ACADEMY FRAT BANQUET .- The Kappa Delta Pi fraternity of the Bellefonte Academy held their first annual banquet at the Bush house on Tuesday evening and the occasion proved a most enjoyable one, not only because of the almost inexhaustible supply of good things they had to eat but because of the feast of wit and oratory that flowed after the inner man had been satisgreen and white were most profuse and of Mine Host Daggett and his efficient assistants. Huge bouquets of white carnations, orange blossoms and snow balls, interspersed with myriads of candles under green shades adorned the tables as part of James R. The menu served was a most elaborate one, containing as many of the good things to eat as any man could crave at one sitting. Clyde McCarthy presided as toastmaster and responses were made by Frank Seyler, who extended a very hearty welcome to all; Rev. J. P. Hughes, James R. And his statement was correct, too, as the wedding took place yesterday morning at the home of the bride's brother, C. M. Lingle, of Graceton. > > A MISSIONER'S REMINISCENCES. -- The above is the title of a modest little book that has been written by Missioner R. J. B. Lippincott company, Philadelphia. That it will be interesting there can be no doubt. Rev. Crittenden has spent fortytwo years of his life serving the American Sunday School Union as a missioner in Northern Central Pennsylvania and they have been busy years, so that he has a fund of facts and experiences which, woven together in the form of personal reminiscences make a most interesting and readable book. His work among the Complanter Indians in the northern tier of counties and his experiences in organizing churches and Sunday schools in isolated districts in the central counties as well as his missionary work in various lumbering camps in the Allegheny mountains are in themselves entertaining enough to justify the modest price asked for the book, which is but 75 cents in paper binding and \$1.00 in cloth. As Rev. Crittenden is desirous of meeting the cost of the publication of his book in advance orders are now carnestly solicited. All orders, postal card or otherwise, should be sent to R. Andrew McClintic, of Mifflin county, was very unfortunate last week. When driving a short distance above town he noticed that something was wrong with one of his horses, so he returned to the hotel and a few minutes later the horse died. At this landing all the occupants were thrown out. Mr. Grove was considerably cut and bruised while the rest escaped with only a few slight scratches.
