**WHITE.**—Mrs. Anna E. Baker White, wife of William T. White, died at her home in Des Moines, Iowa, Sunday, February 19th, after several days illness with pneumonia.

Deceased was born at Howard, this county, August 14th, 1860, and was thus 46 years, 5 months and 28 days old. When but nineteen years of age she with her parents moved to Warren county, Iowa, where she was united in marriage to William T. White. In 1890 the family moved to Des Moines where they have lived ever since.

In addition to her husband Mrs. White is survived by two boys, Earl, a student in a college at Colorado Springs; and Edwin, at home; also the following brothers and sisters: S. W. Baker, secretary of the Des Moines park commission; J. M., with the International Harvester company; J. E., a farmer near Washington, Kan.; J. S., a railway postal clerk; I. C., with the American Laundry company; E. H., a mail carrier; C. W., an implement dealer, in Pender, Neb.; H. M., chief accountant of the Selby Shoe company, at Portsmouth, Ohio; G. H., with the Jewett Typewriter company, and Mrs. C. E. Barnard, of Oskaloosa, and Mrs. S. P. Arnold, of Murray, Iowa.

The funeral was held on Tuesday, February 12th, from her late home, interment being made at Norwalk.

**SNYDER.**—Mrs. Teresa Snyder, wife of Jacob Snyder, died at her home in Altoona at 2.15 o'clock Wednesday afternoon of dropsy and other complications, after an illness of two months. Before her marriage deceased was Miss Teresa Hazel. She was born in this place May 20th, 1860. For a number of years the family has lived in Altoona. In addition to her husband she is survived by seven children, as follows: Anna, Mary, Joseph, George, Catharine, John and Irene. She also leaves one brother, Michael, and three sisters, Mrs. Michael Shields and Miss Lizzie, of this place, and Mrs. Katharine Daniels, of Altoona. At this writing arrangements have not been made for the funeral further than an opportunity will be given all friends to view the remains from eight to nine o'clock this evening. Burial will likely be made in Altoona.

**COURTIER.**—Thomas Courtier, son of the venerable William F. Courtier, of Blanchard, died in Pittsburg on Wednesday of last week of heart disease, after a short illness. He was thirty-two years of age and was born in Blanchard where he lived until a few years ago. He was quite a musician and was the organizer and leader of the Eagleville band. He was married less than a year ago and leaves an almost heart-broken wife to mourn his death. He is also survived by his aged father, three brothers and one sister, namely: Frank and William, of Blanchard; Girard, of Westport, and Mrs. Lula Good, of Look Haven. The remains were taken to Blanchard on Thursday where the funeral was held Friday afternoon.

**MAPES.**—Olive, the wife of Charles Mapes, formerly of Blanchard, was found dead in bed at the home of her parents, Mr. and Mrs. Ernest Berry, in Beech Creek township, Clinton county, last Thursday morning. She had retired in apparently good health, and her death was due to heart trouble. She was only twenty-one years of age. For the past year or two Mr. and Mrs. Mapes made their home in Pittsburg and they had been back in their old home only a few days before Mrs. Mapes' death. She is survived by her husband, a three-week old baby, her parents and one sister. The funeral was held on Saturday afternoon.

**KOONEY.**—Mrs. Mary Kooney died at her home in Tylersville last Friday after an extended illness. She was a native of Centre county and was 77 years, 3 months and 8 days old. Her husband died a number of years ago but surviving her are three sons and three daughters, as follows: James Kooney, of Jersey Shore; Wallace and Naven, of Tylersville; Mrs. John Rhoads, of Millheim; Mrs. Ellis Walizer, of Greenburr, and Mrs. Frank Gingery, of Tylersville. She is survived by her husband, two sons and three daughters, two brothers and two sisters, all living in Altoona and vicinity.

**SIMCOX.**—Mrs. Mary Simcox, widow of the late Nathan Simcox, died at her home in Blanchard on Monday of last week, aged seventy-five years. The funeral was held at 10:30 o'clock Thursday morning, interment being made in the Baptist cemetery.

**MALONE.**—Mrs. Mary Malone, of Pennsylvania Furnace, died in the beginning of the week at the home of James Wilson at the Tollgate. She was ninety-two years and two months old. Burial was made in the Advent cemetery in Boggs township.

—Mr. and Mrs. C. W. Herr, of east Lamb street, are mourning the death of their two week's old baby. It had been sick ever since its birth and died yesterday morning.

—There are now nineteen patients in the Bellefonte hospital, the building being crowded to its full capacity.

—Calvin Harner has resigned his position as waiter in Blackford's restaurant with the expectation of going to Wilkesbarre to locate.

—George A. Bezer, who has decided to retire from the livery business, as announced in these columns two weeks ago, has finally fixed Thursday, March 14th, as the date for the sale of his horses, rigs, etc.

—Col. John A. Woodward has decided to retire from active agricultural pursuits and has sold his farm in Howard township to John M. Robb for \$8,000. He has purchased a home in Howard where he will move on April first.

—The revival services in the Methodist church closed last Friday night after one of the most successful series of meetings ever held here. In all there were just forty-five nights of preaching, prayer and singing, and the result was that just forty-eight people were admitted to the church on probation.

—It was not a case of "the next day it snowed" on Tuesday, but a sample of about as disagreeable a day underfoot as possible to have, with all the pavements and streets a glimmer of ice from the frozen sleet and rain which fell most of the day. More than one person got a bad fall as the result thereof.

—The Bellefonte post office fight is becoming quite animated, as the time for the appointment of a new postmaster draws nearer. Those who are considered in the race are S. H. Williams, Thomas H. Harter and Hard P. Harris, and of course each one thinks he has the plum already in his hand.

—Mr. and Mrs. G. Shannon Boal, of Centre Hall, celebrated their golden wedding anniversary on Tuesday, and a number of their friends took advantage of the occasion to give them a surprise by having a little party at their home. Mr. and Mrs. Boal are among the oldest and best known residents of Centre Hall and their friends hope for them many more years of life.

—In making up the list of the names of soldiers who served during the Spanish-American war for a place on the Centre county soldier's monument the name of Dr. R. G. H. Hayes was unintentionally omitted. That gentleman served as assistant surgeon on Col. Barchfield's staff and did good and faithful work in the fever stricken camps of Chickamauga in 1898.

—Last Friday evening the members of the Ferguson township High school celebrated the fifth anniversary of its existence by giving a banquet and entertainment in the I. O. O. F. hall at Pine Grove Mills. The gathering was quite a large one. Miss Florence Kepler made the address of welcome. Brief talks along the educational line were made by Rev. K. H. Bergstresser and Prof. Sparks. The music for the occasion was furnished by an orchestra of local young people.

—Four students of State College, Wm. Wray, Lyons Musinus, A. W. Loomis and Frank Schuyler, were in Clinton county the past week surveying a route for a trolley road between Look Haven and Avis. They were also looking up the possibilities of a big power plant on the Susquehanna river below Look Haven. Of course the work these students were doing is no criterion that either a trolley road or a power plant will be built, as they were simply out on a trip of practical work, but the results of their work will show the feasibility of such undertakings.

—The State College Times is authority for the story that on Monday of last week Robert Trice, a rural mail carrier in College township, came across a three foot blacksnake crawling over the snow. He killed it and then made the discovery that a field mouse was clinging to its tail, which it had been nibbling. An investigation disclosed a colony of the mice in the woods nearby and the conclusion drawn is that the mice aroused the snake out of its dormant condition by attempting to eat it and to escape the rodents the reptile took to the snow in quest of another haven of refuge.

—The stork has been a busy bird in Centre county the past week and a good part of his time was spent delivering packages in Bellefonte. Among the new pieces of humanity brought to town was a baby boy to the home of Mr. and Mrs. R. A. Beck and the proud father is so tickled over the new heir that he is wearing out the stone pavement between his shop and home. He has christened the lad Robert Logan Beck, after himself and the Logan fire company. Other homes that the stork visited were those of Mr. and Mrs. Herb Anman, Mr. and Mrs. Peter Mendis and Mr. and Mrs. Forest Bullock.

—The novelty in the way of entertainments is the one that draws the biggest crowds these days and it must be admitted that Bellefonters are up at the head of the list when it comes to innovations of this sort. We have had hen parties and stag parties, old maids parties and "how old is Ann," and now the members of the Ladies Aid society of the Methodist church have evolved a new one in the shape of a weighing party which they will hold at the residence of Mr. and Mrs. C. C. Shuey, on High street, on Thursday evening, March 7th. While so far they have not sent out a book of instructions it is very likely that no admission fee will be charged but it may cost you a penny a pound to get out. But then it will be well worth it as there will be a fine program of music, speeches, etc.

**BOROUGH COUNCIL.**—The regular meeting of borough council was held on Monday evening with seven members present. In the reports of the various committees the Fire and Police committee recommended the purchase of a dozen charges for the fire extinguishers on the hook and ladder truck. The committee was instructed to procure them. The various other committees reported progress, which means that they have done nothing unusual during the past two weeks.

Sydney Keifer, on behalf of the American Lime and Stone company, asked for a rebate on the water tax assessment against residents of Brick row, owing to a leakage in the water during the quarter beginning July first. The matter was referred to the Water committee for investigation and report.

S. B. Miller was present and asked that Curtin street be vacated from Akron street to Wilson street and Wilson street from Church avenue to Curtin street. The matter was referred to the Street committee and borough solicitor.

The Street committee reported the receipt of a check for eight dollars from the Electric Light company as reimbursement for turning off the light on one or two moonlight nights.

The following bills were approved and orders drawn:

Police pay roll.....	\$50 00
Street pay roll.....	25 61
P. R. Crider.....	6 87
A. Alison.....	4 18
A. Baum.....	20 00

**I. O. O. F. NOTES.**—Last Friday evening quite a large delegation from Millheim lodge and several members from Rehersburg lodge visited Spring Mills lodge and took the second degree, which was conferred by the Spring Mills lodge team upon several candidates. Millheim lodge also brought with them a candidate entitled to second degree and asked Spring Mills lodge to confer said degree, which they did. After the degree work Spring Mills lodge treated all to a lunch of ham sandwiches, cakes and coffee in which over sixty members of the order participated. It was near the midnight hour when the visitors left for their homes, after having expressed their well-wishes and assured Spring Mills lodge that the event was surely a pleasureable one to them.

Spring Mills lodge is rapidly forging to the front. They are receiving a great many applications for membership from the best citizens of the different communities and the prospects for still further increase is very much in evidence. They have one of the best trained and equipped teams for degree work in the county and the lodge has in it a great many of the most earnest workers. The lodge is not yet four years established and has a membership within the three-quarter hundred mark.

**NEXT WEEK AT GARMAN'S.**—After an absence of two years the well known and popular Herald Square Stock Co., will give us another visit and it goes without saying that our amusement goes will have in store for them a week of rare performances. The company this season numbers twenty people and carry special scenic equipment for every play produced. The repertoire of plays consists of such high class productions as "On The Road To Frisco," "Man to Man," "Why Women Sin," "The Moonshiners," "Her First False Step," "Polly Primrose," "How She Was Mislaid," "Raffles," "Lodging House Dave," etc. The vaudeville introduced between the acts include such well known acts as "Edna Rupprecht," "Ed Cannon, J. G. Long, Little Melba, illustrated songs and moving pictures. The opening bill Monday night will be the powerful melodrama "Man to Man." Ladies under usual condition Monday. Prices 10 20 30 cents.

—One hundred and two dollars was the sum realized by the Ladies Auxiliary of the Bellefonte hospital at their pink tea given at the residence of Mrs. D. H. Hastings Thursday night of last week. While the affair was supposed to be merely a "tea" by the time the crowd began to gather it had resolved itself into the proportions of a "dinner," and a good square meal at that. And to crown it all the appointments and decorations were exceedingly fine and appropriate. In addition to the dinner there were cards and billiards, which helped to swell the amount. While all the ladies who had anything to do with the undertaking are to be congratulated on the success made of it and deserve words of commendation, Mrs. Hastings perhaps deserves the most for so hospitably throwing wide open her entire house and its appointments for the occasion.

—The majority of the readers of the WATCHMAN will remember Walter B. McCaskey, who about ten years ago was one of the greatest quarterbacks the State College football team ever had, and who after his graduation was given a commission in the U. S. army. As first lieutenant of the 21st U. S. infantry he has been located at Fort Logan, Ohio, for several years but his many friends will be pleased to learn that he has now been detailed by direction of the President as instructor of military science and tactics at the Peekskill Military Academy, at Peekskill, N. Y., where he will go in a few days. Lieut. McCaskey was married a few years ago to a Miss McClellan, of Bech Creek.

—Richard Taylor, manager of the skating rink has engaged Mr. Dawson and Miss Booth, two fancy trick skaters to appear at the rink three nights, February 28th and March 1st and 2nd.

—John H. Wilson, who since 1895 has been manager of the Western Union telegraph office in this place, was this week promoted to manager of the office in Altoona. The promotion not only carries with it considerable more responsibility but also a very good increase in salary. Mr. Wilson in the twelve years he was in the Bellefonte office proved himself not only a very efficient operator but one of the most accommodating of men and he will no doubt carry the same traits with him to his new position, in which we wish him the best of success. He left Bellefonte for Altoona on Wednesday evening and entered upon his duties yesterday. He is succeeded here by David Murray, of Look Haven, who has for some time been an operator in the Altoona office. Mr. Murray is a good operator and will no doubt prove a very able manager.

—Earl Tibbens is now book-keeper for the Landerbach-Barber company at their wholesale grocery store in this place.
