week. Not only will the diver drop from a higher perch at the fair but he will do it backwards and turn a complete somersault in his descent.

Out of forty-one head of cattle put in a mountain pasture tract owned by Jas. Fisher and Isaac and Isaiah Beck, on the summit of the Alleghenies, nineteen have died. Last summer none of the cattle in pasture died but the year before they lost twenty-eight out of forty-two, through some strange disease.
