Former U. S. Senator Wounded by Alleged Mother of His Children.

BEGGED HIM TO MARRY HER

Washington, Dec. 11 .- The life of former United States Senator Arthur Brown, of Utah, who was shot by Mrs. Anna M. Bradley in his hotel apartments here Saturday afternoon, is hanging by a mere thread. Little hope for his recovery is held out by attendants at the emergency hospital, but his physician, Dr. W. P. Carr, still has some hope that his patient may survive. Senator Brown's temperature reached 104 and, according to his friends, he is steadily growing weaker.

Mrs. Bradley spent another restless day in her cell at the house of detention, and her only thought seems to be for the man whom she shot down.

According to the police, a number of tified her they are willing to furnish money for her defense. Several local restaurants telephoned the matron at the house of detention that they would gladly serve Mrs. Bradley's meals free of charge. A representative of the Salvation Army also offered assistance. Mrs. Bradley is held without bail on the charge of assault with intent to kill. She will not be given a prelim inary hearing until the extent of Mr. Brown's injuries are known.

Mrs. Bradley declares she is the mother of Brown's two children.

The shooting occurred in Senator Brown's apartment in the Raleigh hotel, where Mrs. Bradley also had registered under the name of "A. R. Brown." Two shots were fired, one entering the abdomen and lodging in the pelvic cavity.

The tragedy was the result of the old, old story of "a woman scorned." macy. It resulted in the woman's husand the case dismissed.

Three years ago the senator's wife Mrs. Bradley has persistently pursued him from place to place, beseeching of the differences will be effected. him to marry her and to acknowledge her two children.

FATALLY SHOT HER FATHER

Daughter Fired Two Bullets Into Parent's Head Defending Mother. Philadelphia, Dec. 11. - Miss Mary McAtee shot and probably fatally wounded her father, the Rev. John Quincy McAtee, at their home here. The shooting, according to police officials, followed a quarrel between Rev. McAtee and his wife, in which the minister, it is asserted, was trying to throw Mrs. McAtee down the cellar stairs. The daughter, who was in the upper portion of the house, rushed

down stairs with a small revolver in her hand, and fired three shots at her father, two of which took effect in the head. One of the bullets penetrated the brain. Mrs. McAtee and the daughter told the police that the husband and father had been drinking lately and had been quarrelsome and caused them much trouble, A short time ago, the daughter said, he had choked her and tried to throw her over a stair rail while in one of his quarrelsome moods. The mother, daughter and a colored servant who was in the house were arrested.

The McAtee family is widely known. Rev. McAtee was a member prominent western politicians have no. of the Lutheran Synod. He was formerly pastor of the Lutheran Church of the Holy Communion in this city, but is now on the retired list. He was for five years in Nova Scotia, and returned a short time ago from Palestine and the Holy Land, where he went in the interst of the church. The daughter who did the shooting is 23 years of age.

It was not possible for the students to get out by way of the halls, and all went to the windows. As the fire approached the rear of the building the students were forced to jump, and several were seriously injured in this way. The wind at the time was blowing 30 miles an hour and created a draft through the building that soon made the interior a mass of flames.

The cause of the fire will probably never be discovered. The building is an unsightly wreck. with no particle of its inner furniture remaining.
