YEAGER & DAVIS, The Shoe Money Savers,

47-47 BELLEFONTE, PA.

Pine Grove Mention.

The snow on Tuesday improved the sleighing, but banked up the roads.

Homan Bricker, who has been in bed for two weeks with knee dropsy, is able to be out again.

George Bell and little son are down from Spruce Creek spending a few days among old friends here.

Cyrus Johnson has secured a fat job in Altoona and will move his family to that place in the spring.

Mrs. Cyrus Goss is making her annual winter visit with her daughter, Mrs. J. W. Kepler, and her mother, who has been quite sick.

Jessie, daughter of Mr. and Mrs. Wm Hoover, is home from Philadelphia, spending a few weeks at the family home in Shingletown.

The venerable Charles Snyder, Ferguson township's oldest man, has been quite ill for some days with stomach trouble, but is on the mend now.

The Odd Fellows festival is in town and running in full blast. The excellent sleighing brings out big crowds nightly. You don't want to miss it, especially the masquerade ball.

Mr. and Mrs. D. G. Meek drove up from State College yesterday morning to spend the day at their old home at Fairbrook. They were so bundled up to resist the below zero weather that the inhabitants along the road thought them Esquimaux.

On Tuesday O. B. Krebs fitted to his new home in Blair county, near Hollidaysburg, where he will be engaged in general farming and dairying for the Altoona market. Mr. Krebs and his family will be greatly missed in the church and county, where they spent their entire lives.

Harry Yarnell has decided to give up farming on account of his poor health and move to town. He will sell his comfortable place near Bloomsdorf which consists of an attractive two-story frame house, a complete set of outbuildings, a good young orchard and all the necessities of a country home. Possession will be given on the 1st of April and the property will be sold on easy terms.

Henry McCracken and A. W. Oliver attended the funeral of the venerable Andrew Campbell at Belleville on the 22nd. Mr. Campbell was a frequent visitor in Spruce Creek valley and he will be greatly missed in the community in which he spent his entire life of 80 years. His family were among the early settlers of the Kishacoquillas valley and the name has always stood for integrity and sturdy reliability. Burial was made in the new cemetery at 11 o'clock. His death occurred on the 20th.

The Democrats held their caucus on the same afternoon and at the same place. The ticket they placed in nomination is as follows: Dr. R. M. Krebs, judge of election; Clyde Detro, inspector of election, and Wm. H. Hoy assessor for the east precinct. For the west precinct Ira Harpster, judge of election; Blair Gates, inspector of election and Wm. H. Jones, assessor. The township officers are Jacob Keller, justice of the peace; C. B. McCormick, assessor; J. C. Corl and J. C. Sunday, school directors; N. E. Hess and E. S. Tressler, supervisors; G. F. Miller, overseers of the poor; Samuel Harpster, auditor, and A. J. Tate, township clerk.

The Republicans held their caucus at Centre schoolhouse on Saturday afternoon and there was scarcely a corporals guard present. Daniel Reed was chosen chairman and Harry McCracken and R. H. Goheen secretaries. J. G. Heberling was nominated for election judge; James J. Reed for inspector; H. W. Musser for registration assessor for the east precinct and for the west precinct John McElwaine for judge of election; Wm. P. Gates inspector, and R. H. Goheen registration assessor. L. D. Musser and George E. Reed were nominated for supervisors; W. H. Goss and G. W. Ellenberger, school directors; J. W. Sunday, auditor; W. E. Heberling, township clerk and David Reed, justice of the peace.

THE WABASH AGAIN.—Since the doings of the corps of engineers was last reported a new line has been run from Gatesburg and the Junction through the Barrens over lands of Homes and Beaver, J. H. Neidigh, Wm. H. Goss, Daniel Dribble, Tate and Archey, J. H. Mitchell, D. W. and G. F. Miller to the old James Krape or Ross farm, where it crosses the public road through the Barr farm, then east along Tussey mountain south of Shingletown and Boalsburg, keeping close by the buildings of Samuel Bailey and John Fortney. At this writing they are down in the loop, apparently, placing their compasses in the direction of Potter's Mills. This last line leaves our town over 1/2 mile to the southward. The first survey was run almost on the same line, but where it crossed the public road at the G. W. Keichline residence, at the eastern end of town, it was much too high, so the engineers took the back trail to a point 1/2 mile north of town. There they got their bearings on the new line as above stated.

A Practical Demonstration. "See this valve," said the officer. "You will always have to open that before turning the faucets for the shower. Should you fail to open it you will get no water."

"Aye, aye, sir," said the sailor, standing at attention, with a solemn look. The officer, fearing that his explanation might not be understood, stepped under the shower and turned on both faucets.

Some one had opened the lower valve, and when the young officer opened the faucets the water came down through the shower in a deluge, soaking his uniform.

Still standing at attention and with the most respectful look of interest in the proceedings of his superior officer, the sailor watched the practical demonstration of the working of the faucets, never allowing a smile to cross his face.

"I think I understand the workings of it now, sir," he said.—Chicago Record-Herald

Killed By Dog Licking a Hand. Woman Did Not Know Her Pet Was Mad, and Virus Took Hold.

A pet dog owned by W. T. Conner, of York, several weeks ago had rabies, and before the family knew it the dog was permitted to lick Mrs. Conner's hand. She had a slight scratch on her hand, and thus the deadly virus was communicated to her system. Saturday the woman died in awful suffering.

How to Get a Good Government Map Cheap.

Attention is called to the fact that a map of the United States, prepared under the direction of the Commissioner of the General Land Office, has been issued for sale by the Department. In addition to usual map features on this are shown the several acquisitions of territory upon this continent by the Government of the United States, by clearly defined boundaries, as determined by the latest investigations, all military, naval, Indian, forest, and timber reservations, private land claims, and the location of all United States Land offices and offices of the United States Surveyors-General. Along its lower border are small maps of Cuba, Porto Rico, Pine Island, and Hawaiian group, Guam, the Philippines, and the Tutuila Group of the Samoan Islands. This map is about 5 by 7 feet in size, mounted on muslin and attached to rollers ready for immediate use, and is sold for 80 cents per copy.

The Department also publishes separate maps of the several States and Territories in which public lands of the United States are located.

The law permits the sale of only one copy to an individual, but to schools and other institutions as many can be furnished as may be desired for separate buildings or departments.

Maps sold by the Department are sent by registered mail postage free to purchasers.

All remittances in payment for maps should be by draft or postal money order made payable to the order of the Financial Clerk, Department of the Interior.

New Style Hat Saves Woman's Life.

Heavy Roll of Velvet Prevents Fracture of Skull by a Fall.

SHARON, Pa., Jan. 26.—A new style hat saved the life of Mrs. Buhl yesterday. She is the wife of Frank H. Buhl, multi-millionaire and former president of the Sharon Steel company.

Mrs. Buhl was walking along Oakland avenue, when she slipped and fell, striking her head on the stone pavement. The force of the blow rendered her unconscious. Physicians revived her with much difficulty. Her escape from fatal injury was undoubtedly due to a new hat which she wore. Underneath the back part of the hat was a heavy roll of velvet, which served as a cushion when her head struck the pavement.

The physicians say that had the velvet not been on the hat the blow would surely have caused death.

The mother of Captain Richard P. Hobson died at the home of Shirley Davis, at Boulder, Col., Monday after a long illness. Her son was with her when she died and accompanied the remains to Greensboro, Ala., where they were interred. Mrs. Hobson went to Boulder last summer for her health. She was 70 years old.
