

### Spring Mills.

The wife of Rev. G. W. McInay, who recently had an operation performed, at the Lock Haven hospital, is improving quite rapidly, and will probably be able to return home next week.

Quite a number of our people are having their dwellings painted, garden fences and out buildings white washed, all the rubbish burned and everything about ready for the advent of summer.

Only a few candidates have honored us with a visit. Last week Hon. Robert M. Foster, candidate for the nomination for Senator, was here looking up old friends. Mr. Foster ranks high in this valley.

The rain of Sunday and Monday last advanced vegetation and almost everything that grows in the ground about three inches in forty-eight hours. We were greatly in need of rain. Gardens and fields were beginning to look parched and withered.

Wm. Gramley, one of our rural letter carriers, has just fitted up a very convenient apartment in his barn with four stalls and ample room to drive in the mail wagon and unhitch his horse in the dry during wet weather. The improvement did not in the least interfere with the barn floor.

Hon. Wm. Allison purchased a very elegant light running carriage at the Penn Hall carriage works last week. It is one of the highest grades. By the way, J. C. Condo, proprietor of the works, lost a very valuable horse a few days ago. The animal became entangled with the tie ropes and in falling broke one of his hind limbs. Dr. Gentzel, the veterinary surgeon, examined the fracture and pronounced it hopeless, being too high up. The horse was then shot.

The Farmers Mills base ball team had their first contest with the Penn Hall nine on Saturday last. It was quite an interesting and lively game, the score being 19 to 18 in favor of the former. One or two players of both nines did very well with the stick and got in safe drives, but of course much of the hitting was rather wild. The victory of Farmers Mills was due to their excellent pitcher, W. S. Rossman, who displayed considerable skill in handling the ball.

### Lemont.

Lemont was well represented at the horse sale on Saturday.

Mrs. A. W. Evey is visiting at the home of A. L. Whitehill this week.

Rev. and Mrs. W. K. Harnish are rejoicing over the arrival of son No. 2.

Mrs. Julia Dinges enjoyed a few days at the home of John R. Williams last week.

M. A. Williams, who was on the sick list last week, is much better at this writing.

The grass and grain is growing slowly and by all appearance the hay crop will be short.

Miss Kate Dale, who had an operation performed a week or so ago, is getting along nicely.

G. S. Keller, who was seen on the streets of our town last Friday, is feeling much better.

L. S. Bottorf and family came in from Curwensville and remained until after Decoration.

Teachers' examination was held in Boalsburg on Monday. There was a class of eight or nine.

The tax collector is busy collecting the money road tax and when he came around the people were surprised.

The citizens are putting a fine new fence along the front of the Houserville cemetery, which will be a good improvement.

Miss Elizabeth LeChime came to town to visit at the home of Thomas W. Houtz for a few days and to renew old acquaintances.

George Kline had the misfortune, Monday, to get his fingers in the stokers, at State College, and had three taken off at the middle joint.

The representatives from the lodges of the Centre Co. I. O. O. F. came home from Pittsburg last week and report a grand time while in the Smoky city.

Samuel Glenn, a young machinist from the Altoona shops, who was home for a week's sojourn among friends in these parts, returned to work Tuesday evening.

The roadmasters are busy making the roads of College township, but one day this last week they had ill luck with the machine which will keep them back some time.

Rain came on Saturday and it was not one day too soon, but it cleared off cold and Tuesday morning there was frost enough to nip the beans for some of the good house wives.

### Smullton.

Rain gladdened the hearts of many people Saturday night.

Harry E. Stover came home to see his wife and son on Sunday.

Preaching services in the M. E. church next Sunday, June 3rd.

A good bicycle for sale, reasonable. Address Box No. 6, Smullton, Pa.

Mrs. C. B. Mallory is at present visiting her husband's parents at Pitsburgh.

Miles Breen and Clarence Hackenberg are visiting Wesley J. Hackenberg and wife, at New Berlin.

The festival held by the base ball team at Rebersburg, Saturday evening, was disturbed by the rain, but the boys had the good will of the people, and moved their goods into the school house. The Coburn band furnished the music.

The most hotly contested ball game ever played in this section was the one last Saturday, the participants being the Millheim team and a team composed of Rebersburg and Smullton players. There was no scoring on either side till in the seventh inning, when C. B. Mallory made home plate. In the ninth inning Millheim brought a 1 into their columns. It was then necessary in order to call it a game to play the tenth inning. Millheim to bat first, no score. Rebersburg stepped in. Claude Smull was hit and took first base. C. B. Mallory made a decisive stroke which brought Smull home. Thus the score stood 2 to 1 in favor of Rebersburg.

Letter to Montgomery and Co., Bellefonte, Pa.

Dear Sir: Thomas J. Bannon, druggist, Westley, R. I., says:

Westerley painters expect a gallon of paint to cover 19 sets of blinds; Devoe covers 25; there is no such thing as rubbing this out.

(The usual reckoning is for a gallon to cover 16. We suspect the Westerley people don't wear their paint till it gets very shabby.)

Devoe covers more; of course, we know that; we know why too; it's all paint and full-measure.

Yours truly,

F. W. Devoe & Co.
