

POPE INDIGNANT

Sacrilege Committed By Visitors at Easter Mass.

Rome, April 21.—The entire Catholic population of Rome is incensed at an act of sacrilege that was committed Sunday in the pope's private chapel, during the celebration of the Easter mass by his holiness. The congregation numbered about 200. All afterward partook of the holy communion. Among them were two women and a man who had been admitted on the strong recommendation of the Austro-Hungarian ambassador to the Vatican.

While the pope was administering the sacrament these three were seen to remove the wafers from their mouths. One of the women was seen actually casting it on the floor.

The pope was horrified. The offenders were immediately expelled from the chapel. They were recognized by the ambassador, who was present. Later they were identified as Professor Fellbogen of the University of Vienna and his wife and sister-in-law.

The pope, hiding his deep emotion and amazement with a view of preventing a scandal, hushed the incident. From the chapel the trio of offenders were taken to the majordomo's office, where they said they were not Christians and had received the communion through a mistake and spat out the host not believing it to be consecrated.

The pope was so grieved that he wept bitterly. He is convinced that the sacrilege was premeditated. It is not known whether the Sistine Chapel will have to be reconsecrated in consequence of it. The Austro-Hungarian ambassador will be recalled. It is said.

TWIN SISTERS INSANE

Tried to Commit Suicide By Setting House On Fire.

Lebanon, Pa., April 18.—After having lived together for many years, Miss Susan Hauer and her twin sister, Harriet, of Bellefonte, have become insane. They are fifty-four years old and one is an invalid.

The fact that they were demoted was discovered when they tried to commit suicide by setting fire to their home. Both resisted when they were carried from the burning structure, and both tried to rush back into the flames.

It is not known which one was afflicted first, but it is believed that the invalid sister first lost her reason, and that her attendant then became insane.

Steps will be taken to have the sisters placed in an asylum, as they are both violent and require constant attention.

WADED INTO RIVER WITH BABE

Morrisville, Pa., Woman Took Young Child With Her to Death.

Trenton, N. J., April 21. — Mrs. Claudia Smith, of Morrisville, Pa., took her four-weeks-old baby and, it is thought, walked deliberately into the Delaware river. The body of the mother was found by John and William Peze, two shad fishermen. It is thought that the body of the baby must have floated down the stream.

Mrs. Smith was forty years of age and the mother of eight children. She had been visiting her parents, Mr. and Mrs. Benjamin Cleo, of Morrisville, at whose home the youngest child was born. Since that time the mother has been in ill health. Her mental derangement was probably responsible for her act. She is supposed to have left the house after midnight, and waded out into the stream deliberately.

McKinley Home Sold.

The home of the late President William McKinley, at Canton, O., was formally transferred to Mrs. Rose C. Klorer, of Canton, the price being \$21,000. The sale was effected through Miss Helen McKinley electing to take the property under the appraisement at \$20,000. Personal effects of the late president, including many presents received by him during the famous 1896 front porch campaign and later while in the White House, are being divided among the five heirs of the president, and will be widely scattered.

Joke Ballot to Cost \$100.

A single ballot, cast as a joke at the primaries at Pottsville, Pa., will prove a costly act to Schuylkill county. One voter wrote names of prominent citizens for county offices on a Prohibition ticket. This makes these persons the candidates of the party, and necessitates an additional column to the ballot, which the county commissioners say will increase the cost of printing ballots next fall by \$100.

Widows' Pension Increase.

Commissioner of Pensions Warner has announced that the widows who are now on the pension roll would not be required to make application for the increase from \$8 to \$12 a month recently voted by congress. The commissioner has instructed the pension agencies throughout the country to put the law into effect automatically, the first payment of the increase to be made May 4.

Smallpox Doctor Wins \$10 a Visit.

After being out for nearly a day the jury in the case of Dr. J. C. Knowles, of Seaford, Del., against Edwin Massey, whom he is suing for \$10 a visit in a smallpox case, brought in a verdict in favor of the doctor, giving him \$250. In 1903, after other doctors had refused to attend the smallpox sufferer, Dr. Knowles left his practice to attend to him.

Mill stands. The fact that a great body of industrious people are referred to as "hands," shows how small account is taken of their human necessities. They are just "hands" to the mill owner because it is the labor of their hands which makes his profits. But hands can't work unless the brain guides, and the blood supply is pure and plentiful. For those who undergo the ceaseless strain of daily toil, there is no medicine so helpful as Dr. Pierce's Golden Medical Discovery. It cures disorders of the stomach and other organs of digestion and nutrition, purifies the blood, heals "weak" and bronchial affections. It cures ninety-eight in every hundred who use it.

It is not every teacher who carries the most books who is apt to be the best instructor. A girl with a pretty mother is unlucky because she is rarely ever good looking. Every time a widower comes to town every old girl's heart flutters.

Medical. The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills. It has cured 62 people right here in Bellefonte. Mrs. John Andrew, living on S. Spring St., Bellefonte, Pa., says: "Doan's Kidney Pills have been a great blessing to both my husband and myself. I suffered severely with a constant dull, nagging backache and pains across the loins, and could hardly straighten after stooping. I was very dizzy at times, and during the day felt languid and tired out with no ambition to do my work. I could hardly walk without falling and was in a very serious condition when Doan's Kidney Pills were brought to my attention and I procured a box at Green's Pharmacy. It surprised me how quickly they gave me relief from the aches and pains, and caused the trouble with the kidneys to disappear. I am glad to recommend Doan's Kidney Pills to others."

DANGER IN DELAY. KIDNEY DISEASES ARE TOO DANGEROUS FOR BELLEFONTE PEOPLE TO NEGLECT.

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other. 53-112m.s.o.w.
