MCGOVERN-BRITT FIGHT

Police Arrest All Concerned With Bout

In New York. New York, May 29 .- Terry McGovern, of Brooklyn, surprised everybody by his wonderful showing against Jimmy Britt, of California, in a 10round bout before the Twentieth Century Club in Madison Square Garden, in the presense of 4000 people. Tim Hurst was the referee, but as no decision can be given under the law governing boxing in this state, the spectators had to judge for themselves as to the merits of the men.

Immediately after the fight both the principals, Manager Harry Pollock, Referee Tim Hurst and 10 others were arrested by order of Deputy Police Commissioners Waldo and Mathot, charged with participating in and conducting a prize fight. All were released

Britt was very clever and shifty and ducked away from some hard swings. McGovern stuck to his bull dog style of fighting. There was a great dealof cl inching, holding and in-fighting, but whenever they indulged in a mix-up Terry seemed to have the better of it. Britt landed several hard jabs on Mc-Govern's head and face, but McGovern did not appear to suffer much from those blows.

The Life of Pearls

Pearls die. Maybe that is one reason why they are beloved of womankind. Some distinguished pearls forming a necklace of historic interest which belonged to the collection of M. Thiers are now the property of the Louvre. At one time this necklace was said to be worth one hundred thousand dollars, but it is losing all its original value because unworn. For many years these pearls have been in no contact with warm life that would thus nourish them. They are dying from the starvation of disuse. It has been suggested to the au-thorities that it were better to sell the famons necklace rather than allow absolute dissolution, as will certainly happen if it is to remain in its glass case in the Louvre.
