MOB TRIED TO LYNCH FIEND

Canonsburg, Pa., July 31.—Coroner W. H. Sipe and Constable John J. Miller, of Canonsburg, drove into town with Elmer Dempster, a 19-year-old negro, who had been arrested for the murder of Mrs. Samuel Pearce and two children, and the shooting of a third child Sunday evening.

Dempster was taken to the Washington county jail, at Washington, Pa. While no bloodstains were found on the prisoner, suspicion first rested on him when it was learned that he was the last person seen about the house before the tragedy.

Dempster was a helper on the Pearce farm, and after the departure of Samuel Pearce with his sister, Miss Fanny Pearce, for the Canonsburg railroad station, Dempster is said to have been at the scene of the tragedy looking after the stock.

Dempster made several confessions during the day, and late last night made a clean breast of the Canonsburg tragedy, admitting that he killed Mrs. Pearce and the children.

The only things missing from the Pearce home are \$12 and a few cents and the revolver with which Mrs. Pearce and her two children were murdered.

According to the story told in his confession, young Dempster attempted an assault on the 4-year-old daughter after the departure of Mr. Pearce, but was frustrated by the mother, who went to a bureau to get a revolver to shoot him. The negro says he secured the gun first, and, after killing the mother and shooting the children, set fire to the house to hide the crime. Fighting against Dempster is running high.

Robert Pearce, 3 years old, the only survivor of the tragedy, who was shot through the body, will be brought to the Canonsburg general hospital in an effort to save his life.

Many neighbors flocked to the desolated home. Pearce, the bereaved husband and father, is still there.

While imprecations were uttered against the young negro no violence was offered to him up to the time he was taken from here on a street car.

Dempster was safely lodged in the Washington county jail. The officers had an exciting trip from Canonsburg. Two attempts were made to take the negro from them.

Shortly after leaving Canonsburg a crowd of about 20 men boarded the car, and, with shouts of "Lynch him!" "Kill him!" dragged the prisoner and officers from the car.

A fierce struggle followed, but the officers succeeded in keeping possession of the negro, and finally drove the mob off at the points of their revolvers.

When Washington was reached nearly 300 people had gathered at the courthouse, but the crowd was eluded by taking the prisoner through the basement to the jail.

Up to midnight no attempt had been made to take Elmer Dempster from jail. The excitement which prevailed upon the arrival of the officers with the prisoner subsided during the night and all danger of a demonstration is apparently over.

Dempster Clears Up Another Murder. In a supplementary confession Dempster cleared up another murder mystery, which has led to the arrest of two other negroes. These men were arrested by the Washington county officers, who upon Dempster's information went to the mines of the M. A. Hanna Coal company in Cherry Valley near Burgettstown, and took the men as they came from their work in the mines. The names of the men are Patterson and Bucher, and they are charged with the murder of John Koboda, a wealthy foreigner, who was found dead in a clump of bushes along the Washab railroad tracks in Independence township on May 1. The men were placed in the McDonald lockup, near Burgettstown, and were brought to the county jail here today. Dempster further confessed that he had served time in Allegheny, Fayette, Westmoreland and twice before in Washington counties.

Judge Landis declared the property of Zion City to be a trust estate, and named John G. Hatley, a member of the Chicago board of trade, receiver of the church's property, and ordered an election on September 18 of an overseer (trustee of the church's property) by members of the church at Zion City.
