Boy Invents Wireless Phone. San Francisco, Sept. 5.—Francis J. McCarty, a 17-year-old San Francisco boy, seems to have demonstrated the application of wireless telegraphy to the telephone. At Ocean Beach on home-made instruments he was able to carry the words of a song for one mile so they were heard distinctly at the other end of his circuit. For several months the boy has been working on his invention, on which he hopes to get a patent. His apparatus is a secret.

Forger Caught After Long Chase. Chicago, Sept. 5.—A search which had lasted for over a year and which had extended through Europe, Mexico and the United States, culminated in this city in the arrest of D. R. Willson, formerly a prominent politician at Shenandoah, Ia. Willson is charged with forgeries amounting to \$40,000, of which amount the First National Bank of Shenandoah, Iowa, is the principal loser. Willson made a desperate resistance when arrested. He denied his identity, saying that his name was Johnson.

with rules laid down by the executive committee.

Representatives McGowan, of New York, and Murray, of Massachusetts, presented a minority report regarding such amendments to the laws as would repeal the rates and options adopted in May last and re-enact the previous laws governing the widows and orphans benefit fund. They moved to substitute this resolution for so much of the report of the committee as related to the new rates and options, and on a roll call the motion to substitute was defeated by a vote of 63 to 38.

The opposing delegates declined to state any opinion as to the likelihood of the matter being carried into the courts. The impression exists that the feeling that this should be done has been modified by the addresses that have been made, several of the leading protestants against the new rates advocating that this be not done, no matter what the result of this session. Although protesting delegates refused to be quoted until they have reported to their committees, it is thought they are less strongly opposed to the new rates than on coming here, although the feeling that they should not have been put forth without any notice to members still exists.

**DASHED TO DEATH IN THEATRE**

Fatal Accident in Life Saving Scene In "Fighting the Flames." Pittsburgh, Pa., Sept. 5.—During the performance of "Fighting the Flames" at the Pittsburgh Exposition, Miss Jeannette Lawrence, 25 years old, a vaudeville performer, was dashed to her death from a window 30 feet above the stage. The accident was witnessed by about 200 spectators crowded in the little theatre, but no panic ensued.

The scene in which Miss Lawrence met her death is where Pompiers men, all of whom are former members of that section of the New York fire department, are rescuing the inmates of a supposedly burning building. The women are taken from the windows and carried to the ground. Miss Lawrence is said to have jolted John Hearan, the Pompiers man effecting the rescue, causing her to slip from between his feet, which were wrapped about her body while he was clinging to the life rope. Hearan was saved from death only by the prompt action of other Pompiers men.

Arrested For Embezzlement. New York, Sept. 5.—Acting upon a request from the Pittsburgh police, A. G. Marshall was arrested here on a charge of embezzlement. One of the accusations is the peculation of premiums on \$2,000,000 worth of fire insurance.

**TAFT PARTY IN CHINA**

Arrived at Hong Kong and Paid a Visit to Canton.

Hong Kong, Sept. 4.—The transport Logan, with Secretary of War Taft and party on board, arrived here yesterday morning. All members of the party are well. Owing to the unpleasant demonstrations against America and the display posters in Canton, there were lengthy arguments on the Logan as to whether the party should go to Canton as planned. Consul General Bragg advised that the visit be not made. Secretary Taft, however, decided to go. He arrived at Canton this morning. Only men will be guests at the banquet which will be given by the viceroy, who will be absent. Interesting developments are likely to result as an outcome of Secretary Taft's visit.

Miss Alice Roosevelt, having obtained the consent of Secretary Taft, left for Canton on a visit to Consul General Lay. Miss Roosevelt was accompanied by Miss Boardman, Miss McMillan, Mrs. Newlands and Representatives Longworth and Gillette.

**FLEEING FROM VOLCANO**

Upheaval Threatens Mexican City and People Are Panic-Stricken.

Mexico City, Sept. 5.—News from the state of Michoacan, Mex., says that a great volcanic upheaval threatens the city and valley of San Luis. The people are fleeing into the interior. The entire side of a precipice on the mountain, called Cerro Dolores, about 200 feet square, suddenly moved upward, and great masses of rock, broken loose by the upheaval, fell into the valley with a thundering noise. For two months slight local earthquakes have been of daily occurrence.

People who have arrived recently from this district declare that the precipice continues perceptibly to rise and portions of the rock to crumble and fall. Of late the stones have been hot, and a volcano is believed to be in process of formation.
