THE PENNSYLVANIA

STATE COLLEGE

OFFERS EXCEPTIONAL ADVANTAGES.
TUITION IS FREE IN ALL COURSES.

MAKING EFFECT IN SEPT. 1900, the General Courses have been extensively modified, so as to furnish a much more varied range of electives, after the Freshman year, than heretofore, including History; the English, French, German, Spanish, Latin and Greek Languages and Literatures; Psychology; Ethics, Pedagogics, and Political Science. These courses are especially adapted to the wants of those who seek either the most thorough training for the Profession of Teaching, or a general College Education.

The courses in Chemistry, Civil, Electrical, Mechanical and Mining Engineering are among the very best in the United States. Graduates have no difficulty in securing and holding positions.

YOUNG WOMEN are admitted to all courses on the same terms as Young Men.

THE FALL SESSION opens September 15th, 1904.

For specimen examination papers or for catalogue giving full information respecting courses of study, expenses, etc., and showing positions held by graduates, address

JEWS FEAR FRESH MASSACRE

Implore Civilized Nations to Prevent Catastrophe in Odessa.

Odessa, Dec. 3, sent by special courier by way of Podoloczyska, Galicia, Dec. 4.—This dispatch is sent at the request of the Jewish community, which fears a fresh massacre by the local garrison.

It is asserted that a proclamation is being circulated in almost every regiment, calling on the soldiers to exterminate the Jews and to destroy the newspaper offices in revenge for groundless accusations against the troops of their participation in massacres and pillage and in the protection of rowdies.

This is exciting the population against the army.

The Jews assert that the officers deliver anti-semitic speeches in the barracks after removing the Jewish soldiers, and that Governor General Kaulbars himself has confessed that the officers are burning for revenge on the Jews, and that he is unable to guarantee the preservation of order.

In view of the fact that this city is entirely cut off from St. Petersburg and thus is altogether in the hands of the local authorities, the Jewish community implores all civilized nations and their governments to take all possible measures at St. Petersburg to prevent a catastrophe which may exceed anything that has yet occurred.

situation believe that a dictatorship, while it might restrain the rising flood temporarily, would only increase the dimensions of the cataclysm, and when the dam goes sweep the government and dynasty away to common ruin.

News which has a curious parallel in the French revolution comes from a little village on the borders of the Baltic, where the people have organized the "Republic of Novargansk." They have issued a manifesto abolishing the rule, not only of the emperor, but of the Deity, which has been read in the churches and the popular assembly halls.

Peasants Rob and Kill.

Koenigsberg, East Prussia, Dec. 5.—The Ostpreussische Zeitung prints reports received from Libau, saying that several of the nobility officials and other residents of Livonia and Courland have been attacked by peasants, killed and terribly mutilated. Baron Campenhausen was severely wounded. Bands of several hundred peasants are roving about, robbing and killing. A general insurrection of the peasants and laborers is expected.

The Finns Arming.

Stockholm, Sweden, Dec. 5.—Great quantities of arms and ammunition are being imported to Finland. Every steamer departing for Finland from Sweden carries 100 pounds of ammunition, the limit allowed under Swedish law for passenger steamers. Every available revolver has been shipped, as well as large quantities of discarded Swedish army guns.

Strike in Warsaw.

Warsaw, Dec. 4.—Seven hundred postal and telegraph officials are on strike here. About 100 of the officials refused to join in the strike.

The strikers pour vitriol into the letter boxes.

Two hundred bags of foreign mail are lying here unopened.

FIFTY MUTINEERS KILLED

Fired On Loyal Regiment, Who Answered With Deadly Volleys.

London, Dec. 4.—The Daily Mail's Kiev correspondent in a dispatch dated December 2, and forwarded by way of Podoloczyska, says:

"A company of sappers, dissatisfied with their martinet commander, mutinied and persuaded a second company to join them. They left the fortress fully armed, and by threats compelled the remainder of the sappers battalion to join them. Numbering 1000, the mutineers marched to the barracks of the 125th Kursk infantry, which, however, remained loyal. Jewish musicians marched at the head of the mutineers. Several attempts were made to induce other troops to join them, but these likewise failed.

"A body of Cossacks allowed the

rebels to pass them in the street. Finally the mutineers arrived at the barracks of the artillery division and the Azoff infantry regiment. The Azoff men answered their appeal with insults and the rebels opened fire upon them. The Azoffs answered with three volleys. A portion of the mutineers fled, but others continued firing. The Azoffs replied with deadly volleys, and finally the rebels fed headlong, throwing down their arms. Two hundred of them surrendered and were conveyed to their barracks by Cossacks.

"Fifty dead and 100 wounded mutineers were left on the ground.

"A court martial has been convened and notice issued that any further attempt at mutiny will be quelled by artillery."

Tobacco Growers Protest.

Lancaster, Pa., Dec. 5.—At a meeting of the Lancaster County Tobacco Growers' Association it was decided to send a representative to Washington to protest against the proposed reduction of tariff on Philippine tobacco, which, it was held, would be detrimental to the interests of the growers of this country. Petitions of protest will also be sent to the Pennsylvania members of congress, calling upon them to combat the passage of the Custis bill.

A COSTLY FREIGHT WRECK

25 Cars of Merchandise Burned in Collision at Annville, Pa.

Lebanon, Pa., Dec. 4.—In a rear-end collision on the Philadelphia & Reading railway at Annville, 25 cars of merchandise and fuel were destroyed and a freight engine wrecked, entailing a loss estimated at \$100,000. The wreck caught fire and traffic was not resumed until firemen and engines, sent from this city, extinguished the flames. Two men in the wrecked caboose escaped with slight injuries, while the engineer, who went with his engine down a 30-foot embankment, escaped without a scratch. Albert Shultz, of Reading, fireman of the wrecked engine, sustained a broken leg.

FAMILY OF THREE MURDERED

John Simonton, Wife and Son Killed and Robbed in Mexico.

Altoona, Pa., Dec. 5.—Information was received here by John Simonton, of this city, that his brother, Samuel T. Simonton, and wife and son had been waylaid, murdered or robbed of \$2000 at a point in Mexico, the place not being mentioned. Samuel Simonton is said to have been superintendent and paymaster of a gold mine in Mexico, said to be operated by Philadelphians, of whom Morris Eneyart is the chief. No details of the crime have been received and no confirmation of the story is obtainable here.

Three Oyster Captains Arrested.

Baltimore, Dec. 4.—The revenue cutter Windom returned from a six-days' cruise of investigation of charges of cruelty to seamen employed on the oyster boats. During the trip three captains of oyster boats were arrested on charges of cruelty and four members of crews were taken on: their vessels because they complained of ill treatment, while one man was sent ashore, being too ill to work. United States District Attorney Rose said that as a result of this cruise the government will probably send a cutter out for a similar purpose two or three times each season hereafter.

Died of Football Injuries.

Sidney, Iowa, Dec. 5.—Harry Rowe, 18 years of age, died of internal ruptures sustained in a football game three weeks ago. He did not tell of his injury until dying, saying that he did not want his death to be charged to football.
