

Three Gateways to the West.

Since the Southwest Limited, the new electric lighted train of the Chicago, Milwaukee & St. Paul railway, has been placed in service, Chicago to Kansas City, this company offers the best of train service to the West through three important gateways—Kansas City, Omaha and St. Paul.

The Pioneer Limited, Chicago to St. Paul and Minneapolis, for years has been the most popular train between these cities. The Overland Limited, Chicago to Omaha and San Francisco, is the most famous of transcontinental trains through Omaha.

The Southwest Limited, Chicago to Kansas City, with its standard and compartment sleepers, library-observation cars and other excellent equipment, offers travelers to the Southwest better service than they have heretofore enjoyed, and in consequence has proved a success from its initial trip.

New Route to the Southwest Via the Chicago, Milwaukee & St. Paul Railway.

The Southwest Limited, Chicago to Kansas City, runs via the new Short Line of the Chicago, Milwaukee & St. Paul railway, and offers a new route to the Southwest, and excellence in service and equipment not obtainable elsewhere. One of the reasons for this is the fact that the Chicago, Milwaukee & St. Paul railway owns and operates all of the sleeping, dining, library and other cars on three trains. This is the time to go to the Southwest, and this is the way. Descriptive folder free.

Books, Magazines, Etc.

For the thoughtful provider of Christmas gifts a remembrance whose value and interest do not pass with the day is by far the most satisfactory to give and receive. A year's subscription to such a magazine as the Century, with its wealth of art and literature, costs no more than bonbons or flowers, gone in a few hours, gives days of profitable pleasure, and keeps warm and bright throughout twelve months the cheer of a sympathetic friend's gracious thought. Attractive little certificates of subscription are provided to carry with the giver's card the Christmas message.

Office Calendars.

A very serviceable calendar has been issued by the Chicago & Northwestern railway, for the year 1904. The figures are large and easily distinguished, the days of the month and the consecutive day of the year are both shown; and the publication is of that solid and creditable sort which makes it desirable for business men and manufacturers. Send four cents in postage to W. B. Kriakern, passenger traffic manager, Chicago.

CONFIDENCE.

- Business is based on confidence; your business; ours; everybody's.
There never was a time in the clothing business when confidence was more important to you than now.
You've simply got to pin your faith to somebody, and go ahead—or be left.
We want to say just one thing. You can be sure you're right with MONTGOMERY & CO.'S HAND-TAILORED CLOTHING. You can put entire confidence in it, and know you're safe.
That's all; a half century's experience has taught us how to make "the best clothes" for the least money. But we don't offer the low price as the chief argument.
When the STERLING VALUE of MONTGOMERY'S Clothes is fully known, there won't be enough to go around.

Very truly yours, MONTGOMERY & CO. BELLEFONTE, PA.

CANDY CANDY CANDY

Others have had their say. Now we will have ours, for he who talks last talks best.

Our Big Line of Candies and Christmas Tree Ornaments is now ready.

WHY OUR CANDY IS FRESH.

We are a little late, we know, but the reason for that is we make almost all of our own Candies and always wait until the last hour so we can guarantee them to be fresh. Others buy of wholesale houses who must make up their goods months ahead to fill their orders so you can readily see the advantage of being able to buy direct from the man who makes the candy.

OUR LARGE LINE.

Our line is large and complete. The Christmas Tree Ornaments contain many New and Interesting Designs. We import all of our goods in this line so the prices are away down.

CHRISTMAS GREENS.

We also have a big line of Christmas Greens such as Holly Rings, Crow Foot, Loose Holly, Laurel by the yard or mile.

A WORD MORE ABOUT OUR CANDIES.

The line includes Hand-made Clear Toys, Ribbon Candies, Peanut Brittle, Fudges, Coconut Goods, Taffies, and a full line of hard goods, most of which are 10 cts a pound and we must say again that they are Fresh.

Our line of Fancy Box Goods is also very large, from such famous makers as Huylers, Lowneys and Staus in boxes of from 1 to 5 lbs.

We also have a very beautiful line of fancy boxes that we fill with our own and other good makes. These do not cost as much as the ready filled boxes.

Our goods have stood the test for years and are still up to the mark.
