—The annual picnic of the Clinton county Grangers will be held at Mill Hill next Thursday, August 8th.

—The Odd Fellows of Centre county will hold their annual picnic at Grange Park, Centre Hall, on Thursday, August 29th.

—A. B. Williams & Bro., is the name of the firm who bought C. W. Crain's mercantile store at Port Matilda, taking charge of same yesterday.

—Jacob From, of Centre Hall, is again in trouble, though this time it is financial trouble, as all his property, real and personal, is to be sold at sheriff's sale on Monday.

—Mrs. Charles Cruse and family moved on Wednesday from the Garman house on corner of Spring and High streets to the house owned by Mrs. Satterfield, on Bishop street.

—Let everybody get in line now and work for the success of the big Centre and Clinton counties business men's picnic on August 20th, as it will be the next big gathering.

—A meeting will be held in the law office of J. Thomas Mitchell Esq., in Temple Cent, this evening, for the organization of a society for the prevention of cruelty to animals.

—For the second time since she has been in Bellefonte Miss Helen Bible delighted the congregation in the Methodist church on Sunday morning by singing a beautiful solo.

—John L. Kniesly and family and a few friends are spending this week at the Mason's camp down Bald Eagle and it goes without saying that they are having a royal good time.

—In the absence of Rev. J. Allison Platts Rev. W. K. Foster, of Jenkintown, who has been visiting Centre county friends the past two weeks, will preach in the Presbyterian church Sunday morning and evening.

—Hon. Frederick Knitz and John Trafford went down to Fishing creek on Monday for a farewell fish before the close of the season and came home on Tuesday evening with about thirty pounds of trout, suckers and eels.

—Mrs. Catharine Gehret was removed from the Bellefonte hospital to her home on Monday. Since taking her to the hospital several weeks ago her condition has slightly improved and her friends have hopes that she may steadily improve.

—The biggest trout taken from the waters of Fishing creek this season was caught by Durin Hess, a member of the Bloomsburg State Normal base ball team. The fish was twenty-six inches in length and weighed six pounds and fifteen ounces.

—Last Friday evening James K. Barnhart, treasurer of the Bellefonte Chapter, Royal Arcanum, paid over to Mrs. Sarah A. Kline a check for \$2,884.99, the amount of insurance carried by her husband, the late Harrison Kline, deceased, in that order.

—Company B, the hospital corps and the Fifth regiment bugle corps came home from their weeks camp at Tipton last Friday evening; and from the looks of their equipment the stories about camping in a sea of mud could not have been exaggerated.

—Bellefonters were without the Philadelphia newspapers on Sunday. The morning train on which they are regularly brought to Bellefonte was almost an hour late and when it did arrive came without the papers, having missed connection with the train on the main line.

—Now that the trout fishing season is over sportsmen will have to turn their attention to fishing for bass as the only legalized sport. But then it will be a question of only three months until hunting season begins and the supply of fish stories is surely big enough to last until then.

—Not to be outdone by the other families connected with the Centre County Banking Company president and Mrs. Thomas A. Shoemaker on Monday announced the arrival of a daughter at their home that makes Mollie McCoy Shugert and John Curtis Jr. look like Hippolytus babies so enough. The new Miss Shoemaker weighed eleven pounds the day she arrived.

—Seven weeks ago today Edward T. Gregory was operated on for appendicitis, in the hospital at Lock Haven. We are glad to say that he has completely recovered and on Monday was discharged from the hospital and left for his home in Keyville, Va., where he will spend a month or six weeks recuperating ere returning to take up his work as agent for the National Biscuit company.

## FOR THE BUSINESS MEN'S PICNIC.

THE second and final meeting of the Business Men's Picnic association was held at the Country club on Tuesday afternoon and was not only largely attended but the enthusiasm displayed was intense enough to show that the people of both Centre and Clinton counties are unanimous in their endeavors to try and make this year's picnic the biggest ever held. The Bellefonte contingent went down on the 2.20 train and the afternoon was spent very pleasantly until the arrival of the Clinton county delegation about five o'clock. As it was then too late to begin business Frank Warfield invited all present to repair to the spacious dining room where a most delicious and appetizing supper was served. When the inner man had been satisfied the members of the association assembled on the veranda and were called to order by president A. C. Mingle. Secretary J. C. Meyer read the minutes of the meeting of July 16th after which the president announced the appointment of the following committees:

**Committee on Management.**—J. C. Meyer, J. Will Conley, Centre county; George W. Mason, Clinton county.

**Finance Committee.**—Hammon Seehler, John M. Bullock, Phil D. Foster, M. D. Kelley, Centre county; T. J. Small, Clinton county.

**Committee on Music.**—Hard P. Harris, George R. Meek, Centre county; A. C. Candor, Clinton county.

**Committee on Amusements.**—John D. Sourbeck, S. Krumrine, Harry Otto, Centre county; P. S. Kift, Frank E. Harder, C. H. Bressler, Clinton county.

**Committee on Printing.**—John I. Olewine, W. Gross Mingle, Centre county; A. L. Merrill, Clinton county.

**Committee on Closing.**—L. I. McNeil, U. A. Xander, Clinton county; E. C. Tuten, C. F. Montgomery, Centre county.

The members of the various committees having been previously notified of their appointment were prepared to make reports and the Finance committee reported the following amounts to cover the expenses of the picnic: Printing, \$50; music, \$185; clay pigeon shoot, \$50; base ball, \$125; amusements, \$75; general entertainment, \$150, a total of \$635.

The amusement committee reported that they had secured the Phillipsburg and the Auto baseball team of Lock Haven for a game that afternoon. Each team will have their expenses paid and the winners will be given fifty dollars.

The clay pigeon shoot will take place at ten o'clock in the morning and will be between teams from the two counties. At eleven o'clock it is proposed to have a tennis tournament between teams of the best players that can be secured representing the two counties.

The music committee reported that arrangements were so far under way as to give assurance that they would be able to secure the services of Smith's orchestra, of Bellefonte, and the Knights Templar band, of Williamsport. The various other committees reported progress in all matters pertaining to their line of work.

Secretary J. C. Meyer reported that he had received letters from Joel A. Herr, John R. Thompson and W. H. Stevenson acknowledging the receipt of notices of their election as members of the association and all pledged their hearty support in helping to make the picnic a success.

Frank Warfield stated that as the picnic was to be held on Tuesday instead of Thursday he had every assurance of securing from other roads all the cars that would be needed to move the crowd promptly and comfortably, and that he could promise that every effort would be put forth by the railroad company to transport the people back and forth on schedule time.

This practically completed the business of the meeting and all that now remains to do is to get together everybody and do your best to make this year's gathering the biggest ever held. Remember the time, Tuesday, August 20th, and the place, Hecla Park.

Those present at Tuesday evening's meeting were as follows: From Centre county, A. C. Mingle, J. C. Meyer, Capt. S. H. Bennison, Hard P. Harris, John M. Bullock, Hammon Seehler, J. Will Conley, Harry Otto, Francis Speer, John D. Sourbeck, Sidney Krumrine, W. Gross Mingle, Robert Cole, John I. Olewine, DeLaun Stewart, Charles Mencho, Thomas H. Harter, H. S. Ray, George Beaker, E. C. Tuten, F. E. Nagley and Frank Warfield. From Clinton county, George W. Mason, T. J. Small, G. W. Fredericks, C. F. Brown, A. L. Merrill, P. P. Rittman, P. S. Kift, J. A. Herr, D. H. Stoner, John R. Thompson, U. A. Xander, C. H. Bressler, R. H. Stewart, F. E. Harder, D. I. McNeil.

**DOUBLY AFFLICTED.**—The Hughes family are just now undergoing a series of sad afflictions. Last week the infant son of Mr. and Mrs. Luther Hughes died quite suddenly and hardly had the news of that sorrowful fact been received until word came from Milwaukee, Wis., that Donald, the seven year old son of Mr. and Mrs. Edward Hughes, had been stricken with paralysis and was in a critical condition. The case is a most remarkable one, as it is an extremely rare occurrence for a child to become paralyzed and the attending physicians assign but two causes for it. That the stroke was caused either by a hemorrhage of the brain or a tumor. If the former there is a chance of not only saving the boy's life but effecting a permanent cure. If the latter, there is practically no hope of a permanent cure and very little of saving his life. It is a strange affliction and the parents are to be deeply sympathized with.

Bellefonte gossip will be interested in learning that the Hon. Henry Gasaway Davis, of West Virginia, is about to erect in the town that bears his name a church to the memory of his late wife.

—The Wagner family reunion will be held at Grange Park, Centre Hall, on Wednesday, August 7th.

—Last Saturday argument was made in the case of the application of citizens of Snow Shoe for the incorporation of that town into a borough but up to this writing Judge Orvis has not handed down his decision in the matter.

—The doctors of Williamsport have combined on a new schedule of prices which means an advance of from fifty to one hundred per cent., and residents of that city are also combining to boycott the doctors by going to the country for their physicians.

—Prof. George P. Bible has been engaged to furnish the evening entertainments during the week of the Granger's encampment at Centre Hall. He will be assisted by Mrs. Bible and their two daughters as well as a number of special performers from Philadelphia.

—Charles L. Kinslow, of Lock Haven, has resigned his position as an instructor in electrical engineering in the Western University of Pennsylvania to accept a similar one in The Pennsylvania State College. He will enter upon his duties at the latter institution at the beginning of the college year in September.

—If "A Citizen" will send his or her name to the WATCHMAN office the communication received last week will be given due attention, otherwise it will have to be consigned to the waste basket, as it is against the rules of this paper, as it is of every well regulated newspaper, to publish any anonymous communication.

—Miss Clara Solt was taken to Philadelphia on Monday to be operated on for necrosis. The disease is not in an advanced stage and the operation was not a very severe one. She returned home on Wednesday, content with the assurance of the Philadelphia doctors that a permanent cure can be effected, though she will be compelled to go to Philadelphia again in about two weeks for a final examination.

—Notwithstanding the fact that unlimited pilgrimages had been made to Fishing creek during the trout fishing season quite a bunch of fishermen from Bellefonte made the trip on Wednesday afternoon, both to have the season close without one more try at luring the speckled beauties. And try was about all it was as the whole bunch did not bring home enough of trout to make a hungry man half a breakfast.

—It is quite likely that in the near future an application will be made by the people of Spring and Walker townships for a state road from Bellefonte to Hecla park, as a number of Bellefonters are behind a movement to have such a road built. Clinton county people have built a state road from Flemington to Mill Hill and the proper thing to do would be to build the road all the way between Bellefonte and Lock Haven. It would make one of the best driveways in the State.

—Some time ago we mentioned the fact that Col. Emanuel Noll's bees had swarmed considerably earlier this year than he ever knew them to do before; and we have reason to believe it was because they wanted to get to work storing honey as early as possible and also have as much room available for that purpose as possible. And that they not only got to work but kept at it the editor of the WATCHMAN is able to testify, as we were the recipient last Friday of two blocks of Mr. Noll's honey, an annual donation he never fails to bestow. And it was just about the most delicious honey we have ever eaten, which also shows that in the matter of selecting and distilling their sweets.

—On Wednesday of last week Willis Heeman, a Bohemian who worked on Thomas Beaver's farm, hired a horse and buggy from Frank Bartley's livery stable to go to Milesburg. He took with him fourteen-year-old Ida Parks, a daughter of Mr. and Mrs. James Parks, who live on Lamb street near the electric light works, and instead of going to Milesburg they went to Phillipsburg where they passed themselves off as man and wife. Not returning home that evening Mr. Bartley instituted a search by telephone and finally located the pair in Phillipsburg. He had them arrested and on Friday Bartley and policeman Jodon went over to that town, the former bringing his horse and buggy back while Jodon brought Heeman back as a prisoner and he is now in jail to answer to the charge of stealing the horse and buggy.

—Squire H. Laird Curtin has this week been entertaining his fraternity brother, Charles Gosenchoffer, of New York city, and as they were all at Trinity college at the same time Hugh Crider is helping the Squire make it pleasant for him. Just to show the young New Yorker what kind of a meal they serve in Pennsylvania Squire Curtin entertained an automobile stag party at the Old Fort on Monday evening at which Mr. Gosenchoffer, Charles Clement, of Sunbury, Wilson Gephart, J. H. Robb, Maurice Jackson, Hugh Crider and himself were present and every one unanimously agreed that landlord Edward Roy did not miss putting on the table one thing that was eatable. From the Old Fort the party went to Spring Mills to see landlord Warren Wood only to learn that he was attending campmeeting or something else at Ocean Grove. They next visited Penn cave and took a night trip through that subterranean cavern, finally landing in Bellefonte about 10.30 o'clock the same evening.

**SUNDAY SCHOOL CONVENTION.**—About one hundred delegates, Sunday school superintendents and ministers attended the twenty-eighth annual convention of the Centre county Sabbath school association, held in the Presbyterian church Tuesday afternoon and Wednesday. Sixty-four Sunday schools in the county were represented.

C. L. Gramley, president of the association, presided and the address of welcome was delivered by Rev. J. Allison Platts. The program as prepared was quite an extended one but the exercises had to be varied considerably on account of the non-appearance of some of the speakers scheduled. The first general talk on Tuesday afternoon was by Rev. R. Crittenden on the subject of a model bible school. W. G. Landis, general secretary of the State association, was present and gave two or three quite interesting talks. Mrs. W. H. Schuyler, of Centre Hall, made a little talk on Wednesday afternoon in which she took exception to the prevailing custom of celebrating Children's day by decorating the church and having an elaborate program of exercises. She thought the day should be more solemnly and religiously observed. Of course quite a number took exception to this and more or less discussion followed.

On Wednesday morning T. M. Gramley, of Spring Mills, also caused a mild sensation by declaring that he would not teach a mixed class in Sunday school; that is, a class composed partly of professed members of the church and partly of people who had made no profession. This naturally raised the question of how are the boys and girls to be taught to be good, if not in the Sunday school. Of course everyone was not inclined to take the same stand as the speaker.

An interesting feature of Wednesday evening's session was a talk by Rev. Ambrose M. Schmidt on the topic "Holding a Sabbath School Convention in Rome."

Others who were present and made interesting addresses were Rev. S. S. Bergen, of Petersburg; Rev. G. W. Mellinay, of Spring Mills; Rev. A. A. Black, of Boalsburg; Rev. Hamill Baal, of Minnesota, who is east on a visit to his father, Rev. J. W. Baal, at Centre Hall, and the various ministers of Bellefonte.

The officers elected for the ensuing year are as follows: President, C. L. Gramley, Rebersburg; vice president, Rev. W. H. Spangler, Bellefonte; secretary, Rev. W. H. Schuyler, Centre Hall; treasurer, A. Lukenbach, Bellefonte; home department superintendent, Rev. Ambrose M. Schmidt, Bellefonte; normal department superintendent, Rev. G. W. Mellinay, Spring Mills; primary department superintendent, Mrs. William Shawley, Yarnell.

## RELINING THE BELLEFONTE FURNACE.

—On Wednesday of last week the Bellefonte furnace was blown out for the purpose of relining the stack. As soon as it was cool enough a big force of men were put to work tearing out the old lining and by Tuesday of this week they had completed the job and the bricklayers began laying the brick for the new lining. It will take about one month to complete all the repairs needed and get everything in shape to put the furnace again in blast. In the meantime all the workmen will be given steady employment so that the brief close down will not affect any of them.

This is the first time the furnace has been relined since it was blown in on October 20th, 1904, a run of two years and nine months, and in that time in the neighborhood of one hundred and fifty thousand tons of pig iron have been cast.

## CELEBRATES SEVENTY-EIGHTH BIRTHDAY.

—On Wednesday of last week the children and grand-children of Mr. George S. Gray gathered at his comfortable home near Stormstown and helped him celebrate the seventy-eighth anniversary of his birth. His brother, Mr. Samuel Gray with his wife, of Martinsburg, with a number of friends and neighbors were also present and the day was passed most pleasantly by all. Mr. Gray was the recipient of many useful presents.

## CORNER STONE LAID.

—The corner stone of the new Grace Lutheran church at State College was laid with impressive services at 10.30 o'clock on Sunday morning. Rev. J. I. Stonecypher, of Boalsburg, the pastor in charge, preached the sermon, which proved to be a very able discourse. He was assisted in the services by Rev. C. T. Aiken, of Selingsgrove. The building of the church will be pushed as fast as possible to an early completion.

—Miss Haldeman, of Harrisburg, will be in Bellefonte Saturday on her way from Bedford Springs. While in Bellefonte Miss Haldeman will be with Miss Lian.

Ray will be in Bellefonte with their two children, Sara and Horton S. Ray. Mr. Ray's mother and Maurice A. Jackson left for the Thousand Islands, N. Y., where with several days at Tipton last week and while there attended the National Guard encampment. They are the gentlemen and are formerly of Centre county.
