THINGS ABOUT TOWN AND COUNTY

John Shope, an employee of the Lingle foundry, is now off duty, nursing a badly injured hand. Joe Runkle, the plumber, is again at work after a several day's indisposition caused by the rupture of a small blood vessel in his head. On April first the name of the Olivia postoffice will be changed to that of Bald Eagle to conform with the name of the railroad station. The county auditors have finished auditing the accounts of the various county officers and the same is now in the hands of the printers for publication. The condition of Mrs. John B. Linn is so serious that her friends are quite alarmed. Mrs. Frank Warfield is also quite sick at her home on Curtin street. Last Saturday Henry Beezer purchased the Tate property on Penn street from Mrs. Harriet Lane Kurtz. The consideration was seventeen hundred dollars. About eleven members of the Logan fire company enjoyed a sled ride to Hecla on Tuesday evening where they partook of a chicken and waffle supper at the Country club, returning home about midnight. During the party primaries last Saturday, from one o'clock in the afternoon until nine o'clock at night, all the hotels in the county closed their bars in accordance with the provisions of the new primary law. Rev. A. M. Schmidt announces the following services: Zion, Saturday, 2.30 p. m., preparatory service. Sunday afternoon, 2.30, Holy Communion. St. John's, Bellefonte, Sunday morning 11 o'clock; no evening service. In making the drive from Blanchard to Beech Creek last Thursday Edward B. Gregory, salesman for the National Biscuit company, had his hands and face badly frozen, because he did not think the weather nearly as cold as it was. This is going to be a spring of many public sales. Not because the farmer is quitting that occupation for one more lucrative but because the majority of them have made their "pile" and now intend retiring to private life; or at most to something that will mean less hard work. On Saturday night Harry and Morris Baum left Bellefonte about nine o'clock to drive to Lock Haven. They had no idea the weather was as cold as it was until they were well on their way but by the time they reached Lock Haven Harry's face was frozen. They returned Sunday evening. One day last week Charles B. Neff, of Potter township, had several sheep killed by dogs and the auditors allowed him seventy-two dollars in payment for the animals. That township seems to be infested with dogs that kill sheep, as D. Geis Wagner and John Wert also had sheep killed recently. The regular anniversary of the Centre county bible society will be held on Sunday, February 3rd. Commemorative services will be held in the Methodist church in the morning and in the Presbyterian church in the evening. Rev. Leighton W. Erhard, D. D., of Philadelphia, will preach in both churches. There will be a good program of music and everybody is invited to attend. If there is one set of men hard at work in Bellefonte now it is the ice men. From early in the morning until late in the evening they with a force of men are cutting and storing the congealed water. Owing to the intense cold weather of the past few days the ice is about ten inches thick and clear as a crystal. In fact it is the best quality of ice cut in this section in a number of years. On Sunday twenty-eight persons were admitted to membership in the Presbyterian church on confession of faith and four were taken in by letter as the result of the two weeks evangelistic services which closed on Saturday night. In the nine months of Rev. J. Allison Platts' pastorate over the Bellefonte church just seventy-six new members have been taken into the church, the largest number in years. A false alarm of fire about 7.30 o'clock on Monday evening created the usual excitement of a genuine fire. Some person whose identity has not yet been discovered saw the escaping steam from the steam trap pipe in Daniel Garman's house and taking it for smoke sent an alarm without making an investigation. Fortunately the mistake was discovered before the fire companies got their engines away from their houses, though they had them fired up and ready. The stork was worked over-time last week. Coming here direct from Warriorsmark to tell grandpa Emanuel Noll of the big boy he had left at the York home in that place he flew up to Dr. and Mrs. W. W. Feidt's and left a nice little girl baby, then on Thursday evening he took a boy out to oversee of the poor and Mrs. John Love and still having another boy baby left he took it up to Mr. and Mrs. Thomas Murphy, on east Lamb street, as company for their two bright little daughters.

BIG DAM AND ELECTRICAL PLANT PROJECTED FOR LOWER PENNSYLVANIA

If the project as now mapped out can be carried to a successful issue the lower part of Pennsylvania will be the seat of a big dam and immense electrical plant designed to furnish power and light to such places as Lewistown, Lewisburg, Lock Haven, Bellefonte and intermediate towns. The parties at the head of the project are Wallace Wilson, of Lewistown, president of the Juniata Electrical company; Judge Woods, of Lewistown, and his brother, lawyer Woods, of Huntingdon. The scheme is to build a dam in the Narrows at Cherry run, from mountain to mountain, and high enough to hold all the water that drains that way from Pennsylvania. That the project has passed the embryonic state is evidenced from the fact that those interested have already secured options on most all the land that it will be necessary to have, while surveys for the dam and calculations of its capacity, power, etc., have been made. The final preliminary survey was made on Monday and Tuesday of this week, and it is estimated that there is water enough there to operate an electrical plant of sufficient size to generate fifteen thousand horse power. The plant would be so located that the power could easily be conveyed to the various towns above named. Probably the one thing that will prove the most difficult to overcome will be the Pennsylvania railroad company. To permit of carrying out the above scheme it will be necessary to raise and move the bed of the Lewisburg and Tyrone railroad, but the change would not be a very big one and for that reason may be overcome. It is just possible that a very amicable arrangement with the railroad company can be made, as there is always a possibility, if not a probability, that the railroads will want electrical power themselves in the near future. Mr. Wilson was in New York last week and succeeded in interesting a number of New York capitalists in the scheme and it is very likely that a company to carry through the work will be organized in the near future. Of course it will require an immense amount of money to buy the property needed, build the dam, construct the electrical plant and convey the power to the surrounding towns, but those who are in a position to know declare that if the scheme is carried through to a successful issue power and light can be furnished at a much lower rate than it is now costing the people of the above towns and yet the company would make big money. KILLED ON THE C. R. R. OF PA.—Sherman Martin, of Salona, was killed by the night train west over the Central Railroad of Pennsylvania last Friday evening. When the train pulled out of the Salona station on the way to Bellefonte engineer Edward Whittaker noticed a man walking in the path alongside the railroad track ahead of the engine. Almost immediately thereafter he felt a jolt to his train and realizing that he had struck something stopped the train and notified the station agent, George Fletcher, who made a search and found the mangled and lifeless body of Mr. Martin lying alongside the track. For many years Mr. Martin has been subject to epileptic fits and it is thought that just as the train was passing him he was seized with one of his usual attacks and falling against the train his body was caught by the front coach and dragged fifty feet or more before the train was stopped. When found life was extinct. The coroner of Clinton county was notified at once of the accident and went to Salona but after securing all the information possible decided that an inquest was unnecessary as the man's death was simply the result of an unforeseen and unavoidable accident for which no person was responsible. Martin was thirty-two years old and unmarried. For a number of years past he made his home with his sister, Mrs. William Kessinger. The funeral was held at 1.30 o'clock Sunday afternoon. Rev. I. J. Reiser officiated and interment was made in the Cedar Hill cemetery. ANOTHER NOTABLE APPOINTMENT AT STATE COLLEGE.—Following the appointment of Dr. B. E. Fernow as professor of forestry at State College, comes an equally notable appointment. The Board of Trustees of the Pennsylvania State College, at its meeting at Harrisburg, announced the appointment of Alva Agee, member of the Board of Control of the Ohio Agricultural Experiment Station, as professor of agricultural extension in the School of Agriculture. The School of Agriculture announces that, in addition to its regular four year courses in agriculture, which begins on September 12th, that it will offer five short courses, viz: A creamery course, dairy husbandry, general agriculture, horticulture and poultry husbandry. These courses begin December 3rd and continue twelve weeks. Mr. Agee is to be the principal of these short courses and will be available to lecture without charge before farmers' clubs, granges and other organizations desirous to promote agriculture in Pennsylvania. Mr. Agee is already well and favorably known in Pennsylvania as an agricultural writer and as a farmer's institute speaker. The announcement of his appointment at State College was received with great enthusiasm by members of the various state agricultural meetings in session at Harrisburg last week. Twenty-three members of the Order of Elks met in Nagney's store on Tuesday evening and decided to go ahead with the proposition to organize a lodge in Bellefonte. Application will be made for a charter and as soon as the same can be obtained the lodge will be organized.

Don't forget the masquerade at the skating rink Thursday evening, February 7th.

Ex-sheriff D. W. Woodring on Friday of last week contributed five dollars to the Bellefonte hospital building fund. Mrs. George B. Thompson and child and Miss Caroline Hughes were discharged from the Bellefonte hospital on Saturday last. W. A. White, of Howard, was admitted to the Bellefonte hospital last Thursday for treatment for a chronic abscess on his leg. The Bellefonte Academy basket ball team went to Lock Haven Wednesday evening of last week and defeated the High school five there by the score of ten to five. Theodore D. Boal recently purchased the old Harry Miller farm in Harris township. Several weeks ago he bought the B. F. Brown farm and his possessions now extend from the base of Tussey mountain to Oak Hall. L. E. Brooks will be the tenant on the Miller farm the coming year. Frank S. Tomelson, who for a number of years was steward at the county home in Clearfield county, has become a resident of Centre county, having recently moved his family to Penn township, near Aaronburg, where he purchased a farm and hereafter will dig dollars out of the fertile acres of Pennsylvania. G. Perry Gutzel, one of the best farmers in Spring township, has decided to quit farming in the spring and has rented his farm to John Neese. He gives as his reason the fact that it is impossible to secure household help and his wife is not physically able to do the work that naturally falls to the lot of a farmer's wife. The following parties drew lucky numbers and have received sets of dishes: Jesse Cox, Bellefonte; Mrs. Dreibleib, Bellefonte; Mrs. Christie Smith, Bellefonte; Mrs. Toner Alkey, Bellefonte; Mrs. Bond Fisher, Bellefonte; Mrs. Detrick, Hubbersburg; Mrs. Jones, Buffalo Run; Mrs. W. E. Rumberger, Buffalo Run; Mrs. W. Kuhn, Unionville, and Mrs. Moore, State College, all at Yeager & Davis. The Holloway brothers, W. B. Holloway, of Lock Haven, as president; C. A. Holloway, of Akron, Ohio, as vice president, and Dr. L. M. Holloway, of Salona, as secretary and treasurer, have organized the Castanea Brick and Tile company which has just been incorporated with a capital stock of \$125,000. The plant will be located at Castanea and red building brick will be the chief product manufactured. The first call for the 'Varsity baseball candidates was made at State College last Saturday and one hundred and eighty-five men responded, the biggest number by long odds that ever answered the call for candidates for any kind of athletics at the College. Indoor practice will be carried on in the armory and in a week or two either the services of Jim Sebring, of Williamsport, or Jones, of Chicago, will be secured as coach. Elkhurst, the beautiful country home of H. A. Gripp, of Tyrone, was entirely destroyed by fire on Monday morning. The building was a pioneer landmark, having been built in 1803. It was purchased by Mr. Gripp in 1895, since which time it was greatly improved by him and was furnished very costly with many fine art and other treasures. The loss is a big one and hard to estimate. Mr. Gripp had nine thousand dollars insurance on the building and two thousand five hundred dollars on the contents. This is the first day of February and tomorrow will be groundhog day, when, according to a long-established tradition, his hogship wakes for the first time from his winter's sleep and on coming out of his hole if he sees his shadow will go back and take another little nap of six weeks, which means just that much more winter weather. So far this year we have only had two or three weeks of weather cold enough to induce any ordinary groundhog to keep panned up and it would not be at all surprising if he sees his shadow tomorrow and goes back for another six weeks. All of last week a window full of empty cigar boxes attracted considerable attention at Kneisely Bros. pool room and cigar store. And to add to the interest the proprietors offered a box of fifty five-cent cigars to the person guessing the correct number of boxes in the window, or the nearest to it. There were about seven hundred guesses on the list and when the boxes were counted Monday evening it was found that just four people had guessed correctly. Those were Robert F. Hunter, Capt. H. H. Montgomery, Dave Wireman and Victor Meyer, of Pleasant Gap, and the number was 310. The ladies of Queen Temple, K. G. E., gave a chicken and waffle supper in their lodge rooms in Eagle hall last Thursday evening, and it must be confessed that aside from the very appetizing layout the evening was an unusually pleasant one for all who attended because of the very interesting entertainment given. There was music by Smith's orchestra, recitations by Miss Helen Hull and Miss Wian, an address by Mrs. Elizabeth Hazel and short talks by Mrs. Keichline Esq., Thomas Hazel, L. H. Wian, Capt. Phil H. Garbrick, Francis E. Frey, David Bartlett, Mrs. Elizabeth Hull and Misses Lelia Ardery and Elsie Bible. About seventy-five dollars was the sum realized. MIGHTY HUNTER'S BANQUET.—The Roosevelt hunting club of Gatesburg held their annual banquet at the home of Warren S. Ward, at Baileyville, last Thursday evening, and it must be confessed that both Mr. and Mrs. Ward exceeded their customary lavish hospitality in the hearty welcome extended to all their guests. Of course that mighty Daniel Boone of Perry township, John R. Lemon, of Gatesburg, the president of the Rooseveltians, was there in all his glory and at just nine o'clock gave the order to pass lunch for Dry Ridge. This order was more fully interpreted by Mrs. Ward who led the way to the spacious dining room where the tables were laid with covers for thirty people. It was a full oyster repast and included the luscious hivalves, raw, fried, stewed and scalloped. Of course there were the usual side dishes that make an oyster layout so palatable, the whole topped off with ice cream, cake and coffee. Capt. W. H. Fry was chosen toastmaster for the evening and after "blowing up" the boys for their good hunting capabilities he called on each one in turn and quite naturally the speech of each one was woven around some thrilling hunting episode. The Pine Grove Mills orchestra furnished the music during the evening. It was voted to hold the 1908 banquet at the home of J. G. Strayer, at Gatesburg. The officers elected for the ensuing year are: President, John R. Lemon; vice president, W. H. Barr; secretary, Isaac Rider; treasurer, J. G. Strayer. The guests at the banquet included the following: Rev. R. M. Campbell, Dr. and Mrs. L. M. Houser, James McWilliams and sister Mary, Mr. and Mrs. J. G. Strayer, Mr. and Mrs. E. D. Isenberg, John Bato and wife, Ira Rider, Frank Davis, Lester Harpster, Mr. and Mrs. Daniel Irvin, E. L. Harpster, J. A. Harpster, Norman King, Bert Ward, Mr. and Mrs. W. H. Fry, W. S. Ward and family. BONDS NEARLY ALL TAKEN.—The first issue of the bonds of the new Bickford Fire Brick company have nearly all been sold and it is expected that the entire issue will be closed out within the next week or ten days. As stated heretofore the plant is to be located close to DuBois and will be one of the largest in the country. The company has leased over 1500 acres of valuable clay land in Union township, Clearfield county, and have enough clay to last them one hundred years. They also have coal on the land but at present it is their intention to buy their coal as they can have it delivered at their plant as cheap if not cheaper than they can mine it themselves. To get the clay to their plant a railroad a mile or more in length will be built. J. C. Meyer, the president of the company; J. A. Bickford, the treasurer and general manager, and H. S. Satterlee, of Lock Haven, recently returned from DuBois where they were looking over the ground and making selection of the location for the plant, and just as soon as the weather will permit work on the building of the same will begin. At present the new company has offices in Lock Haven, where S. M. Bickford, the secretary, is in charge. SKATING RINK COLLAPSED, ONE MAN KILLED.—The new skating rink which was in the process of construction on the site of the old furniture factory at Philipsburg, collapsed on Monday morning instantly killing Christopher Manges, one of the carpenters, and seriously injuring Emory Hoover, of DuBois, one of the contractors, and Ed. Farber, an employee of the Philipsburg Electric Light company. A dozen or more workmen were in the building when it fell but the rest escaped injury. The front of the building first gave way, which left down the heavy roof and bulged out the sides. Manges was sitting in a front window filing his saw and was struck on the head by one of the cross beams which held up the roof. His neck was broken and he died just as he was released from beneath the fallen timbers. He was a resident of DuBois and leaves an invalid wife and ten year old son. ANDREW KAEBIC AND HARRY WATSON DISCHARGED.—Judge Ellis E. Orvis on Tuesday handed down his decision in the habeas corpus proceedings of the Commonwealth vs. Andrew Kaebic and Harry Watson, who were arrested some time ago on the charge of having murdered the former's cousin, John Kaebic, at Clarence, on the night of September 12th, in which he stated that the Commonwealth had failed to produce sufficient evidence to hold the two men on the charge preferred and they were therefore discharged from custody. This ends the case so far as those two men are concerned, as once having been discharged they can never be re-arrested in connection with the same alleged crime, if any crime was committed, a fact which many seem to doubt. The two men were given their liberty the same afternoon and that evening left for their respective homes in Snow Shoe. MEETING FOR MEN ONLY.—NUMBER TWO.—The men's meeting in the Methodist church last Sunday was a marked success. Nearly two hundred men were present, and the interest was intense. Many requests to repeat the experiment and gladly we yield to these solicitations. The "Men's Meeting Number Two" will be held next Sunday, at the same time and place, (3.30 p. m. in the auditorium). Popular songs and simple, earnest Gospel messages to men. There will be no collection and no "slap-trap" methods will be employed. All we desire is to get an opportunity to present the plain Gospel appeal. All men, all classes of men, of all organizations, associations, brotherhoods and unions, are cordially invited. We want "500 more men" at this meeting. Will you be one? "Get Right With God." JAMES B. STEIN pastor.

GEORGE-HENRY.—A quiet home wedding took place at the residence of Mr. and Mrs. Philip Henry, in Philipsburg, last Saturday evening, when their daughter, Miss Tillie Henry, was united in marriage to C. W. S. George, formerly of Philipsburg but now of Freeport, Pa. The ceremony was performed by Rev. H. W. Bender. The young couple left on Monday for Freeport where they will make their future home.

STRUBLE-MARKLE.—A wedding at Lemont on Wednesday evening of last week was that of Calvin Bruce Struble and Miss Sarah Markle. The ceremony was a quiet one and was performed by Rev. Robert Sechrist at the home of Mr. and Mrs. J. E. Lenker. The young couple will make their home at State College where Mr. Struble is in the hatching business. WATSON-FRIEL.—William G. Watson, of Snow Shoe, and Miss Myrtle Friel, of Boggus township, were married on Thursday evening of last week at the Baptist parsonage in Tyrone, by Rev. Clarence E. Taylor. They will go to housekeeping in Snow Shoe. WILLIAMS-LYTTLE.—Thursday of last week Frank L. Williams, of Altoona, and Miss Ella Lytle, of Port Matilda, this county, journeyed to Petersburg where they were united in marriage by the Rev. S. S. Berger. They will make their future home in Altoona. News Parly Personal Mrs. J. Fall Stover is visiting her mother in Tyrone. Miss Adaline Merriman is visiting friends in Baltimore. Mrs. John S. Rumberger visited friends in Unionville this week. Deputy sheriff Fred Rees spent Sunday with friends in Munsion. Mr. and Mrs. Robert Garman, of Tyrone, spent Sunday in Bellefonte. Wesley Dale, of DuBois, made a business trip to Bellefonte last Saturday. Miss Blanche McGarvey is visiting friends in Tyrone and Philipsburg this week. Mrs. John Ardell, of New York city, is visiting her many friends in this place. Mrs. George S. Gray is visiting at the home of Mr. Calvin Patterson, at State College. Mr. Samuel Walker, of Salona, visited his son, W. Harrison Walker Esq., on Tuesday. Miss Sarah Potter left on Monday for a visit with friends in Philadelphia and Millard, Del. Daniel C. Groves, of Zion, was one of the welcome callers at the Wachman office this week. Mrs. A. O. First was an arrival home on Monday evening from a visit with friends in Milton. Miss Mary Blanchard left, Monday morning, for a visit with friends in Bryn Mawr and Philadelphia. Mrs. George Graham left Bellefonte on Tuesday for Wilmerding, where she will make her future home. Mrs. James R. Hughes and Miss Emma Green left on Monday for a visit with friends in New York city. Mr. and Mrs. Sydney Krumrine spent several days with friends in Williamsport the fore part of this week. Samuel Sheffer went over to Milroy on Wednesday to see how his sons, Lester and Herbert, are getting along. Mrs. Susan McClain, of Mechanicsburg, is a guest at the home of Mr. and Mrs. George Williams, on Lion street. Noah H. Swayne II, of Philadelphia, was in Bellefonte this week looking after the interests of the Nityany Iron company. Mr. T. C. Kennedy, of Punxsutawney, president of the Nityany Iron company, made a business trip to this place on Monday. John R. Saevig, of Altoona, but who at one time was located here, was in Bellefonte on Monday looking after his insurance business. Col. W. Fred Reynolds left on Monday on a business trip to Kansas City, Mo. Before returning home he expects to take a trip to Mexico. A. W. Oliver, of Greysville, transacted business in Bellefonte on Tuesday and spent several hours with his brother-in-law, Dr. Thomas C. Van Dyke. Miss Robie Noll went to Warriorsmark last Saturday for the express purpose of paying a visit to that young nephew of hers, Chauncey F. York Jr. Mr. and Mrs. Michael Hazel left Sunday morning, for Altoona, called there by the serious illness of Mr. Hazel's sister, Mrs. Jacob Snyder, of that place. Rev. and Mrs. W. H. Schuyler and Mr. and Mrs. George L. Goodhart, of Centre Hall, spent yesterday at the D. Wagner Geiss home on Thomas street. After a two week's visit at the home of her parents in this place Mrs. Gertrude L. Liddell, with her two interesting children, left for their home in Altoona on Monday. The bride and groom, Mr. and Mrs. W. D. Zerby, returned on Sunday evening from their honeymoon trip. They will shortly go to housekeeping on Bishop street. Harry Bartcock, who several years ago was employed at the freight station of the Pennsylvania railroad in this place but now holds a good position in Altoona, was here visiting friends over Sunday. George T. Bush, Mr. and Mrs. E. E. Davis and Miss Ida Orvis were Bell-tongers who attended the annual banquet given by the Scottish Rites Masons, in Williamsport, on Wednesday evening. Col. and Mrs. Edward L. Chambers left on Monday for Pitsburg where the former has some business to attend to after which they will go to Franklin as the guests of Gen. Charles Miller for a day or two. Rev. E. G. Richardson attended the second annual churchmen's dinner of the archdeaconry of Williamsport given at the Park hotel in the Lumber city on Tuesday evening. Among the other churchmen rom here in attendance were John M. Bullock, Bert Robb, Russell Blair and Charles Lukenbach. Hon. John T. McCormick, of State College, who is generally a pretty busy man attending to all his duties in connection with the United Telephone company, found time to drop in on us on yesterday morning and get rid of two silver dollars that were burning holes in his pockets; and of course the surest place to get rid of money is always a pinning office. Mr. and Mrs. Homer Crisman, who were visiting at the home of H. E. Garbrick, at Colville, the past week departed for their newly furnished home in the Smoky city, Thursday noon. The young bridegroom is a son of Harry Crisman, of Pitsburg, formerly of this place. The bride was formerly Miss Julia Rebmam, of Pitsburg, and the young couple were on their wedding trip.

Y. M. C. A. NOTES.—It is now almost one year since the big campaign was conducted in this place for members for the Y. M. C. A. and naturally the year's membership of a large number will soon expire. Of course it is desired to retain every man on the list who is now a member and the management earnestly solicits all to renew their membership as early a date as possible. And in order to increase the membership roll another campaign is being planned for the month of February. Remember the small sum of five dollars will entitle you to all the privileges of the association. The reading room of the association is now fairly well equipped with the daily papers and current literature, the list including eleven dailies—New York, Philadelphia, Pittsburg, Chicago and Washington papers,—twelve weeklies and eleven monthlies. In the group contest No 1 now has 1490 points; No 2, 809 points, and No. 3, 1293 points. This evening there will be a game of basket ball in the gymnasium between the Y. M. C. A. team and the Lock Haven High school five. LINCOLN DAY AT STATE COLLEGE.—As has been the custom the past few years Lincoln Day will be appropriately observed at The Pennsylvania State College, on Tuesday, February 19th. The exercises will be held in the auditorium at 10.30 o'clock in the morning. The chief address of the day will be made by Joseph S. Walton Ph. D. on "Lincoln, the American." George Weidman Groll will deliver an oration on "Lincoln's Failures." The college orchestra and glee club will furnish the music. In order to afford Bellefonters an opportunity to attend these exercises a special train will be run to the College over the Bellefonte Central railroad, leaving Bellefonte at 9.25 o'clock in the morning. A weary, heavy laden stork found rest and shelter Wednesday evening, January 23, in the home of C. F. York, Warriorsmark, Pa. And as a token of appreciation and gratitude, on it's departure, left a honcing ten pound baby. The boy immediately made himself at home by trying to eat everything in the house from black bass to bear meat. Present indications are that he is planning for a loud and lively time at Clark Lake, Mich., next summer, as he brought his midnight bathing suit along and has already made requisition for a steel fishing boat, launch, automobile and flying machine. Both Mr. and Mrs. York have the hearty congratulations of the WATCHMAN. BIBLE SOCIETY ANNIVERSARY.—The fourth anniversary of the Centre County Bible Society will be held next Sunday at the regular morning services in the M. E. church. The U. B. M. E. and A. M. E. churches are invited to unite. Similar exercises of the society in the Presbyterian church commencing at 7.30 in the evening. Rev. Leighton W. Eckard, D. D., of Philadelphia, will deliver the anniversary address in both churches. St. John's Reformed, St. John's Episcopal and Lutheran churches will unite in the evening service. R. CRITTENDEN, Secretary. JAMES HARRIS, President. Tuesday evening a crowd of Bellefonte young people went on a sled ride to Filmore and while they were enjoying themselves some of the boys of that locality set fire to the straw in their sled and it was all burned before the fire could be extinguished. FOR SALE.—A double-beater stove. Very reasonable. Inquire at this office. Sale Register.
