

WOOD ALCOHOL FATAL

Two Jersey Farm Hands Dead and One Dying. Medford, N. J., Sept. 10.—Supposedly poisoned by wood alcohol given them in mistake for wine, two farm hands lie dead at their homes near here. The brother of one of the men is in a serious condition and is not expected to recover.

The dead men are George Shotwell and Alfred Foster and the member of the trio still alive is Luken Foster. Prosecutor Atkinson is investigating the case and at his direction two physicians made a post-mortem examination of the dead bodies, while Coroner Seeds, of Pemberton, awaited the result of the examination that he might hold an inquest immediately if advisable.

Though the manner in which Shotwell and Foster came to their death is practically agreed upon, no suspicion of foul play attaches to the circumstances. Some liquor which they were given to drink by their quondam employer, Thomas Blaszak, a farmer, is said to have poisoned the men, but it is believed that Blaszak gave them wood alcohol to drink by mistake.

BRITT WAS OUTMATCHED

Broke His Arm in Fourth Round and Gans Gets Decision. San Francisco, Sept. 10.—A left swing to the body, cleverly blocked by Joe Gans, cost Jimmy Britt any chance he might have had to win the lightweight championship of the world, and brought to a close five rounds of fast fighting before 14,000 persons at Recreation park.

The deciding blow was caught by Gans on the elbow in the middle of the fourth round. It broke Britt's wrist, and though Britt went on again in the fifth round, he was helpless in both offense and defense. It was not until this round that he informed his seconds of the mishap. The fight, while it lasted, was a slugfest, but it was evident to every trained observer that Britt had no chance to win from the negro. For the first time in his life Britt was out-matched.

TRAIN KILLS SWEETHEARTS

Delaware Lovers Meet Death Returning From Prayer Meeting. Seaford, Del., Sept. 6.—The mangled remains of Benjamin Wootton, aged 19 years, and his sweetheart, Miss Lillian Taylor, aged 18 years, daughter of Uriah Taylor, a farmer, were found beside the tracks of the Delaware railroad at Cannon's station, two miles north of Seaford. The young couple attended a prayer meeting, and had started for home. It is believed that while crossing the railroad tracks, a northbound train approached, and that in getting out of its way they stepped in front of a southbound train, which was due at the same time, and were run down. The bodies, both of which were horribly mangled, were discovered by the parents of the young couple, who had hunted throughout the night for them.

NEW DIPHTHERIA ANTITOXIN

German's Discovery Will Kill Germs in Three Minutes. Columbus, O., Sept. 10.—Announcement of the discovery of an antitoxin that will kill diphtheria germs on the living human organism within the short space of three minutes has been made at the Ohio State University, by Professor Blythe, physiological chemist, as the result of an exhaustive technical and intricate series of tests.

The discovery is attributed to Theodore Wolfram, a German chemist, now living in this city. The antitoxin was given tests in hospitals and private before announcement of its discovery was made. It is applied by infusion and can be applied in any quantity to the youngest patient.

\$45,000 FOR SHATTERED ARM

Man Awarded Damages Against Father-in-Law Who Shot Him. Unfintown, Pa., Sept. 7.—William Wirsing was awarded \$45,000 damages for injuries said to have been received at the hands of his father-in-law, James R. Smith, a wealthy coal operator.

A year ago, Wirsing eloped with Smith's daughter. Upon the return of the young couple, Smith met Wirsing with a Winchester rifle and shot him in the right arm, shattering the bone, and, it is said, rendering it useless for life. Smith is now in the penitentiary serving a five years' sentence for felonious shooting with intent to murder.

MET AN ODD DEATH

Workman Hit on Head By Sledge and Knocked Into Well. Lewisburg, Pa., Sept. 9.—While cleaning and repairing a well here, Charles Bogel was struck on the temple by the head of a sledge which flew from the hands of a fellow-workman, knocking him to the bottom. When assistance arrived he was found dead in 10 inches of water.

Bogel was at one time a prosperous business man, engaged in various enterprises in this place and Milton, but met reverses, and of late years has been doing odd jobs about town. Took Her For a Negress. Suffolk, Va., Sept. 6.—Mrs. Rosa Stone, white, entered suit for \$10,000 damages against the Norfolk & Western railroad for being compelled to ride in a "Jim Crow" car among negroes. After being forced into the negro apartment Mrs. Stone sought to return, but was restrained. Mrs. Stone, being badly tanned, was taken for a negress.

A VICTIM OF BRUTES

Workman Dying From Hazing Administered By Mill Workers. Washington, Pa., Sept. 10.—Henry Perry, a mill worker of Wheeling, W. Va., is dying from a brutal hazing administered by 50 employes of the Tyler Tube & Pipe company.

Burned and beaten, there is little hope for his recovery. The Tyler company's steel workers have a custom of initiating new employes. Perry was seized by a couple of powerful men, that he might be put through his "degree." He fought valiantly and with two iron pipes succeeded in warding off several of his tormentors until overpowered by superior numbers. His clothing was fastened to a hook of a big iron crane and he was bound fast with cords. Then he was swung above the flame of a big blast furnace, which is usually approached by the workmen only when covered by a shield. Finally the cords were burned through and Perry's unconscious form dropped to the floor right in front of the furnace, where his flesh was shriveled and his clothing charred. His tormentors, alarmed at their work, called Dr. J. R. Maxwell, who worked with the man seven hours before restoring consciousness. Physicians believe Perry inhaled the flames and entertain little hope for his recovery. Warrants were issued for the arrest of the ringleaders of the affair, but they escaped arrest by getting out of town.

FOUR PERSONS DROWNED

Water Logged Boat In Which They Were Rowing Found. Baltimore, Sept. 9.—The finding of the drowned body of Gertrude Shaunnessy, aged 19 years, in the waters of Spring Gardens, a branch of the Patuxent river, has convinced the police that her three companions have been drowned. She was last seen after midnight on Friday, in company with another woman, whose name is not known to the police, and George E. Frissell and William O'Leary.

The two couples are said to have entered a row boat. A water-logged boat was found in Spring Gardens and later the body of the woman. A part of the clothing found on the body was a coat, the contents of the pockets of which showed that it belonged to one of the men in whose company she was last seen. The dead woman is said to have been a native of Pittsburgh.

ENOUGH IGNORANT CITIZENS

Ithaca, N. Y., Judge Refuses Application of Foreigners. Ithaca, N. Y., Sept. 10.—Justice Miller in opening the September term of the supreme court here caused a surprise by refusing all applications for citizenship. "We have admitted too many ignorant foreigners to citizenship already," he said, "I do not propose to admit to the franchise any person who does not know enough about the constitution of the country to cast an intelligent ballot. I will not grant citizenship papers to any immigrant who has not a fixed intention of staying in the country and an intelligent knowledge of and patriotic interest in its form of government. An ignorant electorate tends to be a corruptible electorate; an unintelligent use of the ballot is dangerous to the success of a democratic form of government."

FOUR FIRE VICTIMS

Two Children Dead and Father and Grandfather May Die. Williamsport, Pa., Sept. 7.—By the explosion of a lamp in an upstairs room, the two young children of Aaron Anderson, of Coleman Hollow, Potter county, were burned to death. Anderson and his aged father were helplessly ill in a room downstairs. Mrs. Anderson also had to care for her 2 1/2 weeks-old babe. The family lived two miles away from their nearest neighbors.

Killed Trying to Mount Horse. Philadelphia, Sept. 10.—William J. Mulhall, farrer for the First City Troop of this city and well-known college football player and athlete, was killed at Stratford, a suburb, by plunging headforemost over a mustang which he was attempting to mount. Mulhall was showing a friend some of the evolutions practiced by cavalrymen in their drills and giving cowboy exhibitions. He attempted to vault into the saddle while the mustang was on the run, and misjudging the distance plunged over the horse. He fell on his head, fracturing his skull and died in a short time. Mulhall, who was 26 years of age, was an end on the Villanova football team.

\$30,000 Worth of Gowns Seized.

New York, Sept. 9.—Foreign gowns, laces and lingerie, the value of which is said to be \$30,000, were seized by customs inspectors on the arrival of the French liner La Savole. Most of the goods, which were contained in 30 trunks, were the property of a number of dressmakers returning from Europe. Practically all of the trunks seized bore inspection labels which the customs officials declare were either forged or stolen. The plan, the authorities believe, has been successfully worked for some time.

Weds Wrong Twin Brother. Paris, Ill., Sept. 7.—Mrs. Addie Thomas has brought suit for a divorce from Calvin Thomas, on the ground that she made a mistake in the brother she was to marry. She thought he was Alvin, Calvin's twin brother, she alleges.

Hanged Herself in Asylum.

Mt. Holly, N. J., Sept. 10.—Improving a rope from blankets and sheets which she wore in stripes, Mrs. John Stradling, of this place, made a noose at one end and hanged herself to the transom bar of her room in the Burlington county insane asylum. At her feet was an overturned chair on which she had evidently stood while attaching the cord to the door.

Sailboat Capsized; Two Drowned. Elkton, Md., Sept. 7.—Mrs. Walter B. Merrey and Irvin George, of Elkton, were drowned in Elk river, three miles south of Elkton, and Walter B. Merrey and his mother, Mrs. William Merrey, narrowly escaped a like fate. The party were in a sailboat, which was overturned in an attempt by young George to grasp a passing scow in order to get a tow.

Life is a ceaseless struggle between the bad and the good, and it must be always remembered that the good is inherently stronger than the bad. All nature is on the side of the good and whenever a man puts himself in line with Nature to fight the bad within or without him, he is practically invincible. The struggle of health is a struggle between good blood and bad. Dr. Pierce's Golden Medical Discovery has helped thousands to health because it works with Nature. It cures diseases by supplying good blood in place of bad, the only way in which permanent cures can be effected.

A GREAT EVENT.

Will be the Hughesville Fair, Sept. 17 to 30 inclusive. The Hughesville Fair, which opens on Tuesday, Sept. 17, and continuing for four days, promises to be the best ever held in the history of the organization. Many improvements have been and are being made on the grounds, while the premium list has been revised and the amount given to exhibitors has been largely increased, which will greatly increase the number of exhibits. There will be six contests of speed.

CLAIM OF \$123.46 FOR SALE! DO YOU WANT IT? This office offers to the highest bidder an unpaid balance against the estate of the late Governor D. H. HASTINGS, amounting to ONE HUNDRED AND THIRTY-SIX DOLLARS and thirty three cents, less \$12.87, for which judgment has been obtained. The claim is an honest and undisputed account for advertising job work and subscription to this paper. There are no allegations that any of the items are overcharged, nor is there any plea that the work was not ordered done, or not done. So that every charge in the entire account will be guaranteed correct. It is due, however, to those who may be inclined to become bidders, that they should know that while the justice and correctness of this claim is admitted and the estate alleged to be worth any amount from a quarter to a half million of dollars; yet the administrators—who are also its heirs and beneficiaries,—have refused payment, simply because they could plead the limitation and thus avoid the payment of an honest debt. The above amount may not be worth much as a cash asset. It may be of some value, however, as a reminder that there are others than the ordinary "dead beat" and "debt jumpers," who seek the technicalities of the law to save the payment of just obligations. No bond will be asked from bidders. Any "old thing" will be considered good when compared with a wealthy estate that won't pay a just debt. Address: WATCHMAN, Bellefonte, Pa. 52-29-4f
