Hours of Sleep

Our ancestors had an adage that six hours' sleep was the proper quantity for a man, seven for a woman, and eight for a fool. Whether it is that the strenuous life of the present day is akin to foolishness, or whether it is a simple phenomenon of evolution, it is certain that many of our busiest men find the last-mentioned allowance none too long for them. The quality of a man's work so deteriorates if he takes insufficient rest.—The Lancet.

"Now," began the moralizer, "take the life of your neighbor, for instance. He—" "I'd do it in a minute," interrupted the demoralizer, "if the law would tolerate it. He's learning to play the cornet."—Detroit Tribune.

LETTER TO H. E. FENLON, BELLEFONTE, PA.

Dear Sir:—Your business is, when a house burns down, to give the owner some money to build a new one. It is a good business. Queer that the world got on so long without it.

We paint the one that burnt down and the new one too. What is better, we paint the houses that don't burn down.

You insure the houses that burn; we insure the houses that don't. You have the ashes and smoke; all the houses are ours.

We paint lead-and-zinc; Devco. We sell the paint to painters; we don't paint.

Lead-and-oil is the old fashioned paint. Devco is zinc ground in with lead and linseed oil; the best paint in the world; and the cheapest, because it takes fewer gallons than mixed paints and it wears twice as long as lead-and-oil. Nobody waits poor paint; there's lots of it, though, in the world.

A. M. Griffin, Plainfield, N. J., writes: "Mr. Aaron Higgins, of Plainfield, always used 15 gallons of mixed paint for his house. Last Spring he bought 15 gallons of Devco and had 4 gallons left."

Yours truly, F. W. DEVOR & Co., New York.

Shoes.

FREE SHOES FREE

A chance to get your winter shoes for nothing, this beyond question is the greatest chance ever offered by any shoe house in the State. It is simply this. On a certain day during the month of September every purchase made at our store, no matter how small or how large it may be will be free. What day it is nobody knows. The way it is done is very simple. Twenty-five envelopes, each containing a number that corresponds with the week days of the month of September, (Sundays omitted), were put in a hat and well shaken up Mr. John Shugert, cashier of the Centre County Bank, of Bellefonte, selected one of the envelopes and has placed the same in the vault at the bank. Mr. Shugert does not know what number the envelope contained; we don't, you don't. On the 1st day of October the envelope will be opened and every person who has purchased shoes on the day that corresponds with the number that the envelope contained will have the money spent at our store on that day returned to them. We keep a record of each sale made during the month. Now let us see how lucky you are.

If you need any shoes you cannot afford to miss this chance of getting them for nothing.
