Mrs. John P. Harris entertained a party of eighteen ladies at dinner at the Country club on Tuesday evening.

The Ladies Aid society of the M. E. church will hold a social in the lecture room this evening, to which everybody is invited.

Superintendent of public instruction Nathan C. Schaeffer has issued his proclamation naming Friday, October 19th, as Arbor day.

Grant Charles, of Boalsburg, is now filling the position of assistant clerk at the Bush house, and is proving himself a very courteous and affable attaché.

G. C. K. Sample, the evangelist, will lead the meeting in the W. C. T. U. room in Petrikin hall, Sunday afternoon at 2:30 o'clock. Everybody is invited to attend.

A slight fire on the roof of Will Garman's house, on east Linn street, Wednesday morning, brought out the fire department and caused a little excitement. Practically no damage was done.

Forrest Ocker has resigned his position in Joseph Bros. & Co's store and has gone to Millifield where he accepted a better position, and to which place he will move his family in the near future.

Rev. W. L. Dudley, of Winchester, Va., is conducting a series of evangelistic meetings at Howard, which began on Wednesday evening. The Virginia minister is a brother of Rev. H. J. Dudley, of Howard.

James K. Reish Jr., of Millifield, a student at the Bellefonte Academy, was operated on for appendicitis at the Bellefonte hospital last Saturday. His condition at this time is such as to give hopes of his early recovery.

Mr. and Mrs. Lewis Irvin have retired from the cottage keeping business in Atlantic City. Some weeks ago they sailed their cottage and went to Pittsburgh and from there to Buffalo, N. Y., where they are now located.

If you want to see a good football game tomorrow go to State College and see the State-Allegheny College game. Last Saturday's game showed that State has some good material and the making of a strong team for the season.

Look for the largest crowd you have ever seen at one time to be in attendance at the Great Centre County Fair, October 9-10-11-12. Every body seems to be going and the fair people are offering attractions that are going to please the crowds.

As cool as the nights and mornings have been this week the steam heat has a very comfortable feeling. It also has had the effect of broadening the smile on the coal dealer's face and acting contrarywise on the man who has to foot the bills.

State Sabbath school convention orders for reduced fare to the convention at Gettysburg, October 10th to 12th; also credentials for delegates can be obtained of the secretary of the county organization, Rev. W. H. Schuyler, Centre Hall, Pa.

Mrs. Hamilton Otto came to Bellefonte from Niagara Falls, Wednesday of last week, and on Thursday went to Williamsport and was admitted to the hospital where she underwent quite a serious operation on Monday. Her condition now is quite favorable for a complete recovery.

The Bellefonte Academy eleven played their first game of football for the season last Saturday in Lock Haven with the Central State Normal school team and was defeated 5 to 0. Though they were beaten the Academy boys put up a good game and gave evidence of the making of a strong team.

If you have not yet attended the evangelistic services at the Y. M. C. A. being conducted by G. C. K. Sample, the evangelist, at the new building on High street you should not fail to do so at once. Mr. Sample is a man of wide experience in this line of work and his talks are so direct and full of sound, common sense that they cannot fail to interest you. Go and hear him this evening.

At a meeting of a number of Bellefonte women on Wednesday the Ladies Guild of the Bellefonte hospital was organized with Mrs. Emil Joseph as president. It is the purpose of the Guild to work in co-operation with the Ladies Auxiliary for the benefit of the hospital and not in opposition to it as has been rumored. The membership fee is only one dollar and it is the belief that a list of five hundred members can be secured.

Friday evening of last week the Crystal Spring Lodge of Rebekahs, of this place, celebrated the fifty-fifth anniversary of Rebekahism with quite an elaborate banquet in the I. O. O. F. hall in the Crider building. Miss Erma Smith acted as toastmaster and just to prove that it was not a "hen party" they invited their fellow Odd Fellows and J. C. Meyer, J. Kennedy Johnston, Col. H. S. Taylor and John M. Keichline reciprocated the favor by making very pleasant and appropriate addresses.

KNIGHTS OF THE MACCABEES.—Wednesday evening the Bellefonte Tent, Knights of the Maccabees held their third meeting, which proved an unusually interesting one. A class of about twenty-five new members were initiated into the mysteries of the order after which a visiting team of prominent Knights gave instruction in degree work. The visitors were J. T. Momanx, a prominent theatrical man of Pittsburg, as chaplain; T. S. McGonnell, of Reading, as the King; Dr. I. W. Marsteller, of the White Haven sanitarium, as Judas, and deputy great commander Harry W. Phillips, of Philadelphia, as captain of the guard.

At the conclusion of the instructions in degree work speeches were made by the above gentlemen as well as Harry Keller, H. C. Quigley and Col. H. S. Taylor. The Bellefonte Tent now has a membership list of one hundred and forty and is the largest tent ever instituted in the State of Pennsylvania. And for this the bulk of the credit belongs to Mr. Phillips who, as an organizer, certainly has no peer. And he feels confident that before he leaves Bellefonte he will be able to run the membership list up to not less than one hundred and fifty, and perhaps ten or twenty more.

During the evening Mr. Phillips presented John Sourbeek Jr., with a handsome gold watch as a recognition of valuable services rendered and Dr. Locke for a number of the members of the Tent presented Mr. Phillips with a handsome gold signet ring.

AUTOISTS FINED.—One day last week Mrs. Richard C. Hall was injured at the grangers picnic and was brought to the Bellefonte hospital for treatment. Sunday her husband, children and two friends in Milesburg started from there in Baums carriage to come to Bellefonte to see Mrs. Hall. On the way they met George W. Strong and George A. Fill, of Tyrone, in an automobile. The horses frightened at the machine broke the carriage and ran away. Richard Hall was thrown out and had two ribs broken as well as being injured internally. Strong and Gill were arrested and on Wednesday morning were given a hearing before Justice John M. Keichline. The defendants testified that they not only slowed up but practically stopped their machine while the prosecutors swore that they did not slacken their speed. Strong and Gill were both fined \$25 and costs. The case will be carried into court and a civil case for damages will also be brought against the Tyroneans.

THAT YOUNG PEOPLE'S EXHIBIT.—From all indications the young peoples exhibit at the Centre county fair week after next will be one of the most interesting, if not one of the biggest, of any line entered. Already applications for space in the exhibition building are coming in so rapidly that the management have decided to make a separate place for the fruit exhibit by erecting a big tent near the main building. This will give more room in the building for the other exhibits, and it is now pretty certain that the young peoples exhibit will take up considerable space. Remember every boy or girl in Centre county, as well as young men and women, are urged to contribute something to this exhibit. The choice is left entirely to yourself so that it should be a comparatively easy matter to bring at least one or more articles. Make this one of the leading exhibits.

"QUEEN OF THE ARENA."—One of the greatest comedy-dramas that ever visited town, perhaps, is "Queen of the Arena" that comes to Garman's this evening, under the personal direction of Mr. Harry B. Linton, the well known theatrical manager. This company is one of the largest on the road and includes Howard's acting ponies and dogs, a full band and orchestra, and a wealth of scenery and mechanical effects. The company travels in its own private Pullman cars and gives a grand street parade every morning. "Queen of the Arena" tells a very pretty story and besides gives a full circus performance including bareback riders, clown, etc.

U. B. CHURCH APPOINTMENTS.—At the annual conference of the United Brethren church, which closed at Mt. Pleasant on Sunday, the following Centre county appointments were made in the eastern district, of which G. W. Sherrick was reappointed presiding elder: Bellefonte, W. H. Spangler; Houserville, Joseph Miller; Philipsburg, W. G. Stiverson; Fort Matilda, G. W. Shires; Runville, C. C. Bingham; Sugar Valley, to be supplied. A. Davidson has been transferred from Bellefonte to Madison; N. S. Ballej has been assigned to the Claysville charge and R. L. Erhard second church, Braddock.

ROBBERY OF ALL HIS SAVINGS.—Last Sunday while Mr. and Mrs. George Robb, of Coleville, were away from their home robbers broke into the house and stole one hundred dollars which Mrs. Robb had sewed inside a chafftick for safe keeping and also ten dollars from the cupboard. Mr. Robb is a poor man and the above amount represented the savings for weeks and was practically all the money he had. He has no suspicion who the thieves were.

Hon. S. R. Peale, of Lock Haven, but well known to many Centre countians, last Thursday celebrated the seventy-sixth anniversary of his birth and is still one of the best preserved and youngest looking men for his three score and sixteen years to be found in many days travel. And the worst luck that we can wish him is that he may round out the century mark without any perceptible physical or mental deterioration.

Autumn is now with us, the change from summer having been made last Friday when the days and nights were equal. It will be but a short time until winter will be here and big raids will be made on the poor man's coal bin.

Robert E. Keoh, who spent two weeks in the Bellefonte hospital undergoing treatment for injuries sustained in falling from the roof of T. E. Budinger's house in Snow Shoe, was discharged last Friday afternoon and went to his home in that little mountain village.

That new house of Joseph L. Montgomery's, on Allegheny street, is fast nearing completion. In fact, it is so nearly finished that the family have begun to move into it and it will not be many days until they will be cozily located in their new home, which will be among the quite pleasant ones in Bellefonte.

On Sunday the Catholic congregation of Philipsburg will dedicate their new place of worship, the church of St. Peter and Paul. Bishop Garrey, of the Altoona diocese, will have charge of the dedicatory services. The sermon will be preached by Rev. J. C. Foin, of Danville, while the pastors Rev. Komerant, and other visiting priests will assist.

Mr. and Mrs. N. H. Johnston, of Blanchard, have issued invitations to the wedding of their daughter, Miss Bertha Elizabeth, to Shuman Sylvester Williams, of Howard, which will take place on Thursday afternoon, October 11th. Mr. Williams is at present principal of the Pleasant Gap schools while Miss Johnston has been teaching in Benner township.

News was received yesterday of New Orleans being the centre of a terrific storm and probable tidal wave. The last news received was that the streets of the city were under ten feet of water. Since that all communication has been severed and there is no knowledge how great the damage is, but it is feared that there has been great loss of life and destruction of property.

If reports count for anything there will be more mares and colts at the fair next month than have ever been seen together at one time. Some of them are fine ones and the horsemen are beginning to bestir themselves. Col. John A. Woodward, of Howard, has one he is going to exhibit and the Colonel says if there is another in the county that can beat it he would like to see it.

William A. Lyon is nursing quite a sore finger just now. Last week he cut himself ever so slightly. He thought nothing of it at the time and Monday he felt a slight pain that he thought was rheumatism. On Tuesday the pain was not only worse but his entire arm seemed to be affected. He then went to a physician who promptly cut the finger open and cauterized it, as the symptoms were very much like those of blood poisoning.

Residents of Tyrone are endeavoring to have a site near that town selected for the grounds for the encampment of the Second Brigade, National Guard of Pennsylvania, next summer. The National Guard has not camped in that section since it was at Lewistown in 1896. Lieutenant Zentmyer, quartermaster of the Sheridan Troop, is active in the movement for a Tyrone site. General John A. Wiley, with some members of his staff, may visit Tyrone.

Robert Woodring, who last spring purchased the Aaron Williams property on the corner of Howard and Ridge streets, has been making some extensive improvements. He has had the house moved from the corner so that there is a nice yard in front and on the Ridge street side. He also built a new kitchen and made many repairs, while it is his intention some time in the near future to case the entire house with brick, which, when completed, will make as nice a home as there is on Howard street.

Seven year old Margaret Finnegan, daughter of Mr. and Mrs. Stephen Finnegan, was the victim of a very painful accident about 7 o'clock last Friday evening. With a number of other children she was playing around the soldier's monument in front of the court house when one of the heavy bronze plates containing the soldier's names fell out striking her in the face and knocking her down. Linn McGinley, who was nearby, picked the little girl up, carried her home and summoned a doctor. An examination disclosed the fact that two of her lower front teeth had been driven down in the jaw bone their full depth while the child's face was badly cut and bruised. Fortunately no bones were broken or no fatal injury inflicted.

Bellefonte automobilists, and for that matter machine owners all over the country, constantly complain because of the tacks, nails, broken glass, etc., which are either carelessly or maliciously thrown on streets and public roads with the result that more than one tire is thereby punctured that otherwise would not be, as automobile tires are great pickers up of anything of the kind they happen to run over. But there is at least one Bellefonter who has a jewel in his machine—or rather, had a jewel on his machine—for after returning from a few miles spin the other night he saw something glittering on his tire and picking it off found a solid gold pin valued at from twenty-five to fifty dollars. He is now looking for the owner and in the meantime he thoroughly examines his tires every time he returns home from a trip in the expectation of some of these days finding a genuine diamond sticking in the rubber.

HUNTING SEASON DRAWING NEAR.—Of course every up-to-date sportsman knows just as well as we can tell him that the hunting season will soon be at hand; in fact, that the squirrel and woodcock season will open next Monday, and naturally all are wondering just how plenty game will be this season. As to squirrel, they have been reported quite plentiful in some portions of the county, and should be quite numerous during the entire open season, as the nut crop is reported one of the best this year for some time. Woodcock were never very plentiful in Centre county but hunters who prefer such sport ought to find a good day's amusement in the low lands of Bald Eagle valley.

Of course when the pheasant, wild turkey and rabbit seasons open hunters will likely have many a good shot and come home with more than one full game bag, as all three are said to be plentiful this season. But the crowning sport of all will be when the deer season opens on November 15th. Woodsmen in the mountains report deer exceptionally plentiful and hunting parties are already reorganizing and getting their membership in line for a two week's outing. All in all Centre county nimrod have reason to feel encouraged over the outlook for a very successful season.

DIMELING NOMINATED FOR STATE SENATOR.—At the reconvened Democratic senatorial conference of this, the Thirty-fourth district, composed of the counties of Centre and Clearfield, held in Tyrone on Monday, George M. Dimeling, of Clearfield, was unanimously nominated as the party candidate for State Senator over William C. Heinle, of this place.

The contest was perhaps the most stubbornly contested and long-drawn-out of any ever held in the district. It began almost a month ago and since that five meetings of the conference were held and it was not until the one hundred and sixty-ninth ballot that the nomination was made. Twice the conference appealed to the state committee but in both instances the matter was referred back to them, the last time with the injunction that if the conference did not make a nomination by Monday evening, the committee would make it on Tuesday, inasmuch as that was the last day for filing certificates of nomination.

At Monday's meeting of the conference the situation in this district was thoroughly discussed from every possible standpoint and at five o'clock a ballot was taken which was unanimous for Dimeling and consequently he was declared the nominee.

RALLY DAY.—In the Methodist Episcopal church "Rally Day" will be observed with appropriate services next Sunday, by the Sunday school and congregation. The sermons, morning and evening, by the pastor, will be suitable to the occasion. There will be special music by the choir. The Sunday school will meet at 2:00 p. m., a half hour earlier than usual, and an interesting program is prepared for this service, consisting of music, recitations by the primary department, and an address by Mr. Geo. C. R. Sample, railroad evangelist. Prof. Dunning, of the High school faculty, will sing a solo. Rally! Rally! R-a-l-l-y!!! all members and friends of the Sunday school and congregation. Give us the inspiration of your presence on this "Red Letter Day;" join in the general enthusiasm and enjoy the occasion with us. A cordial invitation to all.

JAMES B. STEIN, Pastor, W. I. FLEMING, Supr.

The secretary, not having the addresses of half the members, will be unable to send separate card notices to each. The 22nd was recruited from the counties of Cumberland, Franklin, Fulton, Bedford, Blair, Centre, Huntingdon and Mifflin.

RARE MUSICAL TREAT IN STORE.—Bellefonters will be gratified to learn that the W. C. T. U. have arranged for the reappearance in this place of the famous Ithaca Conservatory of Music concert company, which will appear in Petrikin hall on Thursday evening, October 4th. Buy a ticket in time and go and hear them.
