Shoes.

Shoes.

FREE SHOES FREE

A chance to get your winter shoes for nothing, this beyond question is the greatest chance ever offered by any shoe house in the State. It is simply this. On a certain day during the month of September every purchase made at our store, no matter how small or how large it may be will be free. What day it is nobody knows. The way it is done is very simple. Twenty-five envelopes, each containing a number that corresponds with the week days of the month of September, (Sundays omitted), were put in a hat and well shaken up Mr. John Shugert, cashier of the Centre County Bank, of Bellefonte, selected one of the envelopes and has placed the same in the vault at the bank. Mr. Shugert does not know what number the envelope contained; we don't, you don't. On the 1st day of October the envelope will be opened and every person who has purchased shoes on the day that corresponds with the number that the envelope contained will have the money spent at our store on that day returned to them. We keep a record of each sale made during the month. Now let us see how lucky you are. If you need any shoes you cannot afford to miss this chance of getting them for nothing.

GEN. PORTER OF PAUL JONES.—The October Century, which will be issued on the one hundred and twenty-sixth anniversary of the battle of the Serapis and the Bonhomme Richard, will contain the first detailed and authoritative account ever published of the recovery of the body of John Paul Jones, written by General Horace Porter, LL. D. It is to the unselfish zeal and patriotism of General Porter that the United States owes the recovery of the remains of its first naval hero. While ambassador to France, General Porter, on his own initiative and at his own expense, began a personal search for John Paul Jones' body, in June, 1899. The details of this search, its final success, the rigorous verification of identity, are all covered in General Porter's story, which is to be fully illustrated from photographs.

FOR THE HOUSEWIFE.—In housekeeping liberality is often the best economy, particularly at the beginning of Winter, when the wise expenditure of a considerable sum on the season's food supply may mean the saving of many a dollar. Some practical advice in this direction is given by Isabel Gordon Curtis in the October Delinator, which contains many features of housewifely interest. "Hallowe'en Party Novelties," illustrating delicacies for Hallowe'en refreshment and entertainment, is a seasonable item, and other culinary topics are "Serving Game Dishes," "Celery Novelties," "Home-Made and Whole-Wheat Bread," and "A Rice Roundelay." In addition, Mary Taylor-Ross has some helpful notes on "Little Things of Housekeeping."

LETTER TO PENNA MATCH CO., BELLEFONTE, PA.—Dear sir: Mr. ——— President of a cotton-mill at Union, S. C.—he don't want to see his name in print—had two offers of 500 gallons of paint: \$1.30 and \$1.25. Took the \$1.25; and got skinned. He'd have got three-quarters skinned if he'd taken the other.

The \$1.30 was full-gallon; the \$1.25 was 18 per cent. short. The full-measure paint was adulterated 40 per cent; the short-measure paint was adulterated 45 per cent, besides benzine in the oil, don't know how much.

Devoe lead-and-zinc wasn't sold in the town then.

It don't pay to monkey with paint.

Devoe costs less than any of 'em; not by the gallon, of course; but the house and year. That's how to reckon it. Go by the name.

Yours truly, F. W. DEVOE & Co., New York.
