Dowie Dethroned: Property Seized.

Chicago, April 3.-John Alexander Dowie, head of the "Christian Catholic Church in Zion," has been deposed as membership in the church he founded, shorn of his temporal possessions as shorn of his temporal possessions as far as they are located in Zion City, the home of his childhood, and warned to be supplied by them and by him. to accept the situation quietly lest Saved \$70 by using Devoe.

One of those painters ought to have got worse things befall him.

The active revolt against the leadership of Dowie was foreshadowed Sunday, when Overseer Voliva, who had been placed by Dowie in charge of the church, while he sought health in Jamaica and Mexico, announced that he would no longer accept orders from Dowie, who had, he declared, grossly mismanaged the affairs of the church. The members of the church, including the wife and son of Dowie, agreed to

stand with him.

The first move looking to his overthrow was made Monday by Overseer Voliva, who holds a power of attorney from Dowie. In company with several other officers of the church, Voliva hastened to Waukegan, the county seat of Lake county, in which Zion City it situated, and filed for record a warranty deed transferring to Alexander Granger all the real estate held by Dowie in Zion City. He also executed a bill of sale to Deacon Granger putting him in possession of all of the personal property of Dowie, including his horses and carriages, books and even his bed. Later in the day Granger conveyed these to Voliva and at nightfall the overseer appointed by Dowie had not only succeeded him as the head of the church, but was the holder of all of his property as well. The following message was then sent to Dowie, informing him of the change in the situation:

"Dowie, Ocotlan, Jalisco, Mexico-Telegram received here and Chicago. Practically all, including Cincinnati representatives, indorse Voliva's administration, Speicher's reinstatement and Granger's retention, emphatically protesting against your extravagance, hypocrisy, misrepresentations, exaggerations, tyranny and injustice. You are hereby suspended from office and membership for polygamous teaching and other grave charges. See letter. Quietly retire. Further interference will precipitate exposure, rebellion, legal proceedings. Your statement of stupendously magnificent financial outlook is extremely foolish in view of thousands suffering through your mismanagement. Zion and creditors will be protected at all costs."

Regarding the polygamous teachings mentioned in the massage to Dowie. Overseer Voliva declared that he would issue a statement regarding them later, when Dowie had been given an opportunity for reply. He said, however ,that the teachings had not been public, but were of a private charac-

If the deposed leader becomes obstreporous, it is said that his son, Gladstone Dowie, is prepared to make startling revelations.
