

Bellefonte, Pa., April 17, 1908.

President to Travel Abroad.

Should President Roosevelt's present desires be realized he will spend the first year after his retirement from the office of president in travel outside of the United States.

It was at the recent dinner of the Boone and Crockett club in this city that the president last told of his intentions for next year.

President Roosevelt is quoted as adding at this time: "If William Taft is nominated and elected president, which would be very gratifying, it would make impossible any criticism if I were abroad, to the effect that I was dictating to him and being followed, or that I had dictated and had been turned down in my suggestions."

Deserted On Wedding Day.

Because her husband partook too freely of liquid refreshments at their wedding celebration, Mrs. D. Clarence Toole, a bride of less than two hours, deserted him, left their newly-furnished home on Sharp street, Millville, N. J., and returned to the home of her parents at 531 Sixth street.

Mrs. Toole was Miss Josephine C. Butterworth, daughter of Mr. and Mrs. George Butterworth. The ceremony was performed by Rev. John H. Magee, pastor of the Second Methodist Episcopal church.

Mystery Solved.

The mystery surrounding the killing of John Cook, thirteen, in Sergeant Lacey's store, at Delaware city, Del., several days ago, was partly cleared up by State Detective Gillis, who arrested Edward Black, colored, aged seventeen years, who confessed that he had accidentally shot Cook, Black claims he was loading an old revolver in front of Lacey's store when the weapon was discharged. He looked in the window and, seeing Cook lying on the floor, became frightened and ran away. The authorities believe his version of the shooting is true. Black will be given a hearing.

Girl Plans Funeral; Drinks Acid.

Miss Minnie Clark, nineteen years old, daughter of Mr. and Mrs. John Clark, of Bellefonte, Pa., died in the hospital from the effects of a dose of carbolic acid which she drank. Disappointment in love is given as the reason for the girl's act, although she made no charge against any one in a farewell note to her parents, in which she named the pallbearers and the minister that she desired should officiate at her funeral.

Postmaster Beaten By Burglars.

Postmaster Morris, of Sasfrans, Cecil county, Md., was shot in the leg and beaten with a club by three burglars, who afterward compelled the postmaster's wife, at the point of a revolver, to give them \$90 in cash. Before attacking the postmaster and his wife the burglars broke into the postoffice and stole a lot of stamps. They escaped and are thought to have come in this direction, but have not yet been captured.

Vetoes His Own Salary.

New Brunswick's (N. J.) reform mayor, W. E. Florance, has vetoed his own salary bill for this quarter. The mayor made it a rule to veto any bills ordered by common council which overdraw appropriations, and he claims there is not sufficient money in the appropriation for salaries for city officials for the present quarter. He has vetoed all of them. The mayor is a Democrat and the council Republican.

Penrose Assured of Re-Election.

The reports of legislative nominations throughout Pennsylvania indicate the re-election of Boies Penrose to the United States senate by the next assembly. Until the official returns are filed at Harrisburg it may be impossible to make any estimate on local option, but the issue seems to have been favored in some of the agricultural counties of the state.

Baby Killed in Runaway.

William Howard Stair, twenty-two months old, was killed and William H. Pressler, a retired Pennsylvania railroad engineer, grandfather of the child, was hurt by a runaway team at Harrisburg, Pa. The child had wandered into the street and the grandfather was injured trying to save it.

Woman's Neck Broken By Fall.

Isabelle Neeland, fifty years of age, the wife of Frank Neeland, of the Park theatre, fell down stairs at her home in Westmont, near Camden, N. J., and broke her neck. Death was instantaneous. Mrs. Neeland had risen to get a drink and stumbled in the dark.

Fish Cost Him \$10 Each.

One of the wardens of the state fisheries department captured Harry Witter, living in York county, Pa., spearing fish or giggering in a creek near Harrisburg. The man had six mussels and had to pay a fine of \$10 a fish.

Scarcely one woman in a thousand really appreciates the influence of her sexual organism over her whole life. It is only the skilled physician who has time and again traced disease back along the delicate nerves to the sensitive woman organs, who understands how closely related are these organs to every healthy function and attribute of the body.

"Yes," said she defiantly, "I admit that I kissed him." "Did he put up much of a struggle?" inquired her best girl friend.

Doan's Bright's disease or diabetes. Doan's has done great work in Bellefonte. Hiram Fetterhoff, living at 26 West Bishop St., Bellefonte, Pa., says: "I have no hesitation in recommending Doan's Kidney Pills as a first class remedy for the kidneys."

NATURE'S WARNING.

BELLEFONTE PEOPLE MUST RECOGNIZE AND HEED IT.

Kidney ills come quietly—mysteriously, but nature always warns you. Notice the kidney secretions. See if the color is unhealthy. If there are settlements and sediment, passages frequently scanty, painful, it's time then to use Doan's Kidney Pills.
