LETTER TO ROBT. COLE, BELLE FONTE, PA.—Dear Sir: Devoe is worth \$4 or \$5 a gallon, put on; how much is another pint worth?

Depends on how many gallons you've got to put on, to be equal to one of Devoe.

Mr. J. J. Hall, Sheffield, Pa., painted two houses one coat, five years ago, lead-and-oil, took 40 gallons.

Last summer bought 40 gallons Devoe for same houses; had 10 gallons left.

Mr. N. Avery, Delhi, N. Y., owns two houses exactly alike; painted one with Devoe; took 6 gallons. The other with some other; took 12 gallons.

What'd you give for those off paints? Bear in mind, you've got to pay for the painting.

Yours truly, F. W. DEVOE & Co., New York.
