Commonwealth vs Robert Hendershot and Harry Thompson, three counts, burglary, larceny and receiving stolen goods. This case was for breaking into and robbing the house of Emil Joseph on the night of September 14th. Both young men waived the finding of the grand jury and plead guilty.

An unusually interesting case was that of R. S. Brouse vs J. H. Olliger and wife. It was brought to recover on a small book account and developed quite a keen legal fight; resulting in a verdict for Brouse.

Among the civil cases tried was that of Joseph Ceader vs Lillie G. Reeder, being an appeal from the judgment of the justice of the peace, on an action brought to recover on a book account. Verdict in favor of the plaintiff for the full amount.

Robert Cole vs George Kaebich, appeal. Verdict in favor of the plaintiff for \$50.

Alva Fetters, for assault and battery, ten dollars fine, costs of prosecution and stand committed until the sentence is complied with.

Britton Mongdon, malicious mischief, five dollars fine, costs of prosecution and stand committed until the sentence is complied with.

Ralph Fisk, who plead guilty to larceny, was also sent to the Huntingdon reformatory.

In the case of George Reed and Joe Ross, who were charged with larceny and failed to appear in court, their recognizance was forfeited.

Newton Kline was sentenced to pay the costs in the Florey case and stand committed until the sentence was complied with.

This week's court only lasted until Wednesday morning, as many of the cases on the list were continued for various reasons. Those tried and disposed of were as follows:

THE BOROUGH COUNCIL.—Eight members were present at the regular meeting of borough council on Monday evening, with president Harry Keller in the chair.

On recommendation of the Fire and Police committee council decided to put the borough lock-up in better condition by equipping it with six new steel cells.

The Street committee reported quite a lot of bad pavements and boardwalks in different parts of the town and the customary notice will be given the property owners to repair same at once.

The proposition of the Bellefonte Electric company for lighting the streets of the town was accepted for a period of two years with the privilege of extending the agreement to five years if desired.

On behalf of the citizens of Willowbank street S. H. Diehl appeared before council and made complaint that the hospital authorities were constructing a sewer which was to empty into Spring creek near his residence, that it would be a menace to health and should not be permitted. Quite a discussion followed in which Mr. Shuey, who is president of the board of directors of the hospital, stated that he would call a meeting of the board to consider the matter. It was finally referred to the Street committee with power to act.

Mr. Brown made a proposition to council that an electric connection be made from the electric light house to the automatic fire alarm bell on the Udine fire company's building, so that the alarm could be sounded promptly from the telephone exchange. The cost of equipping the same would be small. The matter was referred to the Fire and Police committee for investigation and report.

The question was brought up before council of the advisability of having the grade of all the streets and pavements in the town taken by the borough engineer during the winter and the same with profiles printed in a grade book. The question was not settled but held over for further consideration.

The following bills were approved and orders drawn:

Table with 2 columns: Item and Amount. Includes Street pay roll, Bellefonte Electric Co., Police pay roll, W. H. Johnston, J. H. Lingle, etc.

Y. M. C. A. NEWS.—The Tuesday evening Bible classes are a great source of help to those who attend them. Don't fail to attend the next one. The more you put off coming the more pleasure you miss.

Three groups have been organized in the gym classes with Lingle, Irvin and Barnes as captains. The plan is to run off one athletic event each Monday night until the last of the season, the winning group to get a prize and the individual scoring the most points to receive a prize.

SHOT LOCATED BY X-RAYS.—Amnon Walker, of Rebersburg, who was shot with a load of buckshot by a fellow hunter, while out hunting in October, and whose condition has been serious ever since, was taken to Lock Haven on Tuesday and submitted to an X ray examination at the Normal school for the purpose of locating the shot.

Several years ago the young man had part of his arm torn off in a corn shredder and by the X-ray machine one of the shot was easily located in the stump of the arm. Another shot is imbedded in the man's head and one in his throat, but these could not be located. It is just possible that an effort will be made to locate and remove the shot at the Lock Haven hospital.

BIBLE LECTURES.—There will be a service at St. John's Episcopal church on the Wednesday evenings of Advent-tide at 7:30 o'clock, and the rector, Rev. Edwin G. Richardson, will deliver a course of lectures on the Literary History of the Bible as follows:

Dec. 12th.—The Story of the Vulgate and the Septuagint.

Dec. 19th.—The Hebrew Bible, the Talmud and the Mishna.

Dec. 26th.—Hebrew and Greek manuscripts of old and new testament, and the two Apocryphas.

The time occupied will be less than an hour each evening, and a cordial invitation is extended to all interested.

THE FLAMING ARROW.—On Tuesday evening, December 11th, at Garman's the romantic melodrama, "The Flaming Arrow" will be presented. This play is from the pen of Lincoln J. Carter, that past-master in the construction of melodramas and novel effects. In addition to a company which is large and artistically strong, he has secured many novelties with which to add realism to the situations of the play.

Among the features are Moon Dog, a famous warrior, Red Flash, Custer's famous Indian scout, and the man who carried Custer's last message. An interesting feature is a genuine Indian brass band, who are graduates of Carlisle, and all fine musicians.

Mr. and Mrs. Daniel Eberhart, of east High street, celebrated their golden wedding on Tuesday with a family reunion. All their children and grand-children were home and the occasion proved a most enjoyable one.

Mr. and Mrs. Eberhart received quite a number of presents, tokens of love from their children and friends.

TO JAIL FOR SIX MONTHS.—At Ebensburg on Tuesday Judge O'Conner sentenced Willis B. Wyland, of this place, to six months in the Cambria county jail.

Wyland and Philip E. Slusser, of Pitcair, were arrested on September 28th on the charge of stealing a watch from Fred Goebert Jr. Both young men were breaking on the Pittsburg division of the Pennsylvania railroad. On September 27th, while making the run east they caught Goebert stealing a ride on the train. They claimed that Goebert gave them his watch to pay for his ride on the train, while Goebert claimed that the two men took his watch then put him off the train at a way station.

The next day Goebert went to Johnstown and swore out a warrant for the arrest of Wyland and Slusser on the charge of larceny and the two were arrested on their return trip. In default of bail they were sent to jail at Ebensburg to await trial at this week's term of court. When their case was called on Tuesday both young men plead guilty and were sentenced to pay a fine of twenty-five dollars, costs of prosecution and imprisonment in the county jail for a period of six months, to date from their original incarceration, September 28th.

STATE'S VICTORIOUS SEASON.—State College closed one of the most victorious seasons ever experienced in her football history by defeating the Western University of Pennsylvania by the score of 6 to 0 in a hard fought struggle on Thanksgiving day.

During the season State played ten games, winning nine and losing but one, that with Yale by the score of 10 to 0. And in this game Yale succeeded in crossing State's goal line but once and that was the only time it was crossed the entire season. Yale's ten points were the only ones scored against State while she scored ninety-six against her opponents.

Thanksgiving evening the members of the team were the guests at a banquet and smoker given at the Fort Pitt hotel, Pittsburg, by members of the College alumni at which time Harry M. Barnes, Jr., the lightning end on the Varsity, was elected captain of the team for 1907. Barnes, having got his preliminary football training while a student at the Bellefonte Academy, has many friends here who rejoice with him in his election.

NOTICE.—At Monday night's meeting of borough council the question came up as to who should pay the expenses of the fire department when the companies were called out to fight a fire which was outside the borough limits and, on the suggestion of chief fire marshal John J. Bower, council decided to give notice that in the future, when a fire occurs outside the borough and the companies are called out, the person giving the alarm will be held responsible for the expenses incurred.

WILL OF GOTTLIEB HAAG.—Through the courtesy of R. A. Beck, executor, we are able this week to give the provisions of the last will and testament of Gottlieb Haag. After making provisions for his funeral and payment of his just debts he makes the following bequests:

To Margaret Scheitemberger, of Warrensburg, Mo., and Sarah Haag, of Williamsport, the cash in bank, share and share alike, provided it does not exceed the sum of \$100 each.

To John C. Mullinger a certain mortgage held against him, and which is a lien on his property at Pleasant Gap, with all accrued interest thereon.

To his adopted son, Harry Haag, and John C. Mullinger, all his personal property, share and share alike, excepting the bequests above made.

To Henry Mundrich the sum of \$200.

To Elizabeth Reiter, of Mehrstetten, Germany, the sum of \$200.

To his sister-in-law, Margaret Fisher, of Germany, the sum of \$300; the last three bequests to be paid as soon after his death as can conveniently be done.

All the rest and residue of his estate was bequeathed to Harry Haag, his heirs and assigns; provided, however, that he pay all deceased's legal indebtedness, funeral expenses and bequests above made.

And lastly he constitutes and appoints his friend, R. A. Beck, to be the sole executor of his last will and testament.

NOAH H. SWAYNE 2d, RESIGNS.—At a meeting of the directors of the Nittany Iron company, held in New York on Monday last, Noah H. Swayne 2nd, tendered his resignation as president of the company. Mr. Swayne's resignation is due to the fact that his other interests require so much of his time that he could not continue to give to this company the attention which he felt that it should have from its president. The board accepted Mr. Swayne's resignation and elected him chairman of the executive committee and he will continue to give to the company the benefit of his experience and knowledge of conditions here.

Mr. John Kennedy, general manager of the Punxsutawney Iron company, was elected president to succeed Mr. Swayne, his election to take effect December first. Mr. Kennedy is a practical blast furnace man of large experience and with a record of unbroken success. It is not expected that Mr. Kennedy will live in Bellefonte but that he will come over frequently from Punxsutawney and will be here much more often than Mr. Swayne has found it possible to be of late. It is not expected that there will be any further changes in the management or in the conduct of the company's affairs.

PINE HALL CHURCH RE-DEDICATED.—The newly remodeled Reformed church at Pine Hall was re-dedicated last Sunday with most impressive services. The building, which is now one of the handsomest throughout the county, was crowded to the doors by a congregation made up of people from all the surrounding neighborhood.

Rev. A. A. Black, of Boalsburg, had charge of the services. The sermon in the morning was preached by Rev. Stein, of Lock Haven, and in the evening by Rev. Grob, who was pastor on that charge fifty years ago. Fifteen hundred dollars were pledged in the morning and in the evening enough was secured to wipe out the debt of a little over seventeen hundred dollars.

The repairs to the church were quite extensive. A new tower was built, in which a bell was installed; the building was repaired on the outside and re-frescoed inside, while beautifully stained memorial windows were also put in. The church was built in 1887 and with the present remodeling represents an edifice worth about \$6,500.

Miss Margaret Rowlands, who was brought to Bellefonte Saturday from the school in Lewisburg, by her aunt Mrs. Grimm, suffering from an acute attack of appendicitis, is slowly growing better. Miss Rowlands hopes to return to Lewisburg for the Xmas examination before leaving for her home in Homestead.
