Mrs. Rogers Put to Death.

Vermont Murderess Hanged for Murder of Husband. She Met Her Fate Bravely.

Windsor, Vt., Dec. 9. — Without a tremor and without a word Mrs. Mary Mabel Rogers marched to her death on the gallows at the state prison here and paid the penalty of murdering her husband, Marcus Rogers, at Benning-

MRS. MARY M. ROGERS.

ton on August 13, 1902. To all appearances Mrs. Rogers was the calmest person in the chamber of death. She faced her end with the same stoical indifference that had marked her demeanor ever since her arrest, more than three years ago. Governor Bell firmly refused to interfere with the sentence.

There were no sensational incidents in connection with the hanging.

Although the woman was not officially pronounced dead until 14 minutes and 30 seconds after the trap was sprung, she evidently suffered no pain. Her neck was broken at the second cervical vertebrae and she lost consciousness instantly the drop fell. A few feeble convulsive movements of her pinioned hands were the only evidence that vitality had survived the first shock.

Since the death watch was established Mrs. Rogers had eaten heartily, and she had slept soundly. Mr. and Mrs. M. H. Loukes, of the prison staff, comprised the death watch, eating and sleeping in the same room with the condemned woman. Margaret, the little child of the Loukes, was a frequent visitor in the cell, and her childish talk evidently eased many weary hours during Mrs. Rogers' last days and helped her to keep her mind off her own fate. During the last few days Mrs. Rogers spent a great deal of time in crocheting tokens for relatives and friends.

When the guards went to Mrs. Rogers' cell to escort her to the death chamber they found her receiving spiritual consolation from Father Delaney, her confessor, who the day before had administered the sacrament of Holy Communion to her. Down three flights of stairs from Mrs. Rogers' cell the procession wended its way. Holding her head high, Mrs. Rogers never faltered for an instant as her eyes rested on the scaffold. Unaided she mounted the steps, walked onto the trap and then seated herself in a chair. A moment later she arose, having declined an offer by the authorities to make a statement.

GAVE HER LIFE FOR CHILDREN

Mother and Five Little Ones Burned to Death in New York.

New York, Dec. 12.—A mother and her five children were burned to death in a five-story apartment building on lumbus avenue and 100th street, where others were injured and more tenants were thrown down, some of them cut off by a fire which broke out in the apartment house.

The dead include Mrs. John Thomas, mother; her 3-year-old twins and three other children ranging from 7 months to 9 years of age. Mrs. Thomason lost her life in an effort to save her children. Her body was found in her rooms with her little ones, their bodies badly burned, lying about her. Mother and children were cut off from escape by the latch of the door leading into the hall being caught.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people right here in Bellefonte. Mrs. Catherine Gross, of Valentine, St., says: "I cannot only recommend Doan's Kidney Pills from my experience but other members of our family have also tried them with beneficial results. I used them for backache and kidney ailments from which I had suffered for a long while. There was a dull, heavy, continuous pain through my loins accompanied with headaches and I could find no relief. I tried many remedies before I heard of Doan's Kidney Pills and then sent to the Bush Block Drug Store and got a box. I improved so rapidly that I continued taking them until my trouble left me entirely and I have had no return of it since."
