Now that Gen. Curtin is burgess of Bellefonte the police headquarters have been moved from the offices of W. Harrison Walker, on High street, to the office of W. H. Mosser, in the Crider building, where Gen. Curtin holds forth. Bellefonters should remember this so that they will need police aid in the future they will know what call to make.

THE OLD COUNCIL VS. THE NEW.

The 1905 borough council held its last meeting at 10 o'clock Monday morning when every member was present except Joseph Wise, of the South ward. There was very little old business to clear up and there were no verbal or written communications. Burgess Walker made his final report which showed that for the month of December, January and February fines had been imposed and collected amounting to \$23.50. James K. Barnhart, who served the past year as borough treasurer, was also present. In this connection council sanctioned a motion that the borough treasurer be empowered to renew a note for \$6,500 which fell due on March 2nd, for one month at five per cent. When it came to passing upon the bills presented for payment Dr. Kirk took exception to one for a car load of coal delivered at the old water works on the grounds that it had been ordered by the chairman of the Water committee without the sanction of council and that it cost more than the coal delivered at the Phoenix mill plant, the amount charged for hauling the coal. All the bills were approved, however, and orders drawn.

The business of the council being completed Mr. Jenkins, the outgoing president, thanked the members for their uniform courtesy to the chair and spoke of the very pleasant relations that had existed between them during the past year; expressing the hope that the same would continue during the coming year. Bonquets thus being in order Mr. Keller, on behalf of the council at large, extended thanks to Mr. Jenkins for the fair and impartial manner in which he, as president, conducted the affairs of council the past year, expressing the regret of all that he was not to be one of them again but his place filled by another. Everything being thus cleared up the old council adjourned for the last time.

At this juncture 'Squire John M. Keichline appeared and swore in the new members of council, T. H. Hamilton, of the North ward; C. C. Shuey, of the South ward, and C. Y. Wagner, of the West ward; also the following borough officers: Gen. John I. Curtin, as burgess; W. B. Rankin, treasurer; J. Kennedy Johnston, tax collector; John Love, overseer of the poor; J. Thomas Mitchell, auditor, and Leander Green, high constable. Clerk W. T. Kelly then called the new council together and announced that he would receive nominations for president. Derstine named Harry Keller and Wagner named Dr. Kirk. The supporters of the latter thought they had his election clinched when they got the assurance of the support of Mr. Shuey as that left only four Republicans but when it came to a vote of the council Mr. Hamilton voted for Keller thus electing him president. W. T. Kelly was re-elected clerk without opposition when council adjourned until Monday evening.

THE NEW COUNCIL.

The new council held its first meeting Monday evening, convening at 7:30 o'clock with Harry Keller, the new president, in the chair and every member present. President Keller at once announced his standing committees for the ensuing year, as follows:

- Street—Kirk, Hamilton, Brown.
- Water—Seibert, Hamilton, Keichline.
- Finance—Shuey, Wagner, Derstine.
- Fire and Police—Derstine, Brown, Seibert.
- Water Improvement—Hamilton, Keichline, Seibert, Shuey, Derstine.
- Sanitary—Brown, Derstine, Kirk.
- Market—Keichline, Hamilton, Wagner.
- Village Improvement—Wagner, Kirk, Shuey.

The next thing in order was the selection of the various borough officials within the power of council to appoint. For borough solicitor there were four candidates: Clement Dale, J. Thomas Mitchell, W. Harrison Walker and D. F. Fortney. For police three candidates were presented: George Jodon, William Beizer and John F. Anderson. For water superintendent two candidates: Samuel H. Rine and J. M. Cunningham. For street commissioner three candidates: Thomas Shaughnessy, J. H. Johnson, Barney Gallagher, H. B. Kerns, E. J. Brown Jr., and Samuel Showers.

When the applications had all been presented council took a recess of fifteen minutes or more for the purpose of giving the various committees time to consider the merits of the various applicants.

On reconvening and on the recommendation of the several committees Samuel E. Showers was appointed street commissioner and his salary fixed at \$1.50 per day. Jodon and Beizer were reappointed policemen. The water committee being unable to agree on a man for superintendent of the water works that appointment was held over for two weeks. It took four ballots to decide the selection of a borough solicitor, J. Thomas Mitchell finally winning out. The vote was as follows:

	1st	2nd	3rd	4th
Mitchell	3	4	4	5
Walker	2	2	2	2
Fortney	2	2	2	2
Jodon	1	1	1	

On motion of Dr. Kirk the salary of the solicitor was fixed at \$100 a year for all services, such as advice, drawing up ordinances and other legal papers, trial of cases in court, should there be any, etc. This is a reduction of \$50 per year from what was paid the former solicitor.

The only other business transacted was the approval of the bond of John Love, overseer of the poor, in the sum of three thousand dollars, with John M. Shugert and James Harris as signers. The Bellefonte Trust company went security on the bond of W. B. Rankin, borough treasurer, in the sum of twenty-five thousand dollars. It was also approved. Dr. Kirk, the new chairman of the Street committee, request-

ed that the Finance committee, at the next meeting, give him an estimate of the amount of money the Street committee will have at its disposal the ensuing year. This ended the business and council adjourned.

J. B. Rossman, of Spring Mills, has been appointed agent at Hecla station, on the Central Railroad of Pennsylvania.

Ten new members were initiated into the mysteries of the order at the last meeting of Victor Grange, of Oak Hall.

Cyrus Luse, formerly of Centre Hall but now of Tyrone, is almost totally blind as a result of a stroke of paralysis sustained about a month ago.

A new three story brick building is to be erected on South Front street, Phillipsburg, by the Drs. McGirk, to be used as a sanitarium in place of the two story frame structure now being used.

All the people of Bellefonte who were at Petriken hall last fall to bid farewell to the Spinsters, who were there in convention preparatory to leaving for the Klondyke, will probably be pleased to know that they will reach Bellefonte on their return the week following Easter.

Mr. and Mrs. Solomon Benford, of South Phillipsburg, are mourning the death of their baby boy, Stanley, which occurred on Sunday morning, the result of serious burns sustained on Saturday while playing with fire. The boy was aged 2 years, 2 months and 4 days. The funeral was held on Tuesday afternoon.

The Lock Haven Express, on Thursday last, entered upon its twenty-fifth year. When the Express was started as a daily it was a sheet of but four pages and five columns to a page. Now it comes out every day with eight pages of six columns each, all brim full of good reading matter and live, up-to-date advertisements. May it grow as much greater in the next twenty-five years as it has in the past quarter of a century.

The Bellefonte steam laundry has entirely changed their equipment of machinery and now are in shape to do all kinds of family washings in addition to their customary fine laundry work. They have just installed a mangle place, used in all flat iron work and have all the up-to-date machinery found in the most modern laundry. If you are not already a patron of theirs, give them a trial and you will not be disappointed in their work or prices.

The funeral of Mrs. Geo. Carpenter, of Flemington, who prior to her marriage was Miss Hevelly, of Howard, notices of whose death was made in last week's WATCHMAN, was held last Friday. The remains were brought to Mt. Eagle where the services were held, Rev. G. A. Johnson, of Flemington, and Rev. Burger, of Mt. Eagle, officiating. Burial was made in the cemetery at Curtin and the following six young ladies, former schoolmates of deceased, acted as pall-bearers: Misses Florence Leathers, Cora Deitz, Ella Gartloff, Pearl Gates, Dana Deitz and Tacy Leathers.

John Barnes, the milkman, has his own troubles with runaways. Several times within the past year his horse ran away and last Friday morning the animal again took French leave while John was in a house delivering milk. Starting out near the Lewistown pike the horse ran in to Bishop street, up Bishop to Allegheny, then north to the Diamond and down High street. On the bridge over Spring creek the wagon collided with a tree tearing the rim off a wheel. The horse continued to Rhoads' coal yard where the wagon was upset and very badly demolished. The horse was uninjured.

An argument took on Monday afternoon was heard in the case of Bond Delige, the colored man convicted at the January term of court of murder in the second degree for the killing of the Williams boy at Sootia last October. E. R. Chambers Esq., made the argument in favor of a new trial for Delige, claiming that since the trial he had come into possession of new evidence which would be favorable to the prisoner, one fact being that the gun which Delige carried was known to be defective and went off very easily. District Attorney Rankle argued against the granting of a new trial and denied the fact that the gun was in any way defective. The court has the case under consideration.

Man is but human and likely to err, hence little mistakes will sometimes creep into a newspaper notwithstanding the most watchful care of the editors but it is seldom that the WATCHMAN makes a correction one week then has to come out the next and apologize for doing so as we must do this week in the case of the vote in Gregg township on the cash vs. work road tax question. Two weeks ago we stated that Gregg township had voted for a cash road tax but the returns printed on the same page showed that the question was lost. Our attention being called to this fact we figured up the returns as printed very carefully and found that according to them Gregg had voted against the cash tax by a majority of eighteen. This week, however, Prothonotary A. B. Kimport gave us the vote as compiled by the three judges which shows that the cash tax question carried by twelve of a majority and on a full examination we find that our error was caused by a mistake in the proof reading of the western precinct of the township, our figures as printed being 93 for, 87 against; whereas they should have read only 51 against; a fact which places Gregg and Rush townships as the only two in line for a cash instead of a work road tax.

Y. M. C. A. MEMBERSHIP CONTEST WON BY THE ORANGE TEAM.

The membership contest in the local Young Men's Christian Association which was carried on during the month of February between two teams of thirty men each, came to a close at 9:30 o'clock last Thursday evening, March 1st, in Petriken Hall, when the losing team had the pleasure of seeing the much-talked-of and promised log to the unfeigned delight of the victorious team. In the final ending the Orange team won by having turned in \$688 as against \$586.75 turned in by the Red team. It is hardly necessary to say that the boys of the losing team were game—that is, those of them who showed up at Petriken hall that night—as they doffed their coats and hats and with two old cross-out saws went at the log, which in this case proved to be the butt end of an old telephone pole. The exercises of the evening were rendered quite pleasurable with the presence of the Junior orchestra and vocal solos by Henry Brown and John S. Hosterman, while L. C. Godfrey gave a couple piano solos.

In the final summing up it will be seen that the total amount of money turned in by the two teams aggregated \$1274.75, a very creditable sum when it is considered that it all came from membership fees and that it was the result of just one month's effort. If such indefatigable work was kept up the year around in this and other directions there would be little doubt about the permanent success of the local organization.

The association now has about three hundred and twenty members, men and boys. Some live outside of Bellefonte while many are new comers to the town hence comparative strangers to the majority. The next move on the part of the association will be to give a big supper to the entire membership. Although plans for the same have not yet been matured it is proposed to have the feast soon after Easter and for the purpose of devising ways and means to this end an executive committee of ten men, five each from the Orange and Red teams, has been appointed, as follows:

- S. A. Keefer, Darius Waite, Claude Smith, Russel Blair, Wilson Gephart, Jno. M. Bullock, Jas. R. Hughes, J. H. Robb, John S. Hosterman and E. J. Teaman.

The association is under obligations to the Dicken's club, composed of young ladies, for an excellent donation of dishes, cups and saucers. The supply is now adequate to serve a supper to seventy-five people.

LICENSE COURT.—Tuesday was license court day when Judge Orvis heard the forty-eight applicants for license in Centre county.

In several cases remonstrances were filed against the granting of a license in a particular place, but in the majority of cases the petition was merely presented without much comment. The court held all the applications over until Saturday, March 17th, when he will likely announce his decisions. A few new rules were laid down among them being the announcement that all hotels should keep their bars closed on such holidays as Memorial day, Thanksgiving day and Christmas and that in the future no spirituous liquor (whiskey) was to be sold in bottles over the bar.

EDSON FULTZ PARDONED.—The board of pardons at Harrisburg, on Tuesday, recommended a pardon for Edson Fultz, of Woodward, this county, who is serving a two years sentence in the western penitentiary for complicity in the robbery of the Eby brothers about a year or more ago. It will be remembered that Edson, his wife and brother George and Harry Kessinger were all arrested for the robbery. They all pleaded guilty at the April term of court last year except Mrs. Fultz who stood trial. George Fultz and Harry Kessinger were sent to the reformatory and Edson Fultz, who appeared to be the leader of the gang, was given a two years sentence in the penitentiary.

ANOTHER TELEPHONE LINE.—In just four days last week branch No. 7 of the Patrons Rural telephone company was organized at a meeting held at the Neff home west of Old Fort. The line will extend from Centre Hall to Linden Hall, with several loops and will have fourteen subscribers, as follows: J. Floyd Brooks, Richard Brooks, Neff Brothers, Samuel Darst, D. W. Bradford, John H. Breon, John Frazier, L. R. Lingle, D. L. Bartsge, Alvin Stump, George W. Bradford, Harry Cummings, Frank E. Weiland and Mrs. J. W. Keller. Work on the construction of the line will be begun at once.

MINISTERS APPOINTED.—At the closing session of the United Evangelical conference, at Milton on Tuesday, the following appointments were made for Centre county: Presiding elder for Centre district, S. P. Remer; Bellefonte, W. B. Cox; Milesburg, J. A. Foss; Howard, J. F. Shultz; Nittany, H. A. Snook; Sugar Valley, H. T. Searle; Rebersburg, S. A. Snyder; Centre Hall, J. R. Sechrist; Spring Mills, M. J. Snyder; Millheim, C. F. Garrett, Millmont, W. C. Bierly.

The family of the late Alois A. Kohlbecker desire, through the WATCHMAN, to express heartfelt thanks to those who so kindly befriended them in their recent bereavement.

Robbers still continue their depredations in Bellefonte with little prospect of their apprehension soon.

THE FRESHIES BANQUET.—Last Friday was the date set by the Freshman class of State College for their annual banquet which they decided to hold in Williamsport.

Determining to outwit the Sophs they arranged with the Bellefonte Central railroad company for a special train to leave the College about five o'clock. For once the Sophs were caught napping and about one hundred and fifty Freshmen got away on the special, came to this place and went down on the early train over the Central Pennsylvania. A few Freshies who missed the early train got away by driving to stations on the Lewisburg and going that way. When the Sophs learned how they had been outwitted by the lower classmen they decided to make an attempt at least to get even. About seventy-five of them came to this place on the 12.50 train going through to the Lumber city but the Freshmen kept close to their rooms in the Park hotel which was closely guarded by a cordon of police. In their attempt to defy the officers of the law several Sophs were arrested before they gave in and allowed the Freshmen to eat in peace.

Last Sunday Rev. J. A. Platte, of Allegheny, preached two trial sermons in the Presbyterian church and the congregation were so pleased with him that it would seem as if he were the unanimous choice of all of them. But then there is one man yet to hear, Rev. Gay Louis Morrill, of Mossie, Pa., who will preach on Sunday. Rev. Morrill will come here very highly recommended by such able men as Mr. Robert E. Speer, of New York, and Prof. William Benton Greene, of Princeton, and no doubt the church will be crowded to the doors with those anxious to hear him; especially as this will close the list of applicants for the vacant pastorate. A congregational meeting will be held Sunday, March 18th, for the purpose of electing a pastor.

Golden wedding anniversaries have been quite a common thing in Centre county the past year but Mr. and Mrs. George Weaver, of Centre Hall, will eclipse all golden anniversaries in April when they will celebrate the sixty-second anniversary of their marriage. Mr. Weaver is now eighty-five years old and Mrs. Weaver eighty-two and both of them are enjoying comparatively good health.

Samuel Decker has moved his family from the Kline house on Spring street to the old Brew home, which he recently purchased, and W. W. Montgomery is fixing up the old Montgomery home on Allegheny street preparatory to moving there as soon as convenient.

William Brooks' team ran away, last Friday, and completely wrecked his wagon.

Reavick, of the Lutheran church, in the presence of only the immediate families of the contracting parties.

At a meeting Saturday night the Bellefonte Chapter D. A. R., decided to put the gas in the Bellefonte hospital. The D. A. R. has had this in contemplation for sometime but as the cost will be considerable, owing to the fact that it will have to be piped a considerable distance, they never could see their way clear to undertake the work. But now there are one or two others out in that end of town who will likely put in gas and thus the cost will be considerably reduced.

Don't forget that this is the night for that renowned English novelist, Jerome K. Jerome's lecture in the auditorium at the State College.
