EIGHT KILLED BY EXPLOSION

Two Score Others Injured By Accident in Philadelphia Subway.

Philadelphia, Oct. 6. - Eight men were killed and nearly two score of persons were injured by the explosion of illuminating gas in the Market street subway at Sixth street. High buildings were shaken by the force of the explosion, and for a block on either side of the explosion nearly every window was shattered. The street caved in, halting traffic and resulting in a suspension of business. Fire followed the explosion, but it did no damage to neighboring buildings. The loss, it is believed, will exceed \$300,000.

The dead: John Lawless, timber foreman; Frank Leans, employed by the United Gas Improvement company; Gato Benigno, of Pittsburg, laborer; John Scott, laborer; Frank Belleman, a tailor; Frank Croller, laborer; L. Capeno, laborer; John Pacz, carpenter.

The subway is in course of construction by the Millard Construction company for the Philadelphia Rapid Transit company. The exact cause of the explosion has not yet been determined. Thursday workmen in the excavation discerned the odor of gas, and the United Gas Improvement company, whose conduits run through the tunnel, was notified. Leans was sent by the company to find the leak and repair it. It was while he was making his investigation that the explosion occurred.

TO PAY NO MORE CAPITOL BILLS

Berry Seeks Explanation of Expenditures for Harrisburg Building.

Harrisburg, Pa., Oct. 9. - State Treasurer Berry said that he would ask his colleagues on the board of grounds and buildings, Governor Pennypacker and Auditor General Snyder, to explain the expenditures by the board on the new capitol. Berry claims the board expended more than \$2,000,000 on work on the capitol which should have been done under the original contract of Payne & Co. with the capitol commission for the construction of the building out of the \$4,000,000 appropriated by the legislature. He says much of the money expended by the board in furnishing and equipping the capitol was illegal, and that he will pay no more bills except he is satisfied they are fair and legal unless directed by the courts. The governor and auditor general issued a public statement recently that more than \$3,000,000 was expended by the board in furnishing and equipping the building, and that so far as they know not a dollar has been mis-spent.
