**.... In Conjunction ....**

with the announcements of The House of Kuppenheimer appearing in the leading magazines, we desire to make known to the public that our line of

**KUPPENHEIMER CLOTHES** is complete and includes all the most exclusive and select patterns for which The House of Kuppenheimer is celebrated and which are so much in demand with good dressers.

Kuppenheimer Clothes are unquestionably superior in quality of material, workmanship and style. There are very few clothing institutions anywhere in the world that have the facilities for producing the highest type of men's clothes, such as The House of Kuppenheimer has. Fewer still that adhere closely to their high standard of production.

There is that quality about Kuppenheimer Clothes, due to the expert workmanship entering into their manufacture, which stamps the wearer "a well-dressed man" from the day he puts the garment on until he is ready to lay it aside. Only the sixty-and-seventy-five-dollar-custom-tailor can equal them.

**BIG FACTORY SALE OF FINE PIANOS.**

M. C. Gephart, of Bellefonte, Secures the Agency for the Celebrated Hallet & Davis Pianos, and During the Next Ten Days will offer Them for Sale at Factory Prices.

Read the Following and Learn Our Reasons for Doing this Unheard of Thing, and Call During This Sale and See How Low We Can Sell You a High-grade Piano.

Sale Starts December 6, 1906, and is Positively for 10 Days Only. Remember the Place. Open Evenings. Terms Cash or Payments.

Never before have the people of Bellefonte and vicinity had the chance to buy a strictly high-grade piano at factory prices, but in order to get a limited number of their pianos in the musical homes the manufacturers have consented, in conjunction with M. C. Gephart, to throw off all middle profits, do away with all kinds of expensive advertising usually done by piano companies and give that amount to the purchasers, thereby making them a friend of the piano and this house, and securing the strongest kind of an advertisement of their pianos.

The Hallet & Davis pianos have been made continuously for 60 years and have always stood at the head of the list of high grade pianos, having over 114 medals and awards for first prizes at expositions, etc. Is used and endorsed for years by hundreds of colleges, schools of music, convents and conservatories. It is a piano that has universally sold at one price in all its own stores and by all dealers, so you will know that when we make this unusual offer that it means a bona-fide bargain saving to you of \$100 to \$150 in buying a piano during the next 10 days. During the sale we will offer every piano in our store at a saving of from one-third to one-half off. Used pianos from \$85 up to \$127. New pianos made to sell from \$250 to \$300 will be sold from \$127 up to \$187. Strictly the best pianos made in all fancy woods that usually sell from \$300 to \$500 will be sold from \$227 up to \$313. Square pianos and organs will be sold at your own prices and terms. Remember, this is not a stock of cheap pianos sent into Bellefonte as has been done in the past but the stock usually carried by M. C. Gephart and who is known throughout Centre, Clinton, Blair, Clearfield and Huntingdon counties as handling the world's BEST. Mr. Gephart has never been identified with the sale of cheap pianos and in the many years of his piano selling here has always borne the reputation of giving all his customers a "square deal." He will personally conduct this sale and will be assisted by the factory representatives who will be glad to tell you about these pianos generally. Each piano has the double guarantee of M. C. Gephart and the manufacturers. Do not miss this opportunity but call at once while the selection is good. We can please you and will surprise you in the great reduction in prices. Remember, those prices will not be advertised but will be made to bona-fide buyers, and as soon as this sale closes regular prices will again prevail. Call day or evening. Cash or easy payments accepted.
