Treasury Surplus Disappearing.

WASHINGTON, D. C., May 6.—The treasury surplus which was \$54,000,000 at the beginning of this fiscal year, disappear today, and from now until the end of the fiscal year a deficit will be growing in its place.

A year ago last December the Secretary of the Treasury calculated that there would be a surplus of about \$14,000,000 by the end of next month. When making that estimate, however, he had no knowledge that Congress would make a loan of about \$5,000,000 to the St. Louis exposition.

"So there was a melodrama in town last week," said the hat drummer. "Was it realistic?" "Gosh, yes," replied the Kansas postmaster.

A STARTLING TEST.—To save a life, Dr. T. G. Merritt, of Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them."
