Protest Against Princess' Marriage. London, Feb. 13.—The anticipated Protestant protests against the marriage of Princess Ena, of Battenberg, to King Alfonso, of Spain, have commenced with a petition from the Imperial Protestant Association appealing to King Edward to withhold his consent. The federation, which has a large membership, declares that the proposed marriage has caused the deepest sorrow and distress to Protestants and that the princess' intended entry into the Catholic church has greatly shocked them. The king's answer to this first officially formulated disapproval is awaited with interest.

Whipping Post Bill Defeated. Washington, Feb. 13. — The house had sport with the whipping post bill for wife beaters, and then laid it on the table, effectively disposing of it by a vote of 155 to 57. The most impassioned speech for the measure was delivered by Mr. Hepburn (Iowa), who depicted the brutality of the man who would beat his wife, and declared that to be whipped was hardly adequate punishment. Mr. Adams opened the discussion with a serious speech in favor of the bill. All of the opposing speeches partook of levity, and Mr. Adams received more than one fling because he is a bachelor.

Left All to Anarchists. Greensburg, Pa., Feb. 13.-The will of John Walker, of Valley Camp, who was killed on the Buffalo & Allegheny railroad, has been found. Walker was a recluse, professing anarchistic principles, which had estranged him from his family. When his will was opened it was found that he had given his three sons \$1 each and had bequeathed the remainder of his \$10,000 estate to the Anarchist Society, of Paterson, N. J., for the purpose of disseminating its literature. Walker's sons have brought suit to contest the will.

Letter to R. B. Montgomery Belle-

Dear Sir: People ask how many square feet a gallon will cover. Depends on condition of building.

There is a great deal of lying on this point. The stock claim of lying paints is 300 square feet, two cents. It's a lie, as a space.

rule.

Devoe covers 300 to 500, our agents think. We think 300 too low and 500 too high; though doubtless, they both occur.

How much the other paints cover is equally doubtful; we guess 100 to 400.

The truth is found in another comparison. Devoe is all paint, true paint, strong paint, and full-measure; the others in general are, at the best, diluted, adulterated and short-measure. They cover according to body and measure. You can't paint with clay lime chalk and barytes water or air—no body in them. Go by Devoe.

Yours truly Yours truly F. W. Devoe & Co.

Gephart's Great Piano Sale.

OF A TRUTH

BIG PIANO SALE

M. C. GEPHART

29 S. Allegheny St., Aikens Block, Goes

Merrily On.

Never in the history of Piano selling in Bellefonte and Centre county have such values been known as we are giving, and never have there been so many fine pianos sold in so short a time as we have sold here during the past ten days, and THE END IS NOT YET.

We have had to duplicate the orders we had placed for pianos almost daily, in order to fill the demand as well as to replenish the various styles and makes as they have gone out.

You have such noted high grade makes to select from as the Knabe, Behr Bros., Schomacker, Brambach, Haines Bros., Hobart M. Cable, Briggs, Boston and all the other standard makes, and we guarantee to furnish you the piano of your choice at lower cost than you can procure it elsewhere.

DON'T BE DECEIVED BY GLOWING PRE-TENSES AND EXAGGERATED STATE-MENTS OF FICTITIOUS PRICES.

WE HAVE FULLY AND CONCLUSIVELY DEMON-STRATED to the public that worth and merit win: that pianos are not pianos; that to represent a piano truthfully and place it in its proper class IS HONORABLE AND TRUSTWORTHY; that misleading representations-rating a medium grade, or a low grade, or a stencil piano, if you please, at an exhorbitant price, and finally selling it at far more than its real worth-will not go with the people. That IT IS A WELL ESTABLISHED FACT that there is not a dealer within the State of Pennsylvania who gives the values we are giving you right now.

A piano is the most costly article which you place in your home, and you expect to buy but one in a lifetime, therefore, before you buy your piano, we ask of you to call and inspect our fine pianes and get prices, and be convinced. Seeing is believing.

We have a large number of Organs, piano case and cottage styles, such as the Estey, Farrand & Voley, etc., recently taken in exchange on piano sales, at very low prices.

Second-hand and slightly used Pianos from \$75 up. Terms to suit you.
