A MURDEROUS WEAPON.

The Explosive Harpoon, the Whale Hunter's Chief Reliance.

The explosive harpoon, which is the modern whale hunter's chief reliance, is a truly murderous weapon, six feet in length and strong in proportion, made chiefly of malleable iron and admirably designed for the slaying of the immense creatures.

When "fish" are numerous and there is a chance of killing more than one in a day a novel method is adopted with the first victim. When it is seen to be dead a hole is bored through its back into its stomach and air is pumped into it by a pipe from the steamer's engines until it is inflated like a great balloon.

A COSTA RICAN VOLCANO.

Pan Picture of Poas and its Dangerous Surroundings.

On the island of Costa Rica is the remarkable volcano of Poas. The crater has an altitude of about 8,500 feet. The traveler who makes the ascent on reaching the lip of the crater finds himself at the brink of a vast perpendicular sided pit, at the bottom of which lies a motionless pool of yellowish water.

At close range the water is grayish in color, and it is so acid that it almost burns the tongue when tasted. Any dark cloth moistened with the liquid instantly becomes red and is ultimately destroyed.

PEPPER

Twelve years ago ground black pepper was selling here at 40c. the lb.—and not the best at that. We thought we could save our customers money by buying in large quantities, direct from the men who imported and ground it—packing it in pound packages ourselves—we did so, buying Singapore Pepper, and for five years sold it to you at 15c. the lb.—then it advanced to 20c. For the past three years we have sold it for 22c., it is sifted free from stems and dirt before grinding and is just what we represent it.

PURE SINGAPORE PEPPER

The price is still 22c. the pound—we invite your trade for pure spices.
