

# THE FAIR POSTPONED

On account of the bad weather and the impossibility to race on the muddy track the Great Centre County Fair has been postponed until

**Wednesday, Thursday and Friday,  
October 14th-15th-16th.**

It has cost the Association \$1,000 to hold all the splendid attractions now on the Grounds until next week, but they will all be there, cattle, amusements, racing horses and all.

Ask anyone who saw the Great Fair on Tuesday and you will learn how much you will miss if you don't attend next week.

See what the county papers say of it and bear in mind that every feature will be saved for next week's show.

**Let Us Have a Record Breaking Crowd.**

Special return train over the Lewisburg branch on Thursday and Friday evenings.

Special rates and trains on the Bellefonte Central.
