Every piece of mail matter in the United States, which means every piece that passes through the Bellefonte postoffice as well as all other postoffices will have to be counted during the week of October 12th to 19th. It can readily be seen that this will be no small undertaking and will impose a lot of extra work on every employe and carrier in the postoffice service.

The famous Repasz band, of Williamsport, one of the best musical organizations in the State, is to be the stellar attraction at the Fair next week. It will be there every day—Wednesday, Thursday and Friday. The attractions each day will be the same. There will be no particularly big day. Each one will be big enough to show that the Great Centre County Fair is growing greater each year.

Tuesday evening Mr. and Mrs. Nathan Markle, who live about a mile east of Bellefonte, gave a party in honor of their son Earl's nineteenth birthday anniversary. Over thirty young people were present and the evening proved a most delightful one for all; and to no one more than it did the young man in question, as the gathering was a complete surprise to him, hence the more appreciated.

The hunting season for squirrel, pheasants and woodcock opened on Tuesday and quite a number of Bellefonte hunters went out to try their luck, but whether it was the unusual scarcity of game or a bad day for hunting, very little game was brought in. In fact, so far as we could learn, not a dozen squirrels and pheasants were secured by Bellefonte hunters. Some Centre county hunters seem to think that the season for quail and rabbits also opened on October first, but it did not, and won't open until October 15th, so don't shoot either until that time.

State College defeated the Geneva College football team on Beaver field last Saturday, by the score of 34 to 0. In the first half State scored 25 points and in order to try out her men put in an entirely new line-up in the second half, the new men scoring 12 additional points. This week the State team has been put through hard practice in order to get in shape for the game with the Indians at Williamsport to-morrow, their first hard game of the season.

Gray, of Williamsport, and for some time past has been a preceptress in Dickinson Seminary.

FRIDAY.—On Tuesday of last week Hiram Friday, of near Vail station, went out in the woods near his home to do some grubbing. Failing to return in the evening a search was instituted but the man was not found until Thursday morning when he was discovered lying in the woods not a half mile from his home. He was alive but unconscious and on being taken home a physician was summoned who said the man had suffered a stroke of apoplexy. Owing to the exposure he had undergone in the two nights and one day he lay in the woods his condition was so serious that he died Thursday night.

Deceased was a native of Hesse Castle, Germany, and was almost seventy years of age. He came to this country in 1853 and shortly afterwards settled near Vail station where he has lived ever since. After her marriage Mrs. Furey made her home in Bellefonte until about fifteen years ago when she went to Philipsburg and since then has lived with her daughter.

She was a member of the well known and prominent Larimer family, being a sister of the late Judge Gibson Larimer, of Pleasant Gap, Judge A. V. Larimer, of Omaha, Neb. Her one sister, Mrs. W. T. Spear, of this place survives. Mrs. Furey was a member of the Methodist church and was a woman of the highest christian virtues. Stein officiated after which interment was made in the Union cemetery.

For some time past he has held the position of sales agent for the American Lime and Stone company and in that position was a frequent visitor to Bellefonte, so that he was quite well known by many people here. Deceased was only twenty years of age and was a young man of very industrious habits, so that his untimely death is a severe blow to his parents, sisters and brothers. The funeral was held on Tuesday morning. The services, which were held in the Methodist church at Howard, were conducted by Rev. Rhoads, after which interment was made in the Howard cemetery.

His death is peculiarly sad at this time as it has not been a year since the death of his mother. He was married about three years ago to Miss Minnie Whippo, a daughter of Mr. and Mrs. C. O. He filled the lamps yesterday afternoon and when he struck a match to light the lamp near the railroad in the evening there was an explosion and instantly he was enveloped in flames. His cries attracted the attention of M. H. Burgett, of Bakerton, Cambria county, who while waiting for the train was occupying his time by walking up and down along the railroad and seeing the young man's predicament took off his own coat and smothered the flames. The clothing was practically burned from the upper part of Solt's body and his arms, face and upper portion of his body were badly burned. Physicians at Howard dressed the burns and on Wednesday he was brought to the Bellefonte hospital for further treatment.

On Thursday evening Mr. Budinger came to Bellefonte in his Franklin machine bringing with him his three daughters, Miss Northwood and Miss Tyson. They stopped at the Bush home and that evening a number of the young people of town gave an impromptu card party in their honor. On Saturday evening the young couple were tendered a reception at the home of the bridegroom's parents at Lemont.

GLENN-SLOAN.—The many friends of Dr. W. S. THE MERRY OPERA OF "THE TOYMAKERS."—That celebrated company of merry-makers, "The Jollities," will soon be the attraction at the Garmau Opera house and it is predicted that no one in this town will miss "The Toymakers," that new side-splitting, musical absurdity which was written by Charles Felton Pidgin, the author of that famous book, "Quincy Adams Sawyer," which was read and talked about as "one of the best new England stories ever written." Mr. Pidgin has written both book and play and every one should read this amusing story if possible before seeing "The Toymakers." The story tells of a wonderful doll invented by "John Senior Stabbe" and brought to life by electricity through many curious and comical adventures and puts the audience in great good humor. Twenty-six new musical lyrics make up this clever comic opera, which were written by Charles D. Blake and John A. Bennett. New costumes and beautiful scenery were designed especially for "The Jollities" who give a clean, unbacked evening's entertainment.

Tomorrow the Bellefonte Academy football team will go to Altoona where they will open the season by playing the Altoona High school eleven, and on next Monday, October 7th, they will establish athletic relations with the Indiana Normal school by playing a game with their eleven on Beaver field at State College, the game to be called at 3:30 o'clock. This will be a good opportunity for the people of Bellefonte to see what kind of stuff the Academy team is made of this year and all who can do so should take advantage of the excursion and go up. From present indications the Academy team will be one of the best they have ever had, and they will no doubt put up a very interesting game.

Just after dinner on Wednesday Alf Bann drove down high street with a pony hitched in a narrow tracked buggy. In attempting to turn around in front of the Bush home he made the turn too short with the result that the buggy upset and he was thrown out alighting on his side on the stone curbing. He was dragged some distance but pluckily stuck to the lines until the pony was caught by others and the buggy righted. Though no bones were broken Alf had a very bad fall and his side will likely be quite sore for some time. The pony was not hurt neither was the buggy damaged.

Andrew Corman, road master, has certainly repaired the old pipe road for about five miles in a very creditable and workman-like manner. He has dug numerous gutters and side ditches to drain the water off to keep the roadbed dry and free from the old familiar mud puddles; repaired all the ruts and removed all the loose stones. In fact, the road was never in a better condition, if as good, under the management of the Pike Co. Mr. Corman at one time was one of our supervisors and the road under his supervisors were never in as good condition before nor since. If all the supervisors had the same judgement and abilities of Mr. Corman, there would be little cause for complaint.

The Great Centre County Fair.

Every year the Great Centre County Fair has been growing. This year it will be greater than ever.

More horses have already been entered for the races than in any previous years. More hauled cattle and swine entered for exhibit and more poultry.

The amusements will be many and diversified and the famous Repasz band of Williamsport will furnish the music every day of the grand exhibition.

A feature of the Fair this year will be the entire absence of wheel and box games as no gambling of any kind is to be admitted. There will be plenty of shows and other entertaining novelties for those who enjoy them, but the place of the fair will be on a higher level than ever before; strictly moral, clean, elevating and instructive.

Excursion tickets can be procured on all roads. Remember the dates: Bellefonte, Pa., Oct. 8-9-10-11.
