

Four Killed in Strike Riot.

Johnstown, Pa., April 17.—A riot occurred at Windber between striking miners and others, and in the resulting shooting by deputies Pictu Martini, Paul Zills, Antonio Mazuca and Charles Foster, 12 years old, were killed. Mining Engineer Eugene Delaney was dangerously injured and several others were wounded. Foster was shot through the bowels and died in the hospital.

An eye-witness of the riot, in describing the affair, said the trouble started when Deputy Sheriff W. W. McMullen went to the mass meeting held by the striking miners in a wood at the edge of the town. Many of the miners had been drinking, and the sight of the deputy made them furious. The officer was quickly surrounded by maddened miners, who threatened to kill him. McMullen, realizing that his situation was desperate, fled for his life, finding refuge in the house of Councilman Charles Davis. Practically every man who had gone to the mass meeting joined in the chase after the fleeing deputy, and soon after the latter had entered the Davis house it was surrounded by a mob of 2000 shouting, cursing miners, who challenged McMullen to come out. When McMullen failed to appear, the mob attacked the house and literally wrecked it. The deputy sheriff was roughly handled, but again managed to escape. The members of the Davis family fled to the homes of neighbors for shelter. Other deputies, who had been on duty guarding the property of the coal company, had been notified of the trouble by this time, and 20 of the rioters were landed in the lock-up at Windber.

The mob, headed by Paul Zills, then planned an assault on the jail with the purpose of releasing the prisoners. A great crowd of the strikers, with Zills at their head, marched to the centre of the town and prepared to storm the jail. The deputy sheriffs fixed the bayonets to their rifles and surrounded the jail to keep it from the mob's possession, if possible. The members of the fire department were also called out to help restore order. The foreigners were urged to be orderly and to leave the town, but influenced by liquor, they refused to listen, greeting the efforts to pacify them with hoots and jeers. At a signal the mob began to close in on the jail, shouting to the deputies to throw away their guns and give up the prisoners. The officers first tried to keep the mob with bayonets, but the effort was ineffectual, and when it became certain that the little band of deputies and firemen could not stand before the howling, infuriated mob they opened fire. Those of the foreigners who were closest to the jail had already begun using knives in the attempt to disarm the deputies, and the others flourished revolvers. The deputies fired but one volley, and the foreigners broke and fled in wild disorder, leaving three of their number dead in front of the jail. The wounded who were able to walk were hurried to their homes and boarding houses, while an ambulance took the more seriously hurt to the Windber hospital.

Fears are entertained that the strikers will make another effort to free the rioters now in jail. At the mass meeting the men had decided to return to work on the operators' terms, when Deputy McMullen appeared. It is said that an intoxicated striker made an insulting remark to the deputy, and that when the latter warned the miner to keep quiet the trouble began.

Sheriff Begley has been summoned to Windber, and Governor Pennypacker has been telegraphed to, asking him to send the state constabulary. Windber is in a furore of excitement.

POLICE GO ON STRIKE

Connellsville Officers Quit When Increased Pay Is Refused.

Connellsville, Pa., April 17.—All the police of this place went on strike and the town is now without police protection. When the tramps working on public improvements heard that the force had resigned they made their escape, and although the officers saw them leave they did not attempt to prevent them from going. The strike was caused by the refusal of the town council to grant an increase of \$10 a month in salaries.

Found Cure For Locomotor Ataxia. London, April 14.—The Express says that Le Grand Norton Denslow, an American doctor residing in London, has discovered a cure for locomotor ataxia. He already, says the Express, has effected a number of wonderful recoveries. Dr. Denslow is not ready to make public the details of his discovery, but when he is ready he will take the medical profession into his confidence.

Killed Watching Base Ball Game. New York, April 16.—Robert Norton, 12 years of age, was struck on the forehead by a base ball batted into a crowd by a player. The boy died within a few minutes. He had been watching two teams playing on a vacant lot near his home in Jersey City.

Gnats Killing Live Stock. Birmingham, Ala., April 17.—A special from Jackson, Miss., says gnats are killing live stock in large numbers in the delta counties of the state. Instances are reported where horses have died within an hour after having been stung by the gnats.

Two Boys Killed By Train. Philadelphia, April 14.—Two boys, Charles A. Tryon, aged 12 years, and James Le Roy, aged 13 years, were instantly killed by an express train on the Pennsylvania railroad near the West Philadelphia station. They were riding on a freight train and jumped in front of the express. Their bodies were terribly mangled.

Spring Mills.

Nobody talks politics just now, the only thing one hears is the coal strike, and how long it will continue.

J. B. Cameron and Calvin Bogan, of New Berlin, were here last week, visiting relatives and friends in the valley.

Eggs suffered on Easter. The little folks had their eggs—like Joseph's coat—of many colors, and of course were happy.

Commercial agents have been quite numerous of late. They report business on the road from fair to middling. Spring orders very light.

C. A. Krape has greatly improved his lawn by planting eight or ten fine trees along the walk, from the postoffice to his residence. It presents a very attractive appearance.

The Spring Mills base ball team met the Centre Hall nine on Saturday last, and were defeated. The score stood 9 to 10 in favor of Centre Hall. It was the first contest of the season. The Spring Mills nine met with a cordial reception, but at the conclusion of the game, were kindly invited to walk from the grounds through the rain and mud, to the Old Fort hotel for supper. Eating supper wet to the skin, was a little "off" and sounds harsh. Where were all the umbrellas?

Letter to H. H. Harberger, Bellefonte, Pa.

Dear Sir: Lead and oil is not good paint; don't wear; the rule is, as everyone knows, repaint in three years.

Devoe lats six, in the same way—allow wide margin in all such statements. What does it mean, to last? It means the same with both.

As to covering: that's another. Here's an instance.

Mr. J. J. Hall, Sheffield, Pa., painted two houses, lead and oil; took 40 gallons.

Last summer bought 40 gallons Devoe for the same two houses; returned 10 gallons.

The paint, that covers, lasts; it's all paint, true paint, and full measure. Lead and oil is all paint but not good paint; the lead wants zinc. Better paint Devoe.

Yours truly, F. W. Devoe & Co.
